**Executive Summary** 

This program offer is for the development and execution of the strategy to relocate the Multhomah County Sheriff's Office (MCSO) Law Enforcement Division to an efficient, economical and sustainable facility appropriately sized and sited to deliver critical public safety services to the citizens of Multhomah County.

## **Program Summary**

The Sheriff's Office moved to the Hansen Building complex, corner of NE Glisan and NE 122ND Avenue in 1976. The Hansen Building was built in 1956 as a County health clinic. Due to the buildings infrastructural needs, seismic liability, inefficient layout, security challenges and the distance to the Sheriff's current service districts, it no longer meets the operational requirements of a modern law enforcement agency. In FY 2017, the majority of the Sheriff's Office staff moved to the the Penumbra Kelly Building at 4747 E Burnside in Portland. (The Hansen Building is now used as a temporary shelter).

In FY 2015, Phase 1 of the project including the Project Plan and Programming was completed along with conceptual budget estimate to the Board followed as well as a request for approval for Phase 2 Project Delivery and Development Plan according to the FAC 1 Administrative Procedure. In FY 2017, a 3.54 acre parcel of land adjacent to the Troutdale Police Command Center was acquired by the County as a potential relocation site. Given changes in the local public safety environment, including the election of a new Multnomah County Sheriff in FY 2017, and policing discussions with other local cities, we continue to explore opportunities to meet the needs of Sheriff's Office. The ownership of Troutdale property does not align with the new Strategic Plans from the Sheriff's Office. Disposition options are being considered for the Troutdale parcel. MCSO Business Case continue to be developed and refined for Approval by the Chair in FY 2019. A number of potential sites for consolidation continue to be considered.
