## **Program Summary**

Public Services Division Management (PSDM) provides leadership and accountability for the county's 19 public libraries. This division plans services, develops and evaluates programs and staff, and administers the budget for all public library locations. This program is led by the library's Deputy Director who is accountable for the Public Services Division and backs up the Library Director.

Public Services Division Management communicates with staff at all levels of the organization; develops collaborative relationships with community and governmental organizations to maximize the impact of library services for county residents; sets priorities and policies for libraries to best address community needs and county priorities; and implements best practices for safe and efficient operations. The division also provides resources to individual managers, staff, and work groups to improve their performance through ongoing training, coaching, leadership development and assessments.

Public Services Division Management supports the programs and services of the public libraries which patrons visited more than 3.7 million times last year. These libraries provide learning, cultural and recreational opportunities to all county residents, as well as a community space for civic engagement and lifelong learning.

Public Services Division Management supports the library's focus on equity and inclusion through systemwide management of culturally specific services to the county's African-American, immigrant and refugee communities. The division includes bilingual staff who speak Spanish, Chinese, Vietnamese, Russian and Somali and staff with an African-American cultural competency.
