Performance Measures Descriptions

¹ Records experienced a 50% attrition rate between April and June of 2018. Vacancies, recruitment issues, and multiple FMLA approved absences have impacted the output and projections for FY19. Temporary employees and summer interns will be utilized to address the existing backlog.

² Health Information Techs audit representative sample sizes of all records each month to evaluate presence of required documentation for Medicaid Billing. Percent lower than 100% means inadequate compliance with MHASD audit plans.
