Program Characteristics:

Executive Summary

This program supports the implementation of a new Enterprise Resource Planning (ERP) suite of integrated technology that includes Workday, TRIRIGA, Jaggaer, and Questica. In January of 2019, the new ERP suite of tools launched. The County's business operations in human resources, finance and budget, procurement and contracting, and facilities management were transformed with new processes and tools. This program supports the completion of the overall ERP project, including stabilization, upgrade management, and decommissioning of the old systems.

Program Summary

A new ERP suite of technology was implemented through this program. The implementation included Deloitte Consulting as the Systems Integrator. The County's ERP Program Management Office partnered with Deloitte Consulting to manage and implement the overall program. The first phase of the new technology suite went live on January 1, 2019. The program will continue through Fiscal 2020, and will include the implementation of additional features, stabilization of the systems, business processes and support structure, decommissioning of legacy systems, and archival of data.
