Program Characteristics:

Executive Summary

The Warehouse offers critical support to MCSO Corrections, Business Services, Law Enforcement, arrestees, pre-trial defendants, sentenced offenders, other agencies, and the public. Warehouse activities include requisitions and receiving and distributing equipment and supplies to support MCSO units. Also, the Warehouse provides commissary services that support the needs of adults in custody. The Warehouse, in cooperation with other county, state and federal entities, serves as the Receipt, Stage, and Storage (RSS) center in the event of certain countywide public health emergencies.

Program Summary

Within the Auxiliary Services Unit, the MCSO Warehouse facilitates the distribution of goods and services in support of MCSO operations and activities.

The receipt and distribution of property and supplies through the warehouse supports MCSO activities in eleven facilities, often on a daily basis. Receiving, warehousing, and distributing items used by MCSO requires continual attention to ensure accurate and timely logistics outcomes. The Warehouse supports the needs of persons in custody, through ordering and delivery of detention facility supplies, as well as encompasses commissary operations. Warehouse staff emphasize the safety and security of personnel and those in custody as their highest priority. Operational goals are prioritized, with emphasis on supporting the health, safety, and well-being of persons in custody in conjunction with the support of all MCSO operations.

Warehouse personnel train routinely as part of RSS operational readiness planning and response. This effort requires a keen focus on situational readiness and a tested collaborative approach to ensure success during times of crisis. This is a collaborative partnership with the Multnomah County Health Department, Emergency Management, and other state and federal entities.
