

MULTNOMAH COUNTY, OR

FY 2020 ADOPTED BUDGET

Volume 1
Policy & Legal Detail

GOVERNMENT FINANCE OFFICERS ASSOCIATION

Distinguished Budget Presentation Award

PRESENTED TO

Multnomah County Oregon

For the Fiscal Year Beginning

July 1, 2018

Christopher P. Morrill

Executive Director

The government Finance Officers Association of the United States and Canada (GFOA) presented an award of Distinguished Presentation to Multnomah County for its annual budget. In order to receive this award, a government must publish a budget document that meets program criteria as a policy document, as an operations guide, as a financial plan and as a communication device.

The award is valid for a period of one year only. We believe our current budget continues to conform to program requirements, and we are submitting it to GFOA to determine its eligibility for another award.

Multnomah County Board of Commissioners

Multnomah County adopted the Mission, Vision and Values statement to provide a framework for making decisions that impact Multnomah County government and the community.

Knowing the mission, vision and values of the organization enables our leaders and employees to consider the greater good when making tough decisions.

Mission

The Multnomah County Board of Commissioners *plans* for the needs of a dynamic community, *provides* leadership to ensure quality services, *prioritizes* the needs of our most vulnerable and *promotes* a healthy, safe and prosperous community for all.

Vision

Build a community where everyone is healthy and anyone who needs help has a place to find it.

The community knows about and is engaged in what we do.

We have the resources to meet the community's needs.

Everyone in our community shares equally in opportunity, regardless of what they look like, where they come from, what they believe in, or who they love.

There is a fully funded safety net to protect the most vulnerable people in our community.

Values

Social Justice – Promote equity in the community, include people who have not been included in the past, help those who need help.

Health – Support a healthy community from birth through adulthood.

Public Safety – Maintain safe neighborhoods through prevention, intervention and enforcement.

Integrity – Be honest and trustworthy, creating transparency and harmony between what we think, say and do. Put the County's mission above personal goals.

Stewardship – Demonstrate tangible, cost effective results from our work; decisions are clear, evidence-based, and fair.

Creativity and Innovation – Think in new ways, value new opinions and recognize ingenuity and resourcefulness.

Sustainability – Focus on the long-term environmental and economic well being of the community.

Deborah Kafoury

Multnomah County Executive Budget Message

The 2020 Multnomah County Executive Budget aims to invest our limited resources efficiently and equitably to support the health, strength and sustainability of our community and this organization.

At Multnomah County, we ensure that critical efforts like elections, tax collection and library services are managed with integrity and excellence. Most often, we meet people at a point of crisis or deep need. But it's not just services we provide — these contacts are turning points for community members and opportunities to shift the health, wealth and stability for entire families and generations.

Multnomah County employees are tasked with addressing some of the most urgent and complex issues of our time and they do so every day with creativity, skill and compassion.

Working with our community of nonprofit, business and jurisdictional partners, we leverage our resources to make an even bigger difference in the lives of the more than 800,000 residents.

But like many local governments across Oregon, Multnomah County is about to enter into a period of structural deficit, where the cost of doing the County's business will be greater than the revenue we have coming in. This means that every budget decision we make this year must be guided by our core values and priorities. But as importantly, it also means continuing to take actions to maintain our long-term fiscal health.

We must make some really hard decisions this year, but I am optimistic because Multnomah County, embodied by County staff, has always demonstrated that we are capable of rising to the challenge.

When I was first sworn in as a Multnomah County Commissioner in 2009, we faced the Recession, the greatest economic crisis since the Great Depression. As Chair, I have served throughout the recovery and subsequent period of economic expansion. Yet, despite falling unemployment and rising apartment towers, the people we serve have experienced continued pressure on their pocketbooks. At least 56,000 households in our region spend more than half of their income on rent, and roughly a third of our neighbors who don't make enough to meet their basic needs.

The County is experiencing pressure, as well, as the largest source of money the Board can spend — property taxes — are capped by 1990s ballot measures. The result is that the costs of providing services are outpacing the County's income. We started the budget process in November facing a \$6 million General Fund deficit. And, that gap is forecast to grow to \$34 million in the next five years.

This shortfall requires us to make strategic and effective investments in programs and services in response to current needs, while at the same time, ensuring we have the workforce and infrastructure capable of delivering those services in the future. We will also explore all options to ensure that future revenues not only provide the stability that we need, but respond to local economic growth, so that in the good times, everyone can benefit.

Advancing Equity

This budget supports the implementation of the Workforce Equity Strategic Plan and continues our efforts to use an equity lens to improve our practices and programs serving community.

Workforce Equity

When people come to the County for services, they expect equitable treatment, compassion and results. And the only way we can meet those expectations is through the dedication of our employees, who must also experience safety, compassion, inclusion and support at work. Over the past year, the Board of Commissioners adopted a Workforce Equity Strategic Plan to address institutional racism and inequities that have resulted in staff experiencing discrimination and disparities in promotions, terminations and support. This budget prioritizes efforts to better address discrimination complaints, improve our management structure, track our progress on addressing employee issues and support our department staff to implement equity strategies. Investments include:

- Independent Complaints Unit Creating a nondepartmental unit of experienced investigators will help ensure the County has standardized procedures, training and tracking of complaints and outcomes.
- Management Training, Accountability and Support Multiple one-time-only
 proposals within the Department of County Management will support the launch
 of a training conference for managers and supervisors, building and
 strengthening the critical skills needed to create and support a thriving
 workforce. To meet the long-term need for increased training, professional
 development and mediation, these proposals also include increased resources
 for conflict resolution, training development and implementation.
- Civil Rights Unit This unit within the Office of Diversity and Equity will help advance workforce equity by supporting best practices in recruitment, hiring, promotion and termination decisions. This unit also ensures the County meets required Affirmative Action, Equal Employment and ADA accommodation responsibilities.
- Department Equity Managers This budget supports new dedicated resources
 for equity managers in the Department of County Management, Department of
 Community Services and the Sheriff's Office. As departments implement new
 practices, professional development and organizational culture shifts, equity
 managers must play a central role in leading efforts across work units, bringing
 staff together and supporting transformation in a way that is consistent with
 countywide goals inside departments with diverse services and unique contexts.

Training & Technical Assistance: Missing and Murdered Indigenous Women Missing and Murdered Indigenous Women is a national movement that launched in response to the growing concern around American Indian and Alaskan Native (Al/AN) women and girls facing life threatening or life ending abuse. Al/AN women and girls are often misidentified when coming into contact with law enforcement and other programs and services overseen by governmental entities. This one-time offer will raise awareness and provide training to County staff working in public safety, law enforcement, community justice, mental health and human services. Training will include basic understanding of Tribal sovereignty, understanding the impact of data inequity and misidentification, and an overview of current national and local statistics.

Fair Pay Initiative

Over the last year, labor unions, community groups, subcontractors and day laborers have raised concerns about workers on construction sites being shorted in their pay throughout the industry. Wage theft robs workers of pay they have earned and makes it more difficult for honest contractors to compete for work. My budget funds a pilot to expand the County's existing compliance and enforcement efforts to prevent wage theft on County construction sites by providing technical assistance to contractors so they can properly classify and pay their workers, make sure workers know their rights, and train volunteers to help us verify our certified payroll.

Community Health, Safety and Housing

The executive budget maintains critical housing assistance and shelter beds for families, youth, justice-involved individuals and those facing domestic violence. We are also prioritizing services to reach those in need throughout our community from downtown Portland to East County. Most importantly, we are using ongoing dollars to improve the quality of our programs and to fill critical gaps in our services to those who are seeking shelter and permanent housing.

Housing Assistance for Employment Program

Housing insecurity is both a function of rising rents and stagnating, or even falling, incomes. But we have seen that, when we can combine rent assistance with job training, people can better achieve stability and take advantage of opportunities. Sixty-seven percent of participants who received rent assistance in this program were more likely to obtain career-track employment while increasing their income at double the rate of those without housing assistance. It's because of proven results like these that we dedicated an additional \$100,000 in ongoing funding to this program.

Gresham Community Outreach

The Gresham Community Volunteer Corps engage people who are transitioning from homelessness and addiction in volunteer opportunities. The \$50,000 ongoing investment supports the program's efforts to build marketable skills for those individuals experiencing homelessness, while also providing avenues for participants to engage with the community. Activities include 60 hours of mentored work experiences, learning new skills and improving work habits with the goal of permanent employment.

H.O.P.E. Team

Under the leadership of Sheriff Mike Reese, the Multnomah County Sheriff's Office created the Homeless Outreach and Programs Engagement (HOPE) Team two years

ago. Team members work to build networks with service providers and create relationships with vulnerable populations in the field, connecting them with needed services. This team has been funded with one-time-only dollars in previous budgets. This executive budget provides the HOPE team with ongoing County General Fund revenue to ensure this critical work has consistent funding.

Alternatives to Incarceration

This budget reflects my ongoing commitment to smart alternatives and diversion opportunities that promote public safety in ways that truly change behavior. The Law Enforcement Assisted Diversion (LEAD) program will continue to provide law enforcement with an opportunity to divert low-level drug offenders away from jail and toward opportunities for treatment and housing. I've also maintained funding for the Multnomah County Sheriff's Office Close Street Supervision program. Developing a robust continuum of jail alternatives requires investments in community supervision programs, and Close Street provides effective monitoring and oversight of people awaiting trial. Finally, I've restored funding for the Turn Self In Program, which provides a formal weekend sentencing alternative for judges to impose on offenders. This allows them to maintain their employment or other family and life obligations within the community.

Prevention and Pathways to Stability

Social and environmental factors like poverty, discrimination, a lack of housing and healthcare, food insecurity and isolation can cause lifelong issues that come at a great cost to individuals and to the safety net. This budget also focuses on preventing and taking early action on these challenges to help people from ever reaching the point of crisis. Our upstream efforts include connecting children, families and clients to trusted case managers and health providers. We must also offer options for people with a behavioral health issue to better connect with peers, so they can reach out and find support from people who know what they are going through.

Office of Consumer Engagement

A key part of designing and delivering successful behavioral health services is ensuring peer voice is present. That's why we created the Office of Consumer Engagement three years ago in the Mental Health and Addiction Services Division, which is the only county-level office of its kind in Oregon. The Office works with the division, department and community to lead, support, and advise on peer efforts across our organization. They also strive to increase awareness and engagement of consumers at the policy level and in our community.

The executive budget includes funding for a full-time manager of the office. This leadership will not only manage the existing staff, but also support expansion, coordination and quality of peer services in Multnomah County.

Reynolds Student Health Center

Funding student health centers is a smart investment — keeping kids healthy, in school and ready to learn. Reynolds School District educates more than 11,000 students — two-thirds of them from low-income families — yet lacks a student health center. So I'm pleased that, after a two-year planning process, the Health Department's Student Health Center program will be expanding to Reynolds High School next year.

Vaccine Outreach Program

As we saw during the recent Clark County measles outbreak, vaccine hesitancy remains a serious issue that lowers immunization rates in our community and increases the spread of preventable communicable diseases. In collaboration with HealthShare of Oregon, we are looking closely at vaccination data in Multnomah County to understand where further education and outreach efforts are needed most in our community. This \$80,000 one-time investment will deepen our prevention work and, in partnership with community leaders, will develop culturally-specific resources to expand culturally-responsive communication and outreach strategy.

Nurse Family Partnership

Supporting the health and well-being of mothers and their children is central to Multnomah County's dedication to helping families to break the cycle of poverty. Nurse Family Partnership is an evidence-based, community health program that partners low-income, first-time mothers, with a home-visiting Community Health Nurse. The executive budget funds this program at \$1 million, eliminating vacant positions but maintaining the current staffing and client capacity. In the coming years, we will continue to work with partners in the County and across the community to ensure that we focus our limited dollars on the children and families who are most in need.

Community Legal Clinic

This specialized area of service allows participants to consult and connect with legal experts so they can legally remove the fines and misdemeanors on their record that prevent them from getting housing, education, and other opportunities. By expanding this program with an additional \$100,000, this service will reach more people, supporting community members to remain in their existing homes, apply for new housing, or obtain employment.

Operations and Systems Improvement

This budget funds a number of efforts that will continue to modernize and improve operations and infrastructure to provide services as well as support and strengthen nonprofit partnerships.

Quality Improvement Pilot

This one-time investment will allow us to work with a group of nonprofit partners to assess and assist contractors in establishing best practices and policies that ensure safety, quality and efficiency. This work will also help determine what departmental capacity and approaches can best support social service contractors in meeting these goals.

Electronic Medical Records

Our juvenile justice health system records are still maintained on paper, an archaic and inefficient way of tracking medical documents. This budget invests in electronic medical records for the Juvenile Detention Program at the Juvenile Justice Center. Implementing electronic medical records will increase chart accuracy and support continuity of care for patients who leave the justice system.

Multco Align

Multco Align has modernized our systems - from payroll to purchasing. It's strengthening our human resources and finance systems. This budget continues ongoing and one-time funding to complete the project team's work and ensure we have the support needed to fully implement and use this new cloud-based system.

Conclusion

The development of this budget has involved difficult choices. And it has been important to me to hear from community voices throughout its development.

I want to thank the Community Budget Advisory Committee for its work overseeing this process.

I also want to thank Commissioners Sharon Meieran, Susheela Jayapal, Jessica Vega Pederson and Lori Stegmann for their leadership, partnership and steadfast commitment to the values of justice and fairness. I'm grateful to the hard work of my policy team led compassionately and tirelessly by Chief of Staff Kimberly Melton.

And as much as this document relies upon the Board to make it a reality, it wouldn't exist at all without the work of Budget Director Mike Jaspin and his staff. They have put in untold hours counting and recounting, balancing and rebalancing. This budget is a product of their diligence and commitment to excellence.

Finally, I want to acknowledge the thousands of employees at Multnomah County. For some of you, the financial impact of this budget will be very direct. While departments have tried to direct cuts toward vacant positions, that was not always possible.

I want to thank each of our employees for their dedicated service, their commitment to improving our community, and their daily contributions. They make people's lives better and I prepared this budget with gratitude and respect, to support their work.

Sincerely,

Deborah Kafoury

(this page intentionally left blank)

Introduction

Multnomah County's \$2.0 billion FY 2020 Adopted budget reflects a disciplined approach to addressing the County's structural deficit while providing for the community's needs today and investing in the future. It addresses difficult, but necessary choices head-on. And in doing so, it provides for financial resiliency and flexibility for the County to address its budget challenges.

More importantly, the budget reflects the County's commitment to provide services ranging from elections and health care to animal services and road maintenance. It provides for civic infrastructure such as bridges, courthouses, and medical facilities. Beyond the numbers, it reflects Multnomah County's core goal to provide our residents and employees with a sense of belonging, safety, and trust.

The FY 2020 budget addresses our community's and employee needs today. Several examples include:

- Continuing to fund the Joint Office of Homeless Services, providing shelter capacity for 1,700 people and rent assistance for another 10,900, as well as providing ongoing funding of \$265,000 for the Sheriff's HOPE Team.
- Maintaining the County's current 1,192 jail beds.
- Adding 4.00 FTE for Adult Protective Services in the Mental Health & Addictions Services Division of the Health Department, as well as a leadership position for a person with lived experience in the Office of Consumer Engagement (OCE) program.
- Providing primary health care for 40,600 people and dental care for 27,000 people.
- Providing \$250,000 of funding to the District Attorney's Office for costs related to Gresham Police Department body-worn cameras.
- Providing additional funds to address vaccine hesitancy.
- Adding \$1.5 million for medical care associated with jails.
- Establishing Continuous Quality Improvement Pilot for County Contractors.
- Maintaining current SUN Schools.
- Ensuring every department has an Equity and Inclusion manager.
- Establishing a Complaints Investigation Unit (\$1.3 million and 6.00 FTE).
- Providing funding for the Environmental Review phase and Environmental Impact Statement (EIS) of the Earthquake Ready Burnside Bridge Project.
- Maintaining prior year's investments in Elections for improved voter access, including ballot tracking, translation of materials into more languages, and the Voting Express Center in Gresham.

fy 2020 adopted budget

The budget devotes an additional \$21.6 million of one-time-only General Fund resources to capital infrastructure. Adding the \$13.3 million from the sale of the old courthouse that is to be used for construction of the new courthouse brings the total to \$34.9 million. This not only addresses the County's capital needs, but it also reduces future borrowing needs. These include:

- \$13.3 million for the new Downtown Central Courthouse, in addition to the \$80.0 million provided in the prior four years.
- \$6.0 million set aside for the Southeast Health Clinic.
- \$11.0 million for the Mental Health Resource Center downtown.
- \$2.0 million for corporate broadband.
- \$1.0 million for electronic medical records for Corrections Health in Juvenile Detention.
- \$814,000 for Department of Community Justice radio replacement.
- \$500,000 for ADA projects (Video Lottery).

The Adopted budget addresses the County's structural deficit and recognizes that the strong Portland economy is not recession-proof. Even without a recession, the County's revenue growth is slowing while labor costs are growing at a faster rate. Oregon's constitutional limits on property tax growth, paired with higher wage growth due to the strong labor market, increased local inflation, and increasing PERS costs, mean the County will need to continue making reductions or raise revenue in the coming years. The Adopted budget provides for financial resiliency and flexibility by:

- Closing the General Fund's \$3.6 million FY 2020 deficit per the March forecast.
- Spreading \$3.2 million of one-time-only funds over five years to cover ongoing operating costs of \$630,000.
- Not spending any of the forecasted increase in Business Income Tax identified in the May 2019 forecast update, potentially reducing the FY 2020 deficit by nearly \$9.3 million.
- Contributing a fourth, \$25 million installment to a PERS side account to address the County's unfunded liability and reduce future rates.
- Fully funding General Fund Reserves per the Board's policy.
- Funding our General Fund Contingency at last year's increased level of \$1.5 million.
- Funding a 10% Business Income Tax (BIT) reserve.
- Increasing the Inclement Weather contingency in the Facilities Fund.
- Spending one-time-only resources on one-time-only expenditures.
- Using one-time-only funds to address capital needs to reduce future borrowing requirements.

A strong economy and sound management cannot fully compensate for our long-term structural deficit caused by Oregon's constitutionally enshrined property tax

system and PERS costs.

In November 2017, both S&P and Moody's awarded Multnomah County the highest possible rating (AAA and Aaa, respectively) for long-term debt associated with the new County Courthouse.

The S&P rating reflects an upgrade from AA+ to AAA on the County's full faith and credit obligations. S&P noted the County's "strong management, with good financial policies and practices" and the County's strong budgetary performance and flexibility.

The FY 2020 budget also includes a number of General Fund reductions and reallocations. Several of significant note are:

- Reducing \$303,682 of ongoing funding for the reception portion of the Runaway Youth program. One-time-only funding is provided while the reception center program is redesigned.
- Eliminating eight, underutilized Department of Community Justice juvenile detention beds, saving \$524,578.
- Eliminating the Department of Community Justice forensics lab, saving \$308,174.
- Reducing Nurse Family Partnerships to current capacity levels, saving \$342,897.
- Shifting General Fund expenditures to Other Funds in the Health Department, saving \$1.5 million.
- Reducing staffing in the Sheriff's Facility Security program, saving \$212,572 (2.00 FTE) and civil process program, saving \$342,339 (3.00 FTE).
- Reducing a land use planning code compliance position, saving \$114,979.

Besides the General Fund reductions, a number of programs were impacted by State funding and operational decisions, or by financial considerations independent of the County General Fund. These include:

- The State of Oregon no longer funding the District Attorney's Office for the Termination of Parental Rights and juvenile dependency cases and instead having the State Department of Justice provide counsel.
- Due to growing personnel costs and flat to declining revenues, the Health Department's Integrated Clinical Services will reduce clinical staffing by roughly 35.00 FTE.
- State funding levels for the Department of Human Services' Intellectual and Developmental Disabilities Division have not increased. Combined with caseloads, this results in being underfunded by roughly 12.00 FTE or \$1.5 million.

While the focus of budget discussions tends to naturally fall on the "adds and cuts," the vast majority of the County's programs are unchanged from FY 2019, with more than 5,000 County employees continuing to provide services ranging from law enforcement and health care to bridge maintenance and elections in FY 2020.

The following pages of the FY 2020 budget contain much more information on the County's financial picture and operational and investment plans for FY 2020.

The County's budget information for FY 2020, as well as past years, can be found at: www.multco.us/budget.

Planning for FY 2020

Economic Climate

The Portland metropolitan economy continues to grow, but the rate has started slowing relative to the post- Great Recession expansion. As of February 2019, the 3.9% unemployment rate in Multnomah County remains at a historically low level, but is higher than last year. At the state level, Oregon's unemployment rate of 4.4% in February was higher than the national rate of 3.8%.

At the national level, Gross Domestic Product (GDP) – the output of goods and services produced in the U.S. – increased at an annual rate of 2.6% in the final quarter of 2018, and 3.4% and 4.2% in the preceding two quarters. According to the Federal Reserve, the 2019 annual growth rate is expected to be near 2%.

Locally, the residential real estate market slowed considerably, matching activity across large, Western cities. As measured by the S&P Case- Shiller Home Price Index for the Portland metropolitan area, home prices increased 3.9% during 2018. Similarly, multi-family housing rents have declined slightly after years of increases.

The Federal Reserve raised rates in 2018, but has signaled that going forward, it will halt rate increases until the economy shows more consistent strength.

The slowdown in housing price increases, combined with widespread wage growth caused by the low unemployment rate, have improved affordability issues. But many neighborhoods in the County continue to struggle with affordability issues. Going forward, a large number of new studio and one-bedroom units are close to entering the market, but permit applications for new housing projects have slowed significantly which could limit supply, and cause price increases, if strong population growth continues. During calendar year 2018, real market values of multifamily housing grew by only 3.4%, following 33.7% the year before.

Unemployment rates at the local, state, and national levels are still well below the double digits seen in 2009 and 2010. As of February 2019, the U.S. unemployment rate stood at 3.8% vs. 4.1% a year earlier. For Oregon, the February 2019 rate was 4.4% vs. 4.1% a year earlier. In Multnomah County, the similar figures are 3.9% vs. 3.5% a year earlier. With nonfarm employment in Multnomah County at 518,700, employment levels are roughly 6,500 or 1.3% higher than the previous year. While employment growth has slowed considerably, the persistently low unemployment rate and tight labor market have caused real wages to grow at all income levels and across demographic groups.

The Oregon Office of Economic Analysis forecasts employment growth of 2.1% and 1.7% in 2019 and 2020, respectively, and personal income growth of 5.4% in 2019 and 5.3% in 2020.

Forecasting the General Fund

Multnomah County uses ongoing financial forecasting and monitoring to estimate revenues and expenditures in the General Fund, the County's largest source of discretionary revenues. Forecasts are made for a five-year time horizon and updated on a quarterly basis. The forecast helps form the basis on which Multnomah County builds its annual budget.

The Budget Office's March 2019 Five-Year Forecast projected ongoing expenditures exceeding ongoing revenues by \$3.6 million for FY 2020. As the table below shows, the gap grows to a \$15.3 million deficit in FY 2021. In year five of the forecast, the deficit grows to \$34.1 million or 5.5% of expenditures.

| Forecasted Ongoing General Fund Expenditures, Revenues, and Operating Balance (In Millions) per March 2019 Forecast | | | | | |
|---|--------------|--------------|--------------|--------------|--------------|
| | FY 2020 | FY 2021 | FY 2022 | FY 2023 | FY 2024 |
| Revenues | \$528.4 | \$540.9 | 554.5 | 572.4 | 591.3 |
| Expenditures | <u>532.1</u> | <u>556.2</u> | <u>581.4</u> | <u>603.3</u> | <u>625.4</u> |
| (Deficit) | (3.6) | (15.3) | (28.9) | (30.9) | (34.1) |
| Change in Deficit from Prior Year | | (11.7) | (11.5) | (4.0) | (3.2) |
| Deficit is this % of Expenditures | -0.67% | -2.27% | -4.62% | -5.13% | -5.46% |

Note: Revenues/Expenditures include video lottery, but exclude reserves, FQHC wraparound and prospective health payments

There are fewer open contracts than there were at the same point last year. The Juvenile Custody Services Specialists (JCSS) (56.00 FTE) and Dentists (24.17 FTE) labor unions are currently in contract negotiations. Any increase in personnel costs associated with these negotiations above the status quo is not currently included in the forecast.

Based on this forecast and assuming a five-year planning horizon, the County cannot support any additional ongoing spending without reallocating from existing programs, increasing revenues, or increasing operational or programmatic efficiencies.

Updating the General Fund Forecast

The Chair's Proposed budget closed the FY 2020 General Fund deficit and shrunk the deficit in future years. The Budget Office's May 2019 Forecast significantly increased the County's estimated ongoing and one-time-only business income tax revenues. Several planning assumptions were presented to the Board. The Board did not explicitly select one, but expressed a preference for not spending any of the increased revenue and instead reducing the County's forecasted deficit over the next two years. The table below shows the County's currently forecasted General Fund deficit based on the FY 2020 Adopted budget and the "Maximize the General Fund Deficit Reduction over Two-Year Option."

| Forecasted General Fund Deficit Based on FY 2020 Adopted Budget and "Maximize Deficit Reduction Over 2 Years" | | | | | dget |
|---|---------|---------|----------|----------|----------|
| | FY 2020 | FY 2021 | FY 2022 | FY 2023 | FY 2024 |
| Deficit | (\$0.0) | (\$3.0) | (\$14.4) | (\$25.0) | (\$28.0) |

More information regarding the forecast can be found at www.multco.us/budget.

Local Revenues

Property taxes are the single largest discretionary source of revenue in the General Fund, accounting for 59% of ongoing revenues. General Fund growth, therefore, is particularly sensitive to taxable value growth and compression. A more detailed review can be found on pages 9 and 10 in the financial summaries section. The FY 2020 budget assumes the following rates of growth (as measured from the FY 2019 Adopted budget) for each revenue source:

- Property Tax An increase of 2.8%
- Business Income Tax An increase of 13.6%
- Motor Vehicle Rental Tax An increase of 2.0%
- Recording Fees/CAFFA Grant A decrease of 8.7%
- US Marshal jail bed rental An increase of 20.0%

In FY 2020, the BIT is forecasted to make up 18% of County General Fund revenues. The chart below shows BIT collections in blue, with the current five year forecast represented by the dashed portion of the line. The red line is the historical growth trend. FY 2019 was the 10th year of the current BIT expansion. In the May 2019 forecast update, BIT revenues were increased in all years of the forecast due to a structural change resulting from the Federal Tax Reform. The current forecast includes a slight decline in BIT revenues in FY 2020 and FY 2021 based on the mature stage of the economic cycle, declining development activity, and one-time-only paymenst received in FY 2018 and FY 2019.

The US Marshal jail bed rental increase is driven by a higher number of beds used (93 per day rather than 85) and a higher rate of \$140 per bed, per day.

As measured from the FY 2019 Adopted budget, ongoing General Fund resources for FY 2020 are projected to increase by nearly 4.5%. However, as measured from currently forecasted FY 2019 revenues, General Fund resources will increase by a more modest 1.4%.

Cost Drivers

The County's General Fund expenditures are forecast to grow at roughly 3.6% to 4.5% annually through FY 2024, a rate of growth that takes into account inflation, employee compensation, and long-term fixed costs. For FY 2020, the cost of providing current service levels is expected to grow at 5.6%. This relatively strong rate vs. prior years is driven by personnel costs, which are forecast to grow at 6.5%. Specifically, the personnel cost increase is driven by:

Cost of Living Adjustment: 3.9% (of base pay)

• Step/Merit Increases/Contract Adjustments: 1.9% (of base pay)

Medical/Dental: 2.0%

PERS: 2.22% (of base pay)

Additionally, the County provided a 4% COLA for General Fund human service contractors, per Board policy.

For the second year in a row, inflation is high following a prolonged period of low inflation after the Great Recession. The increase has been driven in part by the strong rise in both housing prices and rents in the Portland area and West Coast in general, as well as increasing energy costs. Starting in November 2018, year-over-year changes in the West Size-A CPI-W (the index used to calculate County COLAs) have moderated or declined, and the forecast assumes that inflation will return to more normal levels.

The strong job market is also pushing base wage growth above inflation levels. Combined, these two factors are driving significant wage growth.

The County's pension costs via the Public Employees Retirement System (PERS) are also expected to rise significantly over the foreseeable future. This is due to a number of factors, which are discussed in more detail later, but are driven by five basic factors:

- 1. In April 2015, the Oregon Supreme Court in the Moro case invalidated the majority of the 2013 reforms passed by the Oregon Legislature.
- 2. The PERS Board has steadily reduced the assumed earnings rate from 8.0% to 7.2%.
- 3. The impact of using collared rates.
- 4. The PERS Board updating its mortality assumptions.
- 5. The PERS system earning inconsistent returns in recent years.

fy 2020 adopted budget

The impact of these decisions and events has increased the County's unfunded liability (UAL) from \$89.2 million as of December 2013 to \$553 million as of the December 31, 2017 valuation.

The County's PERS rates are set biennially and FY 2020 is the beginning of a new biennium. By the beginning of the FY 2022 biennium, the County expects its PERS rates to increase by another 4.5% to 5%. In light of this, past rate increases, and volatility, the County has historically "smoothed" the internal rates it charges to departments to provide predictability, stability, and mitigate risk.

For FY 2020, the rates charged to departments are increased by 2.22% of base pay to address the significant future increases in the County's rates, our unfunded liability, and to smooth the increases. This internal rate increase, combined with the establishment of PERS side accounts, should address just less than half of the anticipated FY 2022 rate increase. In FY 2020, the County anticipates funding a fourth PERS side account, which would further offset future rate increases.

For FY 2020, internal service rates charged to departments for items such as information technology and facilities services are assumed to increase 5.07%. As the County's internal services are heavily labor dependent, the increase in personnel cost growth has put upward pressure on internal costs.

fy 2020 adopted budget

Policy Direction from the Chair & the Board and Balancing the General Fund

The cumulative actions of the Chair and Board reduce the FY 2021 projected deficit from

\$15.3 million to \$3.0

million.

Based on the County's initial November forecast of a \$5.9 million General Fund deficit, the Chair directed all departments to submit General Fund budgets that reflected a 3% reduction from current service level budgets as a starting point for the FY 2020 budget. These reductions would generate approximately \$13.1 million of savings if all were accepted. Departments could also propose service expansions, restoration of reductions, backfill of grants, and new programs. Departments were also able to request one-time-only funds.

During 2018, and in consultation with Department Directors and Business Managers, the Chair also directed the Department of County Assets, which provides internal services, to prepare 2% reductions to variable internal service allocations (costs associated with debt service, contracts, and other commitments outside of DCA's control were excluded). This resulted in a net savings of approximately \$814,000 that was passed on to departments. About half of these savings were in the County General Fund.

The Chair's Proposed budget balanced the General Fund by:

- 1. Restoring or not accepting \$5.1 million of the proposed reductions, leaving \$8.0 million of proposed reductions.
- 2. Accepting \$3.6 million of the reductions to cover the FY 2020 deficit, resulting in \$4.4 million of reductions or resources to allocate.
- Converting \$3.2 million of OTO to ongoing over five years, generating \$600,000 of ongoing resources per year. This increases resources to allocate to \$5.0 million.
- 4. Recognizing \$1.1 million in higher revenue, such as a higher US Marshal bed rate, and savings based on Department's submitted budgets.
- These actions resulted in \$6.1 million to allocate to various programs, such as the MCSO's HOPE Team, medical care in jails, the Complaints Investigations Unit, and to cover the expected cost of labor agreements.

Departments were also allowed to reallocate within existing resources to address critical needs and shift General Fund expenses to Other Funds as appropriate.

The Proposed budget allocated the \$35.1 million of discretionary one-time-only (OTO) General Fund as follows:

- Allocating \$21.6 million to major capital projects.
- Allocating the remaining \$13.5 million to a PERS side account, and a variety
 of costs, such as rent assistance, equity and inclusion initiatives, and various
 studies and ramp-down, or transition costs.

As previously noted, the Board chose to forego spending additional ongoing and one-time BIT revenues identified the May 2019 forecast in order to reduce the deficit in FY 2021 through FY 2024. Aside from adjusting the County's reserves and appropriating a portion of the revenues the County passes through to East County cities, these funds were left unappropriated.

The Board also utilized \$1.4 million of one-time resources from unspent FY 2019 General Fund contingency funding and \$0.2 million in ongoing resources from the elimination of a U-Visa Detective position in the Sheriff's office. The funding was used to fund a series of additions, including:

- Providing \$150,000 (in addition to the \$100,000 in the Chair's Proposed Budget) to ensure a complete Census count.
- Providing \$250,000 for culturally-specific navigation services for immigrant families.
- Providing \$203,505 for the restoration of the In-Jail Human Trafficking position.
- Reallocating \$150,000 of short-term rental assistance to long-term rental assistance and providing \$150,000 in one-time-only funding to backfill the short-term assistance.
- Providing \$100,000 for peer run supported employment services.
- Providing \$197,808 to restore harm reduction funding in the Health Department.

The Board also set aside an additional \$100,000 in contingency funding for the work of the Preschool for All task force to be available if alternate grant funding is not secured.

The list of Board adjustments can be found here: https://multco.us/node/40442

The Adopted budget includes \$4.0 million of Tax Title resources in the Joint Office of Homeless Services.

Per past practice, the Business Income Tax reserve is funded at 10% of BIT revenues for FY 2020. This is on top of the County's 10% General Fund revenue reserve. The FY 2020 budget conservatively assumes that departments will fully spend their FY 2019 General Fund appropriations.

The Chair's budget message provides additional information on her policy initiatives. The following sections of the Budget Director's Message provide more detail on the County's one-time-only resources and spending.

Overview of Additions, Reductions and Reallocations

Human Services
Additions

The FY 2020 budget includes a number of General Fund additions, reductions, and reallocations. The following tables summarize these by broad service area. Investments in infrastructure are included by the most relevant service area.

The tables include both ongoing and OTO funds and do not reflect cuts that were proposed by departments but restored in the Chair's Proposed budget. They do not include Tax Title funds restricted by Oregon law.

Several tables also show how allocated General Fund resources were reallocated to higher priorities.

| Prog. # | Program Offer Name | General Fund Adds | FTE Adds |

| | Total | \$19,876,281 | 2.50 |

Human Services Reductions

The Human Services reductions are spread throughout the Department of County Human Services. The single largest reduction is in the reception portion of the Runaway Youth Services Program. One-time-only funding is provided while the program is reviewed and redesigned.

| • |

Human Services Reallocations

The Joint Office of Homeless Services reallocated \$300,000 from contracted services to direct staffing to support ongoing system-wide programming. The significant expansion of the system and growing complexity require additional staffing for the Office to efficiently provide positive outcomes. The additional staffing includes a program specialist in the Homeless Families area, a program technician in the System Support program, and a Program Supervisor Administration & Operations.

Half the reallocation is in the County General Fund, which is shown in the table below.

| Prog. # | Program Offer Name | General Fund Reallocated | FTE Reallocated |
|--------------|--|--------------------------------|--------------------|
| Joint Office | of Homeless Services | | |

Health Department Additions, Reductions, & Reallocations

Additions

The Health Department is one of the County's largest and most complex departments. Its FY 2020 budget reflects a substantial amount of reallocations within the General Fund and funding shifts from the General Fund to Other Funds. It also reflects significant reductions in Other Funds, such as reductions in the clinical system, that aren't captured in these summary tables.

| Prog. # | Program Offer Name | General Fund Adds | FTE Adds |
|----------|--|----------------------|----------|
| Health D | epartment | | |
| 40004C | Ambulance Services (EMS) - Medical First Response | \$95,000 | 0.00 |
| 40004B | Ambulance Services (EMS) - Clinical Services Specialist (was ongoing, OTO for FY 2020) | 17,722 | 0.00 |
| 40010C | Communicable Disease Services - Vaccine Hesitancy | 80,000 | 0.00 |
| 40024B | Student Health Centers Transition Planning | 185,354 | 2.64 |
| 40050D | Corrections Health MCDC Outsourced Medical | 750,000 | 0.00 |
| 40051D | Corrections Health MCIJ Outsourced Medical | 750,000 | 0.00 |
| 40055B | Baby Boosters | 55,500 | 0.00 |

| | Total | \$2,465,778 | 15.50 | | | |

Public Safety Additions

The additions in the public safety area are focused on infrastructure. The most notable of these is additional Courthouse funding. These investments will help to reduce future capital and debt requirements, allowing more funds for operations. Not captured on these tables are significant labor costs increases that impact the majority of the programs.

| Prog. # | Program Offer Name | General Fund Adds | FTE Adds | | |
|---------------|---|----------------------|-------------|--|--|
| County Assets | | | | | |
| 78212 | Downtown Central Courthouse | \$13,318,170 | 0.00 | | |
| District A | ttorney's Office | | | | |
| 15012 | Body Worn Cameras - Gresham | 250,354 | 1.48 | | |
| 15013 | MCDA Research & Planning Unit | 130,000 | 1.00 | | |
| 15101A/B | Juvenile Dependency and Delinquency | 427,944 | 0.21 | | |
| Communi | Community Justice | | | | |
| 50013 | Replacement Radios | 814,000 | 0.00 | | |

General Government Additions

The General Government additions respond to two primary priorities and needs. The first of these is the Workforce Equity and Strategic Plan. For example, \$1.3 million is added for the Complaints Investigation Unit. Secondarily, additional funding is provided for County infrastructure, whether that be resources for the County's broadband network, ADA compliance (sidewalk access), or Workday (ERP) support.

General Government Reductions

The reductions in the General Government area are spread broadly. The most significant is the elimination of the Capital Asset Strategic planning program, although OTO funding is provided in FY 2020 to ramp this program down. Additionally, 60 slots are cut from the SummerWorks program.

General Government Reallocations

The Department of County Management made a number of internal reallocations to fund higher priority needs. For example, reallocations allowed the department to add four new Appraisers and an Equity Manager. Some of these actions began in FY 2019 and were approved by the Board.

Budget Overview All Funds

Local budget law requires that Multnomah County report the "total" budget. The total budget reflects the actual resources needed by the County, plus internal charges, transfers, loans, and accounting entities. The total budget for FY 2020 is \$2.0 billion. When adopted, the budget sets the legal appropriation.

Because the total budget overstates what is actually spent, the County often refers to the net budget. The FY 2020 net budget of \$1.7 billion is a more accurate statement of the money the County actually plans to spend on operations during the year. The net budget (shown in the table below) subtracts all internal charges, transfers, and loans from one fund to another. Internal transactions between funds are typically the result of one department providing a service to another, such as information technology or facilities services. It also removes all reserves for future years to more accurately reflect the ongoing operating budget.

The table on the following page compares the FY 2019 Adopted budget to the FY 2020 Adopted budget at the fund level. Year-over-year, the budget (including internal charges, transfers, and loans) has decreased by 2.3%. While most operating funds have increased, spending out funds allocated for major projects, such as the new Courthouse, reduces the overall budget.

| FY 2020 Budget | | |
|--------------------------|------------|----------------------|
| Direct Department Expend | ditures | \$1,609,729,737 |

Department
Expenditures
All Funds (\$1.82
billion)

Department expenditures for all funds, excluding cash transfers, contingencies, and unappropriated balances, total \$1.82 billion in FY 2020 vs. \$1.88 billion in FY 2019.

The bar chart below shows appropriations by department in millions of dollars across all funds. This figure includes internal service payments, and thus represents some double-counting.

The construction of the Downtown Central Courthouse, and the ERP project are budgeted in the Department of County Assets. Taken together, these projects account for nearly \$118 million or 33% of County Assets spending, greatly distorting the size of its budget.

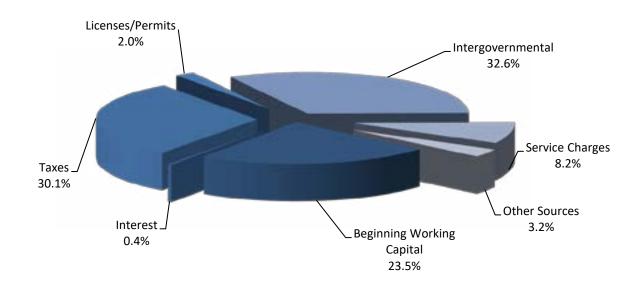

Department Revenues All Funds (\$1.64 billion)

Total direct resources, or "revenues," for FY 2020 are \$1.64 billion vs. \$1.70 billion in FY 2019 (excluding service reimbursements and cash transfers between funds). Intergovernmental revenues are the County's single largest revenue category at \$536.8 million or 33.0%. This reflects a \$55.6 million or 3.3% decrease from FY 2019.

Taxes constitute the next largest revenue source at 30.1% and include property tax, business income tax, motor vehicle rental tax, transient lodging tax, and county gas tax. For FY 2020, tax collections are anticipated to increase 3.5% from \$478.9 million in FY 2019 to \$495.7 million.

Beginning working capital (BWC) is the County's third largest resource for FY 2020, at \$386.8 million or 23.5%. In dollar terms, BWC decreased from \$401.0 million in FY 2019 to \$386.8 million in FY 2020. Several significant changes include:

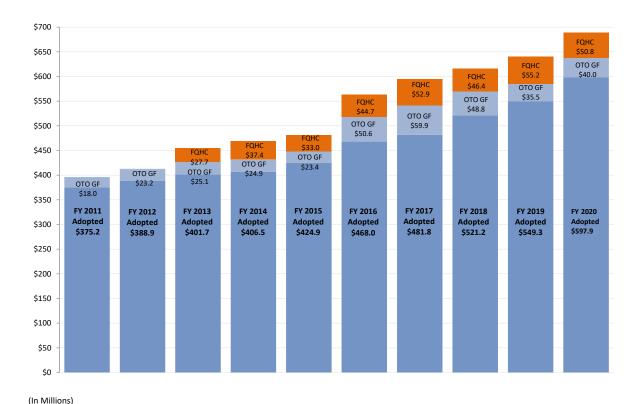

- A \$19.0 million decrease in the PERS Bond Sinking Fund.
- A \$27.7 million increase in the General Fund.
- A \$22.9 million decrease in the Downtown Courthouse Capital Fund.
- A \$14.8 million decrease in the Health Headquarters Capital Fund.
- A \$12.1 million increase in the Risk Management Fund.

The General Fund

General Fund Expenditures and Reserves (\$688.7 million) The \$688.7 million General Fund comprises one-third of the County's budget. It is the largest pool of discretionary funds that the Board of County Commissioners can allocate. Resources include property taxes, business income taxes, motor vehicle rental taxes, interest earnings, state shared revenues, and beginning working capital. The General Fund also includes Federally Qualified Health Center (FQHC)/Alternative Payment Method (APM) Medicaid reimbursement funds.

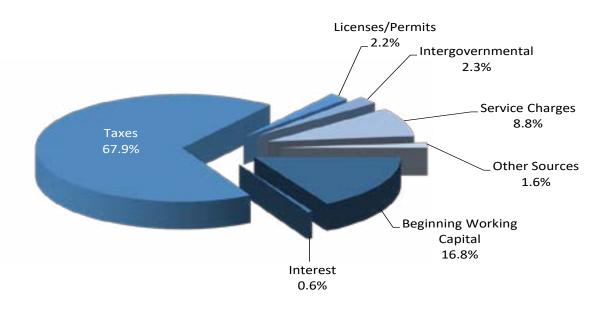

The following graph shows total General Fund "spending," including cash transfers, service reimbursements, contingencies, and unappropriated balances (reserves), from FY 2011 through FY 2020. The graph also shows how much one-time-only (OTO) and ongoing funding was spent in the General Fund from FY 2011 to FY 2020. Combining each segment provides the total General Fund.

General Fund Revenues

General Fund resources for FY 2020 (excluding service reimbursements and cash transfers) have increased from FY 2019. Direct resources are budgeted at \$650.0 million – a \$46.0 million or 7.6% increase over FY 2019. Ongoing taxes are budgeted to increase by \$20.7 million or 4.9%, while one-time-only BWC is projected to be \$27.7 million or 34.1% higher.

As the graph below shows, taxes make up the majority of General Fund revenues. If one excludes BWC, service reimbursements, and the \$50.8 million of budgeted FQHC and prospective health payments, taxes account for nearly all of the Board's discretionary ongoing funds. Property taxes, accounting for \$312.7 million, are budgeted to increase by \$8.5 million or 2.8%. Business income taxes, accounting for \$96.5 million, are budgeted to be up \$11.5 million or 13.5%. Motor vehicle rental taxes, accounting for \$31.5 million, are budgeted to increase by \$600,000 or 2.0%.

Use of One-Time-Only Funds

The FY 2020 Adopted budget contains approximately \$40.0 million of one-time-only General Fund resources and spending after fully funding the General Fund reserve and the BIT reserve. These funds include:

- \$18.0 million of additional BWC in FY 2019 (from departmental underspending and higher revenues in FY 2018) and higher FY 2019 revenues (mainly from higher than-budgeted business income taxes) less reserve adjustments.
- \$11.0 million of the remaining Courthouse and McCoy sale proceeds received in FY 2019 (after using \$13.3 million for the new Courthouse and other board approved uses.)
- \$0.8 million of funds carried over (unspent) from FY 2019, excluding restricted Tax Title Funds.
- \$8.3 million from a Comcast tax settlement.
- Less \$3.2 million that is 'spread out' over five years and treated as ongoing funding.
- \$3.5 million of Emergency Shelter Strategic Investment unspent in FY 2019 carried over to FY 2002.
- \$1.4 million of unspent FY 2019 Contingency

The tables on the following pages show how the County plans to use one-time-only resources in FY 2020. The table lists one-time-only resources supporting one-time-only expenditures, or programs not expected to continue beyond FY 2020.

^{1/} The OTO fund for Program Offer 60521 is being used for what is expected to be an ongoing purpose.

 $[\]ensuremath{\mathrm{2}/}$ The OTO funds for these programs are budgeted in Video Lottery Fund (1519).

General Fund Reserves

The County maintains General Fund reserves as outlined in the County's Financial and Budget Policies. In FY 2020, reserves are maintained in the General Fund equal to 10% of ongoing "corporate" General Fund revenues – resources that the Board has wide discretion over, such as property taxes. The FY 2020 budget fully funds the General Fund reserves at \$45.7 million and is in compliance with the Financial and Budget Policies. The level of General Fund reserves is considered a fundamental measure of financial health.

The FY 2020 budget continues to maintain a 10% BIT Stabilization Reserve of \$9.7 million. This stabilization reserve is in addition to the General Fund reserve and is specifically intended to mitigate the risk of an unexpected downturn in the regional economy as the BIT is a volatile revenue source.

Policy Issues and Opportunities

Organization-wide

Issues

Homelessness and Housing Affordability

Like other communities, Multnomah County has experienced a significant increase in homelessness and reduced housing affordability. The February 2017 point-in-time count found 4,177 people living on the streets, in shelter, or in transitional housing. Since the creation of the Joint Office of Homeless Services in 2016 to more effectively address the homeless crisis, Multnomah County and the City of Portland have served record numbers of families and individuals. Last year, over 35,000 individuals received services ranging from emergency shelter to permanent supportive housing.

Even with significant investments by both jurisdictions, there remains unmet housing, service, and support needs. The 2019 point-in-time Count was recently conducted and that information, when available, along with U. S. Department of Housing and Urban Development (HUD) system performance measures, will be used to guide future needs and services levels.

Rents at the lower end of the housing market continue to climb more rapidly than increases in wages and entitlement benefits. Households in the lowest income ranges continue to struggle to have access to affordable housing. A recent report from EcoNorthwest documented this trend and the fact that affordability places tens of thousands of households at risk of homelessness every night.

The FY 2020 budget includes total Joint Office of Homeless Services funding of \$70.2 million, with \$30.5 million of discretionary County Funds. Significant challenges remain, including:

- Finding suitable shelter locations and operating shelter facilities.
- Establishing and maintaining funding for permanent supportive housing as the Federal Government reduces funding and rents continue to climb.
- Reducing the racial disparities within the homeless population.
- Addressing the chronically homeless who may have mental health or addictions struggles.

Budget Director's Message

fy 2020 adopted budget

Workforce Strategic Equity Plan

During FY 2018, the County adopted a Workforce Equity Strategic Plan; a set of goals, standards, and performance measures meant to eliminate employment barriers and create safety, trust, and belonging for all county employees, with a focus on people of color and other marginalized groups. During FY 2019, this plan was updated to include a suite of recommendations from the Jemmott Rollins Consulting group that are intended to strengthen the strategies and performances measures in the original plan.

The FY 2020 budget includes substantial investments to begin the work of implementing this plan. Investments include funding a Workforce Equity Program Manager to oversee countywide implementation of the plan, placing Equity Managers in multiple departments, creating a centralized Complaints Investigation Unit to process Protected Class complaints, developing a Leadership Development and Accountability model, and expanding the county's capacity to provide diversity and equity training.

Workforce equity requires that the County identify and address structural and policy barriers to equal employment opportunity faced by our employees and communities because of their race, ethnicity, national origin, disability, gender and gender identity, sexual orientation and other protected classes. County employees across the organization have stepped forward to develop a strategic plan and help create a workplace where everyone can reach their full potential, and the FY 2020 budget reflects the priority this organization has placed upon creating an environment of Safety, Trust, and Belonging for all employees. More information about this work is available at https://multco.us/safety-trust-and-belonging-workforce-equity-initiative.

Personnel Costs

Merit, Step, and COLA Wage Increases

The backbone of the County has been, and continues to be, its workforce, which absorbed increased workloads and achieved increased efficiencies during the last economic downturn. The budget provides for COLAs of 3.9% and merit or step increases for all labor groups as outlined in the County's labor contracts.

Public Employees Retirement System

The County participates in PERS, a cost-sharing, multi-employer, defined benefit pension plan administered by the State of Oregon. PERS rates are established biennially, with the most recent set of rates taking effect July 1, 2019 based on the December 31, 2017 valuation.

As noted in the cost-driver section, the reforms made by the Oregon Legislature in 2013 were largely invalidated by the Oregon Supreme Court on April 30, 2015. As of the December 31, 2017 valuation, the County's unfunded actuarial liability was \$553 million due to these reforms not being upheld, the PERS Board reducing the assumed earnings to 7.20% and updating its mortality assumptions, and below assumed earnings.

The County expects its rates to increase 4.5% to 5.0% of base pay in FY 2022 biennium. The County will continue its practice of proactively smoothing its internal rates. The County has also established three \$25 million PERS side accounts in FY 2017, FY 2018, and FY 2019. The FY 2020 budget includes funds to make a fourth \$25 million contribution to our PERS side accounts. Regardless of these measures, the County will face rising PERS costs for the foreseeable future.

More information on PERS can be found at www.oregon.gov/PERS, in the County's Comprehensive Annual Financial Report, and in staff's PERS Briefing to the Board, which is located at www.multco.us/file/42452/download.

Pay Equity

The County is currently undertaking a countywide pay equity analysis, which is estimated to be completed in the fall of 2019. This survey is driven both by the County's desire to ensure equitable pay for the County workforce and by new legal requirements. The new law prohibits employers from seeking past salary information, expands the protected classes covered by the pay equity law in Oregon, and confirms that each instance of unequal pay is a continuing violation. While Multnomah County has reviewed pay equity in the past, the law requires an updated analysis to help ensure that people who do similar jobs and have similar levels of education, experience, seniority, merit, training, and working conditions are paid similarly. The financial impact of the analysis is currently unknown.

Investing In Infrastructure

Burnside Bridge

The bridge was built in 1926 and has been designated as an official emergency transportation route by Metro. The bridge is not up to current seismic standards and is in need of rehabilitation or replacement in order to ensure it can meet its obligation to serve as a lifeline corridor in an emergency.

The County Board approved resolution 2015-116 on November 5, 2015 authorizing a \$3.0 million internal loan to fund a feasibility study for the seismic rehabilitation or replacement of the Burnside Bridge. The feasibility study occurred over a three-year period and was completed in November 2018.

The County has been talking with community members and a team of experts to better understand what should be considered. The project has considered over 100 Burnside crossing options. After two rounds of screening, the list has been narrowed to two groups that represent over 20 remaining options for further evaluation: Enhanced Seismic Retrofit and Replacement. The feasibility study was presented to the Board on November 1, 2018. The Board also approved resolution 2018-114 to create a seismically resilient Burnside Bridge project.

The FY 2020 budget assumes the County will issue new 10-year Full Faith and Credit bonds for \$16.0 million to complete the National Environmental Policy Act (NEPA) project phase and to repay the internal loan for the feasibility study. Debt service will be covered from County vehicle registration fees. Passage of HB 4064 during the 2018 Legislative Session allowed this to happen.

More project information can be found at https://multco.us/earthquake-ready-burnside-bridge

Earthquake Ready Burnside Bridge Project Timeline

Investing in Infrastructure (Continued)

New Central Downtown Courthouse

The existing Multnomah County Courthouse was built between 1909 and 1914 and is functionally and structurally obsolete. In-custody defendants use the same public hallways as court personnel, crime victims, and the general public and the unreinforced masonry walls do not meet current seismic codes. The Courthouse is also at capacity with no room for additional growth.

The County has partnered with the State of Oregon, as well as other stakeholders, to plan and design a new 17-floor, 44-courtroom courthouse at the corner of SW First Ave and SW Madison street, near the west end of the Hawthorne Bridge.

The new Courthouse is estimated to cost \$324.5 million and will be paid for jointly by Multnomah County and the State of Oregon. Legislation passed by the State of Oregon allows it to provide 50% of the construction cost for State court-related functions, subject to appropriation of funds from the State Legislature. The project assumes a total of \$125 million from the State.

The County is funding its share of the project with \$86.1 million of mostly one-time- only General Fund resources contributed in prior fiscal years plus another \$13.3 million in FY 2020 from the sale of the existing Courthouse (which closed in FY 2019). This additional amount fully funds the project and eliminates the need for a second bond sale. The first \$90 million of bonds were sold in December 2017. The Board also allocated \$10 million from the sale of the Morrison Bridgehead property to the project.

Debt payments will be covered by \$3.6 million of ongoing County General Fund resources set aside in the FY 2020 budget, as well a \$5 surcharge on Circuit Court parking and traffic violations legislatively authorized by HB 4093.

The new Multnomah County Central Courthouse is scheduled to open late Spring of 2020.

More information on the Courthouse can be found at: www.multco.us/central-courthouse

Investing in Infrastructure (Continued)

Investing in Information Technology

Downtown Mental Health Resource Center

On April 8, 2019, the County purchased the Bushong & Co Building at 333 SW Park Ave. The County also has the adjoining parking lot under contract to purchase. Together, these properties will provide a location for a Downtown Portland Mental Health Resource Center. Programing for the facility is currently under design, but it is anticipated to include peer support services, transitional housing for homeless people with behavioral health issues, as well as day center to assist people with finding housing and treatment services. Various construction options are also under consideration with opening of the facility not expected before the end of 2020.

Enterprise Resource Planning (ERP) Replacement

On January 1, 2019, the County went live with a new suite of ERP tools for business operations in human resources, finance and budget, procurement and contracting, and facilities management. This suite replaces the County's SAP ERP system, which was implemented in 1999. It also brings new, cloud-based functionality. This project first started with the County completing a review of its information systems, technology, and business needs in March 2015. An RFP was then released in November 2015, with the County selecting Workday as the system with Deloitte Consulting as the system integrator. Jaggaer was selected to support the County's source to settle needs, while IBM Tririga was selected to support Facilities asset management operations. The County's current Questica software was selected to continue to support budget operations.

The \$42.8 million implementation cost is financed over seven years with debt service covered by allocating costs to departments on a per FTE basis of \$1,323.

FY 2020 will be a transition year. On the project side, implementation of additional features, stabilization of systems, decommissioning of legacy systems, and archival of data will occur. On the operations side, business process owners will continue to take responsibility for day-to-day operations and support. The County will also be reviewing how the suite is functioning to determine ongoing resource needs and whether resources should be reallocated to reflect shifting functions and workloads across the County.

Investing in Information Technology (Continued)

Cybersecurity

In FY 2016, the County initiated a multi-year cyber security program to upgrade outdated technology, increase cyber security awareness, and implement tools for managing cloud-based data systems. In FY 2020, Cyber Security 2.0 is funded with \$468,000 to continue focusing on gaps and deficiencies as they are identified to protect the data the County holds and our IT systems that are critical to our day to operations. These actions include:

- Second Layer Authentication.
- Network Access Control for items such doors or heating or cooling systems which are attached to our networks.
- Implementing a Privileged Access and Identity Management solution to better manage and secure privileged accounts to meet the needs access control requirements for regulatory compliance.

Corporate Broadband

The County relies on a high-speed, broadband fiber network, the bulk of which is provided by the City of Portland on leased equipment and Comcast infrastructure. The 15-year old franchise agreement supporting this infrastructure and access expires in 2021. The County is exploring options for its corporate broadband infrastructure once the agreement expires. In FY 2019, the County commissioned an independent evaluation of the business case and to obtain recommendations. Currently the County is exploring forming a consortium with the City of Portland and potentially other jurisdictions. The FY 2020 budget sets aside \$2.0 million to begin this effort.

Juvenile Justice Center Health EMR

Health care provided by the County at its Juvenile Justice Center currently uses a paper-based medical record system and medication delivery is documented via paper. This is inefficient and the use of a non-electronic medical record poses potential challenges for legibility, accuracy, and continuity of care. The budget sets aside \$1.0 million to document the requirements for an Electronic Medical Record (EMR) system, conduct a procurement, and implement the selected solution. The County currently uses EPIC as its EMR within its other primary care locations. Unfortunately, the module of EPIC designed for an inpatient care setting does not scale well to the setting at the Juvenile Justice Center, thus the County anticipates selecting an alternate solution and integrating it with its EPIC solution.

Budget Director's Message

fy 2020 adopted budget

Investing in Information Technology (Continued)

Capital Project Management Software

The County's Facilities group is currently managing its large Capital Improvement Program with an aging data and project management system that needs to be replaced to allow more efficient and effective management the county's infrastructure investments. Funding of \$1.0 million has been set aside to evaluate business requirements, procure a new system, and implement the selected system. The new system is expected to provide these capabilities:

- Develop program management plans to manage and allocate funds to projects for capital initiatives.
- Manage schedules by tracking and managing project activities.
- Manage resources assigned to project activities across various phases of the project lifecycle.
- Manage vendor engagement.
- Integrate data across the ERP software solutions for a consistent view of project details.
- Prepare, track & report on actuals vs planned costs.

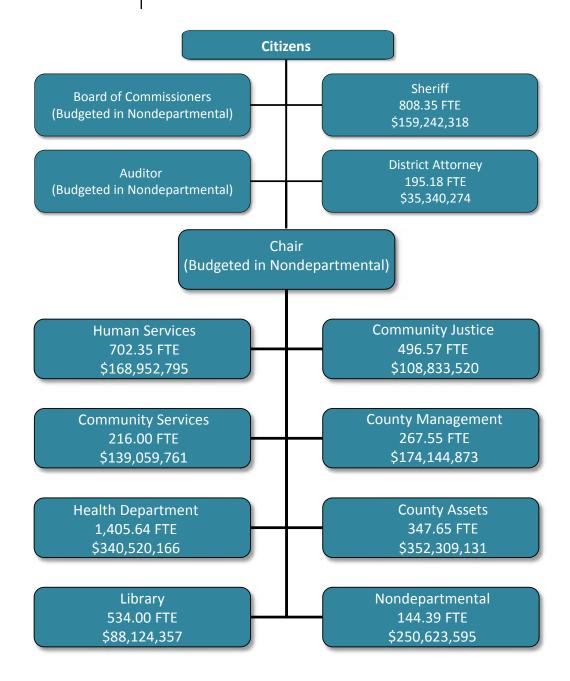

Future Budget Pressure

While the County is experiencing sound economic growth, it is not immune to broader economic issues and will continue to face internal and external budget pressures in years to come. For example, today's budget decisions, such as the opening of a new facility, have an impact on future budgets. The following list is a brief outline of the budget pressures the County will monitor for impacts beyond FY 2020.

- Revenue The Business Income Tax is inherently volatile and will invariably
 decline during the next recession. Property tax, while relatively stable, is
 constitutionally limited in its growth rate. As inflation increases, costs are
 expected to grow faster than the County's core property tax revenue stream
 as the County is experiencing in FY 2020.
- Capital Investment and Debt The County is undertaking several major capital projects, such as replacement of the downtown Courthouse, with others in the future, such as the downtown Mental Health Resource Center or the Earthquake Ready Burnside Bridge. Board policy directs 50% of one-time-only funds (after contingencies and reserves are fully funded) for capital needs, which will cover a significant amount of the funding for these buildings. However, debt will still be required, and servicing that debt will put pressure on future budgets and reduce flexibility.
- Healthcare Costs While the rate of growth in County healthcare costs has been relatively modest in recent years, a return to previous rates of growth would put significant pressure on County costs.
- Pension and Post-Employment Benefit Costs While the County's pension and post-employment benefit funds are among the best funded in the country, the overturning of the 2013 PERS reforms added cost pressures.
 The PERS system is structurally dependent on stock market returns to fund a significant portion of its cost, so poor market returns may create additional budget pressures.
- Technology As technology becomes more prevalent in day-to-day County operations, the associated infrastructure and support costs also increase.
 The most problematic issue tends to be semi-routine replacements of IT applications. There is currently no ongoing funding stream to pay for these replacements or new technological investments.

Multnomah County Organization Chart

Multnomah County delivers its services through 10 departments, including three managed by independently elected officials: Sheriff Mike Reese, District Attorney Rod Underhill, and County Auditor Jennifer McGurik. There are 5,116.68 full time equivalent (FTE) positions in this budget.

Appreciation

This document is the outcome of many hours of hard work and analysis by County agencies and their staff, and I would like to thank these people for their contributions. Particularly, I want to thank the leadership in the Chair's Office: County Chair Deborah Kafoury; Chief of Staff Kim Melton; and Chief Operating Officer Marissa Madrigal. I also want to extend my appreciation to the department heads and constitutional officers, along with their budget teams and staff, for their hard work, cooperation and assistance.

Finally, I want to acknowledge the remarkable teamwork by the people in the Central Budget Office who were instrumental in putting this budget together: Shannon Gutierrez, Ching Hay, Dianna Kaady, Ashlye Manning, Wendy Polzin, Jeff Renfro, Chris Yager, and Trista Zugel-Bensel, and to the Evaluation and Research Unit: Jillian Girard, Anna Plumb, and Allison Sachet.

It is a privilege to work with the dedicated people who serve our County.

Mike Jaspin

Budget Notes

The following budget notes were adopted by the Board of County Commissioners on May 30, 2019. Board discussion and deliberation is an integral part of the County budget process. Budget notes document policy discussions and decisions made by the Board of County Commissioners during the budget worksessions and provide direction to departments in achieving the Board's policy goals during the fiscal year.

Culturally Specific Services Briefing

The Board of Commissioners requests a board briefing from the Department of County Management's fiscal compliance team within the first 6 months of FY 2020 on the amount of funding Multnomah County has awarded to culturally specific organizations over the last five fiscal years as compared with other organizational funding. The briefing should highlight culturally specific programming/services the County directly provides, such as Bienestar, over the same five year time frame.

WESP Follow Up

The Board of Commissioners requests a board briefing from the Department of County Management and the Office of Diversity and Equity on (a) the status of filling the workforce equity program offer positions throughout the county; (b) the workload of those positions, including the Complaints Investigation Unit; and (c) the impact on the workload of existing Human Resources positions. The Board also requests data on the past 2 to 3 years of protected class complaints. This briefing should be part of the Workforce Equity Strategic Plan annual update to the Board planned for fall 2019, with a progress update in spring 2020.

Preschool for All

The Board of Commissioners placed \$100,000 in the General Fund Contingency for an expansion of the Preschool for All task force work led by the Department of County Human Services. This study would focus on community feedback on task force recommendations, as well as systems requirements for workforce, infrastructure, and administration of a publicly funded preschool program, among other topics. This funding would be available if grant funding is not secured.

Harm Reduction

The Board of Commissioners requests a briefing from the Health Department within the first nine months of FY 2020 presenting an analysis of the best options for harm reduction sites in eastern Multnomah County. The briefing should outline physical locations, proximity to transit and other accessibility measures, anticipated client usage, co-location with other county services, and days/hours of operation. Options for elimination or consolidation of harm reduction sites to increase services offered at other locations should also be presented for consideration by the board.

Introduction

Form of County Government

Multnomah County is home to approximately 807,500 residents, making it the most populous county in the state of Oregon. The county is located in Northwestern Oregon where the Columbia and Willamette rivers meet. It is bordered by the State of Washington to the north and is surrounded by Hood River, Clackamas, Washington and Columbia Counties in Oregon. The county seat is Portland, which is also the largest city in the State of Oregon (see page 10 for a detailed map).

Geographically, Multnomah County is the smallest county in Oregon and includes densely populated urban areas as well as rural land. The County covers 465 square miles, most of which lie in the Willamette Valley between the Cascade Mountains to the east and the Coast Range to the west. The elevation ranges from 77 feet above sea level in Portland to 4,751 feet above sea level at Buck Peak in the Cascade foothills.

Multnomah County is governed according to its Home Rule Charter. Multnomah County's legislative body, the Board of County Commissioners, is composed of four non-partisan County Commissioners elected from geographical districts and the County Chair, who is elected at-large and serves as both Chief Administrator and Legislator. The County has three other independently elected positions -- the Sheriff, the District Attorney and the Auditor.

There are 41 governmental districts located wholly or partially inside of Multnomah County. Portland (population 647,805) and Gresham (population 111,053) are the two largest cities in Multnomah County. Other major governmental entities located within Multnomah County include Metro, Portland Public Schools, the Port of Portland, TriMet, and Portland Community College. Overlapping districts share a tax base, infrastructure and services with Multnomah County.

Population

Race and Ethnicity

Multnomah County's current population is estimated at 803,000 residents, a 10.0% increase since 2010, which is slightly higher than the 8.0% increase for the state of Oregon as a whole. Multnomah County has a population density of 1,727 people per square mile.

The US Census estimates that in 2017 Multnomah County's population was 79.5% White, 7.9% Asian, 6.0% Black or African-American, 0.7% Native Hawaiian or other Pacific Islander, 1.4% American Indian or Alaskan Native, and 4.6% people with two or more races. Approximately 11.6% of the County's population is Hispanic. Hispanics are a fast growing ethnic group, with 88.4% population growth between 2000 and 2017 estimates, compared with 21.6% population growth for the County as a whole.

Multnomah County is also home to diverse languages and nationalities. Almost 14% of residents were born in another country, compared with 9.6% for Oregon as a whole. Almost twenty percent of County residents over the age of 5 speak a language other than English at home. Of those speaking a language other than English at home, 40.8% speak Spanish.

Income

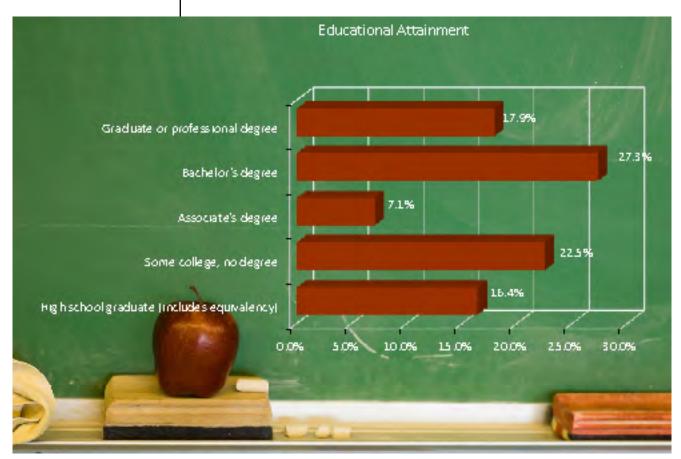

Multnomah County has one of the highest levels of per capita income in the state of Oregon. According to the federal Bureau of Economic Analysis, in 2016 Multnomah County had a per capita personal income of \$51,508, third highest in the state.

Education

An estimated 88.1% of Multnomah County's school aged population is enrolled in public schools. Public school districts in Multnomah County include Portland Public Schools, Parkrose, Reynolds, Gresham-Barlow, Centennial, Corbett, David Douglas, and Riverdale.

There are a number of post-secondary schools in Multnomah County. Portland State University has a total enrollment of 27,670 for the Fall 2017 school year. Multnomah County is also home to Oregon Health Sciences University, which educates health professionals and is a leader in biomedical research. Other colleges include Lewis & Clark College, the University of Portland, and Reed College. Portland Community College and Mount Hood Community College both educate County residents and are partially supported by local property taxes.

Multnomah County residents have above average educational achievement for the state of Oregon. In 2016, 45.2% of county residents 25 years or older had achieved a bachelor's degree or higher compared to 32.7% statewide.

Employment and Industry

Employment

Industry

Multnomah County saw a net increase of 22,544 jobs (+4.7%) from 2016 to 2017. The State of Oregon as a whole gained a slightly lower percentage of jobs during this period, 2.2%, or almost 41,000 jobs. The County's unemployment rate decreased from 4.3% in 2016 to 3.6% in 2017.

Source: Oregon Labor Market Information System (OLMIS)

In 2017, the industry with the most employees in Multnomah County was Trade, Transportation and Utilities, with 18.3% of total employment. Government and Professional and Business Services also had high numbers of employees, with 15.1% and 16.2% of total employment, respectively.

The Port of Portland operates Portland's harbor, and serves more than one thousand businesses in Oregon. Its major trading partners include Japan, South Korea, China, Taiwan and Mexico and it is the largest automobile import port in the United States.

Multnomah County leads the country in craft brewing and distilling, a growing trend in the beverage industry. According to the Oregon Brewers Guild, the Portland metro area is the largest craft brewing market in the US with 105 breweries, including 70 in Portland proper, more than any other city in the world. Oregon brewing companies employed 9,453 people and the total economic impact from the beer industry is \$4.49 billion.

Sources: OLMIS; World Port Source; Oregon Brewers Guild; Alcohol and Tobacco Tax Trade Bureau

Transportation and Infrastructure

Roads and Highways

Portland International Airport

TriMet

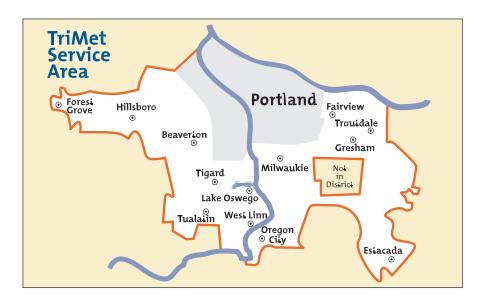

Multnomah County is served by an international passenger airport, a local bus and light rail system, and the interstate highway system. According to the 2016 American Community Survey, approximately 60.3% of Multnomah County workers age 16 and older drive alone to work. Over 11.1% take public transportation, 9.5% carpool, 7.0% worked from home, 4.7% bike to work and the remainder get to work by walking or other means of transportation.

Multnomah County is connected to the wider region by seven major highways: Interstates 5, 84, 205, and 405 and U.S. Highways 26, 30, and 99. The County operates and maintains over 300 miles of roads and 18 vehicular bridges, including 6 bridges over the Willamette River.

Portland International Airport is located on the northern border of Multnomah County. Portland International Airport handled 18.3 million domestic and 0.7 million international passengers in 2017. The airport also serves as a regional hub for flights to smaller cities in Oregon and other Western destinations.

The Tri-County Metropolitan Transportation District (TriMet) operates approximately 80 bus lines, a light rail system, and a commuter rail system that together connect Multnomah County with neighboring areas. Riders boarded a TriMet bus, MAX train, WES train or LIFT Cab nearly 100 million times in FY 2017.

Sources: American Community Survey; Port of Portland; TriMet

Culture and Recreation

Arts and Entertainment

Recreation

Multnomah County is a regional destination for the visual and performing arts and hosts numerous festivals, concerts, and sporting events every year. The County also has a mild climate and extensive public space for relaxing or exploring.

The County is home to major arts and cultural institutions, including the Lan Su Chinese Garden, Oregon Museum of Science and Industry, the Oregon Symphony, and the Portland Art Museum. Festivals are held year-round in Multnomah County, including the Oregon Seafood and Wine festival, the Portland Rose Festival, the Mt. Hood Jazz Festival, and the Oregon Brewer's Festival.

Multnomah County is also home to four professional sports teams: the Portland Trail Blazers (National Basketball Association), the Portland Winterhawks (Western Hockey League), the Portland Thorns (National Women's Soccer League), and the Portland Timbers (Major League Soccer).

Multnomah County is home to over 37,000 acres of parks and numerous natural areas. The gateway to the scenic Columbia River Gorge is located in eastern Multnomah County. The Gorge is a spectacular river canyon, 80 miles long and up to 4,000 feet deep, with numerous areas for hiking, camping, boating, and day trips. Portland's Forest Park, the largest urban forested natural area in the nation, covers over 5,000 acres of urban land and has over 70 miles of trails. The County also houses Portland's International Rose Test Garden, the oldest rose garden in the nation.

Climate

Multnomah County typically has a mild climate that is heavily moderated by the Pacific Ocean. January and February are typically the coldest months with an average low of 36 degrees Fahrenheit. July and August are the hottest months with an average high of 81 degrees Fahrenheit. Multnomah County experiences greater cloud cover and precipitation during winter months — there is an average of 5.47 inches of precipitation in December, while the average for August is 0.67 inches.

Fun Facts

- Portland's name came from the results of a coin toss by founders Asa Lovejoy from Boston, Massachusetts, and Francis Pettygrove of Portland, Maine who wanted to name the city after their hometowns.
- There is no sales tax in Oregon.
- "The Simpsons" creator Matt Groening's hometown is Portland and many of the show's characters are named after Portland streets and locations
- The Portland Saturday Market is the country's largest continuously operating open-air crafts market.
- The Portland Rose Festival's Junior Parade is the largest children's parade in America.
- Powell's City of Books that occupies an entire downtown Portland block is the world's largest independent bookstore.
- Multnomah County is home to Mill Ends Park, the world's smallest public park at 452 square inches.
- The sculpture Portlandia located on the Portland building in downtown Portland is the second largest hammered copper statue in the country, second only to the Statue of Liberty.

How Multnomah County Budgets

fy2020 adopted budget

(this page intentionally left blank)

Reader's Guide

The budget document for Multnomah County consists of two separate volumes that have the following structure:

Policy Document and Legal Detail - Volume 1 contains the following sections:

- Chair's Message The County Chair's budget message to the community.
- How Multnomah County Budgets A description of the budget process with information on opportunities for public input and other resources.
- Budget Director's Message An introduction and general overview to the budget and discussion of key issues that affect budget decisions.
- Summaries A set of summaries of resources and requirements, property tax information, cash transfers and debt management.
- Department Budget by Fund (Legal Detail) A listing of expenditure and position detail, grouped department and then by fund within each department.
- Financial Summary (All Funds) A listing of expenditure and revenue detail, grouped by fund and then by department within each fund.
- Capital Budget A summary of program offers that fall under the County's plan to determine long term financing for fixed assets.
- Financial and Budget Policies A summary of the Board approved policies that dictate how the County approaches financial decisions.

Program Information by Department Volume 2 contains a section for each department. The budget is structured around the County's nine distinct operating departments, as well as, a "Nondepartmental" department grouping.

Each section contains a summary narrative portion followed by detail pages for each of the department's program offers. Programs identified as one-time-only have been designated to end by the last day of the fiscal year under consideration unless otherwise noted. The narrative portions include department and division overviews as well as three lists: (1) budget trends (2) budget by division and (3) a list of the departments programs.

fy2020 adopted budget

How We Budget

Local Budget Law

Fund
Structure
and Basis of
Budgeting
and
Accounting

Multnomah County's Board of Commissioners adopts an annual budget to plan for the effective delivery of services to its citizens and to responsibly manage the public resources that support these services. Budgeting in Oregon is a collaboration between the community members who receive the services and the elected or appointed officials who are responsible for the provision of those services. Community involvement in the budget process ensures that desired services are adequately funded, while County officials ensure that the budget balances competing needs, is fiscally sustainable, and meets legal requirements.

Multnomah County's budget is developed within constraints imposed by Oregon's Local Budget Law, Chapter 294 of the Oregon Revised Statutes. The law has four major objectives:

- 1. To provide standard procedures for preparing, presenting, and administering local budgets;
- 2. To ensure involvement in the preparation of the budget;
- 3. To provide for a method of estimating revenues, expenditures, and proposed taxes; and
- 4. To offer a way of outlining the programs and services provided by local governments and the fiscal policy used to carry them out.

Local Budget Law requires that appropriations be established by department for each fund. Expenditures may not legally exceed appropriations at the fund level for each department. Local Budget Law also establishes the Tax Supervising and Conservation Commission (TSCC) to review the budgets of jurisdictions within Multnomah County (including the County) for compliance with the law.

Funds are legally established accounting entities with a self-balancing set of accounts that are established to track specific revenues or services. Multnomah County has 37 funds. These funds include General Fund, Special Revenue Funds, Debt Service Funds, Capital Projects Funds, Internal Services Funds, and one Enterprise Fund:

Modified Accrual Basis of Budgeting

The budget is prepared on a modified accrual basis, the same accounting basis as that of the General Fund, Special Revenue Funds, and Debt Service and Capital Project Funds (the Internal Services and Enterprise Funds are accounted for using accrual accounting). The basis defines the timing of when revenues and expenditure transactions are recognized for recording purposes. The budget estimates revenues based on whether they are measurable and available within the current period and expenditures on when they will likely occur. Governmental accounting focuses on disclosing how public money is spent during a discrete period.

fy2020 adopted budget

One exception is the acknowledgement of revenues. Property Tax and Business Income Tax (BIT) revenues are acknowledged in the budget for 60 days after close of the fiscal year. All annual appropriations lapse at fiscal year end. Items not fully expended must be re-budgeted in the following fiscal year.

Accrual and Modified Accrual Basis of Accounting

Governmental accounting, governed by state statute and Generally Accepted Accounting Principles (GAAP), differs substantially from private sector accounting. Private sector financial reports measure economic profits, whereas governmental accounting focuses on how public money is spent.

The government-wide financial statements are reported using the *economic resources measurement focus* and the *accrual basis of accounting*, as are the proprietary fund and fiduciary fund financial statements. Revenues are recorded when earned and expenses are recorded when a liability is incurred, regardless of the timing of related cash flows. Property taxes are recognized as revenues in the year for which they are levied. Grants and similar items are recognized as revenue as soon as all the provider requirements are met.

Governmental fund financial statements are reported using the current financial resources measurement focus and the modified accrual basis of accounting. Revenues are recognized as soon as they are both measurable and available. Revenues are considered to be available when they are collectible within the current period or soon enough thereafter to pay liabilities of the current period. The government considers revenues to be available if they are collected within 60 days of the end of the current fiscal period. Expenditures generally are recorded when a liability is incurred, as under accrual accounting. However, debt service expenditures, as well as expenditures related to compensated absences and claims and judgments, are recorded only when payment is due.

| Type of Fund | Type of Resources or Expenditures | Example | Basis of Budgeting | Basis of Accounting |
|------------------------|---|--|-----------------------|---------------------|
| General Fund | Discretionary | General Fund | Modified Accrual | Modified Accrual |
| Special Revenue Fund | Restricted to a specific purpose | Road Fund | Modified Accrual | Modified Accrual |
| Debt Service Fund | Pay debt service | General Obligation Bond Fund | Modified Accrual | Modified Accrual |
| Capital Projects Fund | Capital Improvements and Asset Preservation | Capital Improvement Fund | Modified Accrual | Modified Accrual |
| Internal Services Fund | Internal business functions | Fleet Services | Modified Accrual | Full Accrual |
| Enterprise Fund | External business functions | Behavioral Health Managed Care Fund | Modified Accrual | Full Accrual |

fy2020 adopted budget

Fund Accounting Structure

Governmental Funds

Proprietary Funds

Fiduciary Funds

According to local budget law and the Governmental Accounting Standards Boards (GASB), the County is required to establish and maintain various funds. Each year the Chief Financial Officer is responsible for preparing and presenting a resolution to the Board defining the various County funds. The County will adhere to Generally Accepted Accounting Principles and GASB when creating a fund and determining if it is to be a dedicated fund. The following types of funds should be used by state/local governments:

- **General Fund** to account for all financial resources not accounted for and reported in another fund.
- **Special Revenue Funds** Restricted or committed specific revenue sources will comprise a substantial portion of the fund's resources, but the special revenue fund may also include other restricted, committed and assigned resources. The County will establish a Special Revenue Fund when 30% or more of the resources in the fund are restricted.
- Capital Projects Funds to account for and report financial resources that
 are restricted, committed or assigned to expenditures for capital outlays,
 including the acquisition or construction of capital facilities and other
 capital assets. Capital projects funds exclude those types of capital-related
 outflows financed by proprietary funds or for assets that will be held in
 trust for individuals, private organizations or other governments.
- Debt Service Funds to account for and report financial resources that are restricted, committed or assigned to expenditure for principal and interest. Debt service funds should be used to report resources if legally mandated. Financial resources that are being accumulated for principal and interest maturing in future years also will be reported in debt service funds.
- Enterprise Funds to account for operations (a) that are financed and operated in a manner similar to private businesses, where the intent of the governing body is that the costs of providing goods or services to the public on a continuing basis be financed or recovered through user charges; or (b) where the governing body has decided that periodic determination of revenue earned, expenses incurred, and/or net income is appropriate for capital maintenance, public policy, management control, or accountability.
- Internal Service Funds to account for the financing of goods or services provided by one department or agency to other sections of the governmental unit, or to other governmental units, on a costreimbursement basis.
- Trust and Agency Funds to account for assets held in a trustee capacity
 or as an agent for individuals, private organizations, governmental
 units, and/or other funds. These include: (a) Expendable Trust Funds;
 (b) Nonexpendable Trust Funds; (c) Pension Trust Funds; and (d) Agency
 Funds.

Multnomah County Funds

The budget includes 37 funds that were adopted by the Board of County Commissioners. The following policies and fund structure are the guidelines for the financial accounting of County resources and expenditures.

General Fund (1000)

To account for and report all financial operations of the County which are not accounted for and reported in another fund. The primary sources of revenue are property taxes, business income taxes, motor vehicle rental taxes, service charges, intergovernmental revenue, fees and permits, and interest income. The majority of expenditures in the General Fund are made for general government, public safety, health services, aging services, and youth and family services. The General Fund also accounts for the repayment of short-term debt interest expenses incurred through the sale of short-term promissory notes.

Road Fund (1501)

In accordance with ORS 366.739 - 366.774 and ORS 368.705, accounts for revenues primarily received from the State of Oregon motor vehicle fee apportionment, County gasoline taxes, federal reserve yield, and interest income. Expenditures are restricted by Article IX, Section 3A of the Constitution of the State of Oregon and consist of construction, repair, maintenance, and operations of public highways and roads.

Bicycle Path Construction Fund (1503) Accounts for one percent of State of Oregon Motor Vehicle fees collected pursuant to ORS 366.514. Expenditures are restricted by ORS for bicycle path construction and maintenance.

Recreation Fund (1504)

The revenues are from the County Marine Fuel Tax. Under an intergovernmental agreement with Metro entered into in 1994, transferred revenues to Metro are restricted to be used for the purposes of development, administration, operation and maintenance of those County facilities transferred to Metro pursuant to this agreement.

Federal/State Program Fund (1505) Accounts for the majority of grant restricted revenues and expenditures related to funding received from federal, state and local programs. The fund also includes some non-restricted operational revenues in the form of fees and licenses.

fy2020 adopted budget

County School Fund (1506) Accounts for Forest Reserve yield revenues received from the State pursuant to ORS 293.560 & 294.060. Expenditures are restricted per ORS 328.005 - 328.035 for distribution to County School districts.

Animal Control Fund (1508) Accounts for revenues from dog and cat licenses and animal control fees per ORS 609.060(3). Cash transfers are made to the General Fund for animal services programs. The fund also contains donations that are restricted by the donors to be used for programs or projects related to Animal Services.

Willamette River Bridges Fund (1509) Accounts for State of Oregon Motor Vehicle fees and County gasoline taxes. Restricted Federal and State revenue sharing funding is also recorded in the Willamette River Bridges Fund. Expenditures are for inspections and maintenance of County bridges.

Library Fund (1510)

Accounts for the Multnomah County Library operations. The principal source of revenue is reimbursement from the Library District (Fund 1520) pursuant to an intergovernmental agreement.

Special Excise Tax Fund (1511)

Accounts for a portion of the County's transient lodging taxes collected from all hotels and motels in the County and motor vehicle rental tax collected from rental agencies. Expenditures are restricted to the Convention Center, visitor development purposes, regional arts and culture purposes and other uses pursuant to Multnomah County Code 11.300 and 11.400.

Land Corner
Preservation Fund
(1512)

Accounts for the collection of recording fees on real property transactions and surveying activities. Expenditures are made for the establishment, reestablishment, and maintenance of public comers of government surveys pursuant to ORS 203.148.

Inmate Welfare Fund (1513) Accounts for the proceeds from the sale of jail commissary items. Expenditures are made for food and supplies for inmates in County jails. Excess funds are used on inmate amenities such as recreation equipment for the institutions. Ending balances in this fund are committed per Board of County Commissioners Resolution 2011-035.

fy2020 adopted budget

Justice Services Special Operations Fund (1516) Accounts for revenues and expenditures that are dedicated to Justice Services and Operations. Revenues are primarily from various fees and fines, including probation fees, criminal processing assessment fees, conciliation court fees, marriage license fees, ambulance franchise fees, forfeitures, video lottery, alarm permits, concealed weapon permits, gun ordinance fees and liquor license fees (ORS 471.166) collected for civil processing inspection. Where a County Ordinance or Board resolution restricts resources recorded in this fund, any remaining balances will be accounted for as committed. Any unrestricted ending balances will be transferred to the General Fund at year-end.

Oregon Historical Society Levy Fund (1518) Accounts for the 5-year local option levy revenues collected on behalf of the Oregon Historical Society and four east county historical societies. The funding is passed through to support the history library, museum and educational programs.

Video Lottery Fund (1519) Accounts for revenues received from the Oregon State Lottery. Expenditures are restricted to furthering economic development per House Bill 3188 passed during the 2011 Regular Session of the 76th Oregon Legislative Assembly.

Supportive Housing Fund (1521)

Accounts for proceeds from the disposition of the Wapato Facility in April 2018. Funds are earmarked for use in providing housing services and funding comprehensive housing stabilization strategies.

Capital Debt Retirement Fund (2002) Accounts for lease/purchase and full faith and credit obligation principal and interest payments for buildings and major pieces of equipment acquired by the issuance of Certificates of Participation or other financing arrangements. Revenues consist of service reimbursements and cash transfers from other County funds.

fy2020 adopted budget

PERS Bond Sinking Fund (2004) Accounts for the principal and interest payments on pension obligation revenue bonds issued to retire the County's PERS unfunded actuarial accrued liability. The revenues are derived from charge backs to departments based on their departmental payroll costs.

Downtown Courthouse Capital Fund (2500)

Accounts for expenditures for the planning and construction of a new downtown County courthouse. Resources in the fund are derived from the State of Oregon, debt issuance, and other financing proceeds.

Asset Replacement Revolving Fund (2503)

Accounts for expenditures for small capital assets/equipment that might otherwise need to be acquired through the issuance of debt. Resources in the fund are derived from one-time revenue available in FY2015. Expenditures will be reimbursed over time by loan payments charged to the budgets of programs for which the assets are purchased.

Financed Projects Fund (2504) Accounts for expenditures for acquiring, remodeling, or construction of County facilities, information technology capital investments, and other capital projects. Resources are derived from full faith and credit bonds or other financing proceeds and General Fund service reimbursements.

Library Capital Construction Fund (2506) Accounts for the capital improvement project fees collected from County Libraries (1510) to provide for needed capital projects for the Library District (1520). Expenditures are made for capital improvements and acquisitions for the Library District. This fund was created in order to segregate capital activity for the Library District from the general government capital activity.

Capital Improvement Fund (2507) Accounts for the proceeds derived from the sale of unrestricted property, interest income, and any service reimbursement or operating revenue from leased facilities. Expenditures are made for capital acquisitions or for the retirement of lease/purchases. Authorized by Board Resolution 99-144.

fy2020 adopted budget

Information Technology Capital Fund (2508) Accounts for expenditures for Information Technology capital projects. Resources are derived from transfers from Information Technology Fund (3503) and County General Fund.

Asset Preservation Fund (2509)

Accounts for expenditures for building scheduled maintenance projects such as boiler replacement, carpet replacement, roof replacement etc. This fund was established and is being maintained to provide prospective maintenance and not deferred maintenance. Resources are derived from an asset preservation fee that is part of the facilities charges assessed to building tenants.

Health
Department HQ
Capital Fund
(2510)

Accounts for expenditures for construction of a new Health Department's headquarters and clinic facility. Resources in this fund are derived from tax increment financing (TIF) and debt issuance.

Sellwood Bridge Replacement Fund (2511) Accounts for expenditures for construction and replacement of the Sellwood Bridge. Resources are derived from Vehicle Registration Fee, City of Portland, Clackamas County, State of Oregon and federal funds, debt issuance or other financing proceeds.

Hansen Building Replacement Fund (2512) Accounts for expenditures for planning, relocation, and construction of new County Sheriff's Office operation facility. Resources are derived from debt issuance or other financing proceeds.

ERP Project Fund (2513)

Accounts for expenditures associated with the implementation of the new enterprise resource planning (ERP) system. Resources are derived from debt issuance and internal service reimbursements.

Burnside Bridge Fund (2515) Accounts for expenditures for rehabilitating or replacing the Burnside Bridge. Resources are derived from Vehicle Registration Fee (HB 4064). It is anticipated that a consortium of federal, state, and regional agencies, including Multnomah County, will fund the future environmental study, final design, and construction efforts.

fy2020 adopted budget

Behavioral Health Managed Care Fund (3002) Accounts for all financial activity associated with the State of Oregon's required behavioral health capitated services. This includes payments to providers with whom the County contracts for services. Revenues are fee for service payments from the State of Oregon to Multnomah County.

Risk Management Fund (3500)

Accounts for all internal service reimbursements, revenues, and expenses associated with the County's insurance requirements and administration of workers' compensation, general liability, tort, auto, property, employee medical, dental, vision, life and long-term disability claims and insurance, employee benefits, health promotion, other post-employment benefit obligations, and unemployment insured and self-insured programs pursuant to Multnomah County Code 7.101.

Fleet Management Fund (3501) Accounts for internal service reimbursements, revenues and expenses associated with the administration and operation of the County's motor vehicle fleet.

Fleet Asset Replacement Fund (3502) Accounts for internal service reimbursements, revenues and expenses associated with the replacement of County owned vehicles and equipment.

Information Technology Fund (3503) Accounts for internal service reimbursements, revenues and expenses associated with the administration and operation of the County's data processing and telephone services operations. This fund includes replacement and upgrade of personal computers, standard software suite common to all County users and telephone equipment.

Mail Distribution Fund (3504)

Accounts for internal service reimbursements, revenues and expenses associated with the administration and operation of the County's U.S. Mail, internal distribution and delivery, central stores and records management.

Facilities
Management
Fund (3505)

Accounts for internal service reimbursements, revenues and expenses associated with the administration and operation of the County's property management, custodial, maintenance and leasing of all County-owned and leased property.

fy2020 adopted budget

Measuring Performance

Four Phases of the Budget Process

Phase I -Requested Budget

Phase II -Proposed Budget Performance measurement is an integral part of the budgeting process in Multnomah County. Performance measurement is a management tool to improve operations and services and communicate program results to the community. Performance measures are integrated into each program offer and the department narratives to ensure accountability and to establish a link between resources and results. A more detailed discussion of performance measurement can be found in the Introduction section of Volume 2.

Multnomah County uses an incremental budgeting process in which departments are given expenditures targets that they cannot exceed. The budget process consists of four distinct phases:

Phase I - The departments provide their submitted budgets

Phase II - The Chair develops the Proposed Budget

Phase III - The Board approves the Proposed Budget

Phase IV - The Board adopts the final budget

Phase I - Departments Submit their Requested Budgets

Multnomah County's budget process begins in early fall with a review by the Budget Director and department directors of the most recent budget development cycle. Survey comments are collected from department budget staff and feedback is incorporated into the process where appropriate. In midto-late fall the Budget Office presents the General Fund Five-Year Forecast to the Board of Commissioners informing them of the fiscal health of the County for the foreseeable future. The forecast is typically updated in February, when the budget process is further along.

In conjunction with the County Chair's Office, the Budget Office issues guidelines to set broad limits and direction for the County's budget cycle. Based on the General Fund forecast, departments are directed to constrain, maintain or expand their operating costs by a targeted amount. From January through February, department heads, the Chair's Office, and the Budget Office meet to discuss proposed budget changes in order to provide policy direction to the departments prior to submitting their budget requests.

Phase II - The Chair Prepares the Proposed Budget

Beginning in February and ending in March, meetings occur between the Chair, the Chief Operating Officer, Budget Office staff, elected officials and department directors to review and discuss the department's submitted budgets. The sessions are designed to provide two-way communication concerning budget needs and assessments, and also to provide information that would assist the Chair in developing a responsible and balanced budget. During this time, the Chair's Office focuses on short and long term goals and objectives to provide the basis of the budget plan for the fiscal year.

fy2020 adopted budget

Phase III -Approved Budget

Phase IV - Adopted Budget

Phase III - The Board Approves the Budget and TSCC Reviews

The Chair's Proposed Budget is submitted to the Board of Commissioners for discussion. The Proposed Budget must be approved by the Board no later than May 15th and submitted to the Tax Supervising and Conservation Commission (TSCC), a five-member citizen board appointed by the Governor that helps determine whether the County's budget complies with Local Budget Law. The TSCC holds a public hearing and returns the budget to the County, no later than June 28th. Accompanying the budget is a letter of certification with instructions for corrections, recommendations, and objections. The Board is required to respond to these recommendations and objections. Approval and forwarding the budget meets the legal requirements of Oregon Budget Law and allows the Board to begin public deliberation of the budget.

After the budget has been submitted to the TSCC, no fund may be increased by more than 10% in total revenue, and no property tax greater than the amounts included in the Proposed Budget may be levied. Voting to forward the budget without extensive public review and comment might produce adverse comment, if it were not clearly understood that the process meets a technical requirement of the law, or if the Board were not to hold extensive public review before adopting the budget.

Phase IV - The Board Adopts the Budget

The adoption process begins after the budget is approved. Five weeks of work sessions and public hearings are scheduled prior to adopting the budget in May. During the work sessions, the Board may propose amendments to the Approved Budget. The amendments get voted on as part of the budget adoption.

An important part of this final phase is community input -- the Community Involvement Committee (CIC), the departments' Citizen Budget Advisory Committees (CBAC's), and public hearings held during the evening all provide an opportunity for direct feedback from the community and facilitate a participatory budget process. In May, the Board adopts the budget, makes appropriations, and declares tax levies in a public meeting.

Public Testimony and Hearings

Community input is an important part of Multnomah County budget development. Community input comes from the Community Involvement Committee, the departments' Community Budget Advisory Committees, and public hearings and forums that together provide an opportunity for direct feedback from the community and facilitate a participatory budget process.

Community members have several opportunities to testify on the budget in person and written testimony can be hand delivered, mailed, faxed or submitted via e-mail.

Annual Budget Hearings

The Board, sitting as the Budget Committee, will hold public hearings after the approval of the Chair's budget and before the final budget adoption. Hearings are scheduled from 6:00 p.m. - 8:00 p.m. in the following locations:

- April 29, 2019 Immigrant and Refugee Community Organization (IRCO) Gymnasium, 10301 NE Glisan, Portland, Oregon (hosted by the Communities of Color)
- May 8, 2019 Multnomah Building, Board Room 100, 501 SE Hawthorne Blvd., Portland, Oregon
- May 14, 2019 East County Building, Sharron Kelley Room, 600 NE 8th St., Gresham, Oregon
- May 22, 2019 Roosevelt High School, 6941 N Central St., Portland, Oregon

The Tax Supervising and Conservation Commission Hearing

On May 22, 2019 at 9:30 a.m. TSCC will convene a public hearing on the budget at the Multnomah Building (501 SE Hawthorne Blvd.)

The Budget Hearing

Testimony will also be taken at the Board session for final adoption of the budget on May 30, 2019.

Budget Calendar

The budget calendar can be found on the County's website at: http://multco.us/budget/calendar.

Major budget milestone dates include:

| • | Nov. 2018-Mar. 2019 | Chair's Office meetings with departments to discuss strategic directions |
|---|---------------------|--|
| • | November 30, 2019 | Release of budget instructions to departments |
| • | Feb. 15, 2019 | Due date for department's submitted budgets |
| • | April 25, 2019 | Chair Executive Budget proposal |
| • | April-May 2019 | Budget work sessions and hearings |
| • | May 22, 2019 | TSCC public hearing |
| • | May 30, 2019 | Board budget adoption |

Modifying the Budget and Supplemental Budgets

The adopted budget is the County's financial and operational plan for the fiscal year. However, during the year, events occur which require the plan to be modified. State law gives the Board of County Commissioners wide latitude to change the budget during the year. County departments request changes, and then the Board must review them, before passing any resolution to approve them. The appropriation of new, unanticipated revenue requires that the Board adopt a supplemental budget through a resolution.

During the year, the Board has the authority to:

- alter appropriations to reflect changed priorities during the year;
- incorporate new grant revenue into the expenditure plan;
- change approved staffing levels; and
- transfer appropriations from contingency accounts.

Where to Find Other Information

Comprehensive Annual Financial Report (CAFR)

https://web.multco.us/finance/financial-reports

The CAFR reports actual revenues and expenditures for the last completed fiscal year, discusses financial policies, and provides demographic and economic information about the region. The CAFR, required by state statute, is prepared in accordance with Generally Accepted Accounting Principles (GAAP). It reconciles differences between the budgetary basis – as presented in the annual Adopted Budget – and the modified accrual method used for the CAFR.

Tax Supervising and Conservation Commission Annual Report

www.tsccmultco.com

This report discusses the property tax system and taxing levels and summarizes budgeted and actual revenues and expenditures for all governments in Multnomah County.

County Auditor's Financial Condition Report

https://web.multco.us/auditor

This report discusses the performance of the County and the region according to guidelines recommended by the International City Managers' Association.

Community Budget Advisory Committees (CBACs)

https://multco.us/oci/community-budget-advisory-committees-cbacs

CBACs are appointed by the Community Involvement Committee and partner with Commissioners, departments, and the public during the budget cycle. CBACs monitor department budgets and operations and identify issues for the Commissioners' consideration. All County departments have a CBAC and each committee presents reports during the Budget work sessions.

Budget Website

www.multco.us/budget

The County's Central Budget Office home page contains budget information by year, the budget calendar, current and upcoming year budget documents, economic forecasts and revenue information and other tools, forms, and resources.

Tax Information

Permanent Tax Rate

Exemptions

Local Property Tax Option

Property tax administration, governed by the Oregon Constitution, State tax laws, and regulations of the Department of Revenue, includes the assessment, equalization, levy, and collection of taxes. A tax limitation measure ("Measure 50") affecting property tax collections was approved by the voters in the May 1997 special election. This legislation changed the property tax administration system substantially, with changes to levy rates, assessments and equalization.

Each local taxing district which imposed operating ad valorem taxes in FY 1998 received a permanent tax rate. The rate was calculated by dividing the total operating ad valorem taxes imposed by the County in FY 1998 (reduced by an average of approximately 17% statewide) by the property's AV. Measure 50 prohibits increases in permanent tax rates. Permanent tax rates are subject to the Measure 5 limitations. The County's permanent tax rate is \$4.3434 per \$1,000 Assessed Value.

Measure 50 exempted from its limitations taxes levied to pay voter-approved general obligation bonds. Levies to pay general obligation bonds are also exempt from the Measure 5 limitations. Measure 50 also exempted the following levies, which are subject to Measure 5 limitations:

- Levies to pay bonds and other borrowings, if they were made before December 5, 1996, and were secured by a pledge or explicit commitment of ad valorem property taxes or a covenant to levy or collect ad valorem property taxes.
- 2. Certain local government pension levies.

The County has no levies of the types described in paragraphs 1 and 2, above.

Local governments are able to override Measure 50 for limited-term local option levies subject to voter approval under the participation requirements discussed below. Local option levies may last up to five years for any purpose or ten years for capital projects.

Local option levies are subject to "special compression" under Measure 5. If operating taxes for non-school purposes exceed Measure 5's \$10/\$1,000 limit, local option levies are reduced first to bring operating taxes into compliance with this limit. This means that local option levies can be entirely displaced by future approval of permanent rate levies for new governments, or by urban renewal and the City of Portland's pension levy.

Measure 50, which passed in 1997, requires that local option levies be approved by a majority of the voters at a general election in an even-numbered year or at any other election in which not less than 50% of the registered voters cast a ballot. For example, voters approved an extension of the Library Levy in the May, 2002 election but less than 50% of the registered voters cast a ballot. Therefore, the Library Levy failed. Subsequently the County resubmitted the Library Local Option to voters in November 2002 and the measure passed.

Voter Participation

General
Obligation
Bonded
Indebtedness

Tax Collection

In November 2008, voters passed Measure 56 which eliminated the voter turnout requirement for property tax elections held in May and November but keeps the voter turnout requirement for elections at any other time (50% of qualified voters must vote and a majority of those voters have to approve the property tax measure). As a result, for May and November elections, local property tax measures become law when approved by a majority of voters.

Levies to pay the following general obligation bonds are exempt from the limitations of Measure 50 and Measure 5:

- 1. General obligation bonds authorized by the Oregon Constitution;
- 2. General obligation bonds issued on/before November 6, 1990; or
- 3. General obligation bonds for capital construction/improvements; and
 - if issued after November 6, 1990, and approved prior to December 5, 1996, by a majority of voters; or
 - if approved after December 5, 1996, in accordance with Measure 50's voter participation requirements, or bonds issued to refund the preceding bonds.

The County Tax Collector extends authorized levies, computes tax rates, bills and collects all taxes, and makes periodic remittances of collections to levying units. Tax collectors calculate public school and local government taxes separately, calculating any tax rate reductions to comply with tax limitation law, and developing percentage distribution schedules. The tax collector then reports to each taxing district within five days the amount of taxes imposed.

Tax collections are segregated into two pools, (1) public schools and (2) local governments. Each taxing body shares in its pool on the basis of its tax rate (adjusted to tax limitation rate caps), regardless of the actual collection within each taxing body. Therefore the amount for each taxing body becomes a pro rata share of the total tax collection record of all taxing bodies within the County. Thus, an overall collection rate of 90% of the countywide levy indicates a 90 percent tax levy collection for each taxing body.

The tax year (fiscal year) for all property starts July 1 and ends June 30 of the following year. The assessment date for the tax year starting July 1 is January 1 of the same calendar year. Tax payments are due November 15. Under the partial payment schedule a one third payment is due November 15, February 15, and May 15. If full by November 15, a 3% discount is allowed; if two-thirds are paid by November 15, a 2% discount is allowed. For late payments, interest accrues at a rate of 1.33% per month. Property is subject to foreclosure proceedings three years after the tax due date.

A Senior Citizen Property Tax Deferral Program allows homeowners to defer taxes until death or the sale of the home. Qualifications include a minimum age of 62 and household income less than \$43,500. Certain other requirements apply. Taxes are paid by the State, which obtains a lien on the property and accrues interest at 6% compounded annually. More information can be found at www.oregon.gov/dor/deferral.

Debt Overview

Debt is frequently an appropriate method of financing capital projects. Careful monitoring of such issuances is necessary to ensure that the County's credit quality does not erode. The County is rated by Moody's Investors Services as well as Standard & Poor's. Moody's rates the County's General Obligation and Full Faith & Credit debt at Aaa, the highest municipal rating that can be assigned. Standard & Poor's assigns a comparable AAA rating. Both rating agencies note that the County has a stable financial outlook.

Various types of securities are used to issue debt. Features of a security include its purpose, length of financing and the source of funds for repayment. The following types of long-term securities are available to Multnomah County:

- General Obligation bonds
- Full Faith and Credit bonds
- Revenue bonds
- Pension Obligation bonds

The County may also enter into capital leases and take out loans from other governmental entities (i.e., State of Oregon) as permissible by statute. Capital Leases do not currently count against debt limits that are established in Oregon Revised Statutes (ORS).

In FY 2020, the County has \$327.8 million of the following debt obligations:

- Pension Obligation Bonds \$52.6 million outstanding
- Full Faith & Credit Obligations \$273.4 million outstanding
- Oregon Transportation Infrastructure Bank Loan \$1.8 million outstanding

In addition to issuing its own debt, the County has acted as facilitator in the issuance of conduit debt for private educational institutions and hospitals as authorized by state statue. The conduit debt issued creates a liability for the company for whom it is issued and is not a direct or contingent liability of Multnomah County and is therefore not included as debt obligations in the budget. Of the total \$225 million remaining principal outstanding on conduit bonds as of June 30th 2019, 98% was issued on behalf of seven hospital facilities and the other 2% on behalf of educational facilities.

The following sections describe each debt category including debt limitations and a detailed table of principal and interest payments.

General Obligation Bonds

General Obligation Bonds (GO Bonds) issued by jurisdictions within Oregon have two important features. First, they must be referred to, and receive the approval of, a majority of voters within the jurisdiction. The second feature that differentiates GO bonds from other long-term debt obligations is the fact that they are supported by a dedicated Property Tax levy. Under Measures 5 and 50, taxes levied to pay debt service associated with GO bonds are outside the constitutional limitations imposed on other Property Tax levies.

The County does not currently have any General Obligation debt nor does it intend to ask for voter approval for new GO bonds in the near future.

State statute (ORS 287A.100) provides a debt limit on voter approved GO bonds of 2% of the real market value of all taxable property within the County. The following table represents the GO debt capacity as of July 1, 2019.

GO Bond Debt Limitation

| Real Market Value 2018-2019 | \$172,752,206,300 |
|-----------------------------|-------------------|
| Debt limit at 2% | 3,455,044,126 |
| Outstanding Debt (7/1/2019) | 0 |
| Legal Debt Margin | \$3,455,044,126 |

Full Faith and Credit Bonds

There are currently four outstanding Full Faith and Credit bonds (FFCs). As the name implies, FFCs are backed by the County's credit worthiness and are payable from any legally available revenue source.

The Series 2010B bonds were sold as Build America Bonds (BABs) that were authorized by the American Recovery and Reinvestment, better known as the economic stimulus package. These bonds are taxable but carry a 45% interest subsidy from the federal treasury which results in a lower total cost of borrowing than could be achieved under a tax-exempt financing.

In December 2012, the County issued \$128 million in Series 2012 bonds to pay for the County's share of the Sellwood Bridge replacement project. The bridge was opened to commuters in March of 2016; the project is now substantially complete. Total cost of the project is estimated at \$330 million. Repayment of the Series 2012 bonds is supported by a \$19 annual Vehicle Registration Fee (VRF) that is assessed against all motor vehicles in the County.

The Series 2014 FFC was a refunding of Series 2004 completed in late FY 2014. The savings from the refunding were \$2.6 million or approximately 10% of the refunded principal. Projects supported by this issue include acquisition of the Multnomah Building, construction of the Multnomah County East facility, and costs related to acquisition and implementation of SAP. The bonds have a final maturity date of August 2019.

fy2020 adopted budget

The County issued \$164 million in Series 2017 in December 2017 to fund the County Courthouse Capital Construction Project, the Health Department Capital Construction Project, the Enterprise Resource Planning Implementation Project, and the Department of Community Justice East Campus Capital Project. The debt service for FY2020 is budgeted at \$15 million and is primarily recovered through internal charges to County departments.

The County has approximately \$275.4 million of outstanding FFC debt. This represents the non-voter approved debt against which the internal financial policy is measured. ORS 287A.105 provides a debt limit on non-voter approved debt of 1% of the real market value of all taxable property within the County. The following table represents the estimated debt capacity as of July 1, 2019.

Full Faith and Credit Obligations Debt Limitation

| Real Market Value 2018 - 2019 | \$172,752,206,300 |
|-------------------------------|-------------------|
| Debt limit at 1% | 1,727,522,063 |
| Outstanding Debt (7/1/2019) | (275,406,451) |
| Legal Debt Margin | \$1,452,115,612 |

In addition to these statutory debt limits, the County's internal Financial & Budget Policies adopted by the Board in FY 2019 further limit non-voter approved debt service payments to no more than 5% of budgeted General Fund revenues for debt supported directly by the General Fund. Under this policy the County could issue an estimated \$108.5 million in potential new debt in FY 2020, although this would require tradeoffs between operating and capital programs.

Debt payments are approximately \$30.3 million in FY 2020. Most FFC debt, not attributed to the Sellwood Bridge, is recovered from departments in the form of internal service charges. For example, tenants in the Multnomah Building pay their share of debt service based on the space they occupy in the facility. All of the existing FFC debt will be retired by FY 2047.

Ultimately, the General Fund is the primary source for repayment of FFC debt. However, approximately 35% of total principal and interest payments, primarily for bonds that supported construction of the Sellwood Bridge, are paid by other funds. Ratings agencies have taken note of the fact that the County has taken steps to minimize the impact of debt service payments on the General Fund. Two years ago both Moody's Investor Services and Standard & Poor's upgraded the County's FFC debt rating to Aaa/AAA, the highest ratings assigned to government bonds.

| Total Full Faith and Cr | edit | | | \$329,640 | \$273,440 | \$255,050 | \$11,650 | \$18,390 |

Revenue Bonds

Revenue bonds are debt instruments that are retired by specified dedicated revenues, often generated by an activity or a project funded out of the debt proceeds. Revenue bonds are designed to be self-supporting through user fees or other special earmarked receipts; the general taxing powers of the jurisdiction are not pledged for retirement of the debt.

The debt created through the issuance of revenue bonds is repaid by the earnings from the operations of a revenue-producing enterprise or from special taxes. The County currently has no outstanding revenue bonds.

PERS Pension Revenue Bonds

Pension Obligation Bonds were issued in FY 2000 to cover the County's estimated unfunded actuarial liability (UAL) to Public Employees Retirement System (PERS). The County issued \$185 million of taxable debt for this purpose. Debt service payments are covered through internal service charges based on payroll. For FY 2020, the rate charged to departments is 6.5% of payroll.

Financial Summaries

fy2020 adopted budget

Leases, Contracts, and Loans

The County has entered into various lease/purchase agreements to acquire property and equipment. These lease agreements qualify as capital leases for accounting purposes and have been capitalized in accordance with generally accepted accounting principles (GAAP).

In FY 2009, the County entered into a loan with the State of Oregon for the purpose of making capital improvements to the County road system.

Leases, Contracts and Loans (in thousands)

Interfund Loans

An interfund loan is a transfer between funds or fund types within the County for an approved amount and a definite plan of repayment in a specific period of time (up to 10 years). Interfund loans are subject to ORS 294.468 and are designed to provide financing resources to address short-term cash flow needs in County operations or capital financing plans. Interfund loans are either operating or capital and shall meet the following requirements:

- An operating interfund loan is made for the purpose of paying operation expenses.
- A capital interfund loan is made for the purpose of financing the design, acquisition, construction, installation, or improvement of real or personal property and not for the purpose of paying operating expenses.

In FY 2016, an interfund loan of \$3 million from the Risk Fund (3500) to the Willamette River Bridge Fund (1509) was issued to provide funding for a feasibility study for the seismic rehabilitation or replacement of the Burnside Bridge. The loan has a 10-year term at an interest rate of .54% per annum.

Introduction

Multnomah County's Capital Budget funds improvements and construction of County-owned buildings, roads, Willamette River bridges and major information technology systems. The FY 2020 budget includes \$242.7 million for capital projects, primarily for the new Downtown Courthouse. The table below shows routine and non-routine capital project expenditures by fund.¹ Routine projects maintain existing assets or are normal system-wide projects. Non-routine projects invest in new assets or substantially alter the function, maintenance requirements, operational costs or capacity of current assets.

^{1.} Capital expenditures are for items or projects that have a useful life of three or more years and for which the initial costs exceed \$5,000.

| Fund | Routine Projects | Non-Routine Projects | Total |
|--|---------------------|-------------------------|------------------|
| Asset Preservation Fund (2509) | \$17,643,700 | \$0 | \$17,643,700 |
| Bicycle Path Construction Fund (1503) | 475,735 | 0 | 475,735 |
| Burnside Bridge Fund (2515) | 0 | 14,904,174 | 14,904,174 |
| Capital Improvement Fund (2507) | 17,005,788 | 13,024,474 | 30,030,262 |
| Downtown Courthouse Capital Fund (2500) | 0 | 111,742,337 | 111,742,337 |
| ERP Project Fund (2513) | 0 | 6,500,000 | 6,500,000 |
| Financed Projects Fund (2504) | 0 | 1,386,360 | 1,386,360 |
| General Fund (1000) | 0 | 3,500,000 | 3,500,000 |
| Hansen Building Replacement Fund (2512) | 0 | 4,255,896 | 4,255,896 |
| Health Headquarters Capital Fund (2510) | 0 | 7,500,000 | 7,500,000 |
| Information Technology Capital Fund (2508) | 0 | 5,841,785 | 5,841,785 |
| Library Capital Construction Fund (2506) | 5,332,881 | 0 | 5,332,881 |
| Road Fund (1501) | 0 | 9,611,830 | 9,611,830 |
| Sellwood Bridge Replacement Fund (2511) | 0 | 21,002,562 | 21,002,562 |
| Willamette River Bridge Fund (1509) | 100,000 | <u>2,866,884</u> | <u>2,966,884</u> |
| | \$40,558,104 | \$202,136,302 | \$242,694,406 |

The Capital Budget includes three major groups, Facilities and Property Management (FPM), Information Technology (IT) and Transportation, discussed in the next section.

Capital Groups

Facilities and Property Management (FPM) - Department of County Assets

This capital group is for the implementation of building construction and improvement projects. Multnomah County owns or leases over 140 facilities that include libraries, health and dental clinics, school-based health centers, senior service centers, courthouses, correctional facilities, homeless shelters, office buildings, boathouses, warehouse and maintenance shops, and an animal shelter. The County owns 82 facilities with an estimated replacement cost of over \$1.2 billion. The County's estimated seismic liability is \$159.0 million and the Library District's seismic liability is estimated at \$13.5 million. This is a reduction of over \$90 million from FY 2019 due to the disposition of the old McCoy and Courthouse.

Information Technology (IT) - Department of County Assets

This capital group is for the implementation of large scale technology projects. The County's Information Technology Division maintains more than 285 business applications operating on more than 7,000 PCs, laptops, and mobile devices. In FY 2017, IT completed a Fitness Assessment of the County's technology portfolio. This assessment categorized the most critical technology components and applications used throughout the County. The result of the assessment was the identification of technology requiring investments in the short and medium term. The capital budget planning process will begin to address these needs.

Transportation - Department of Community Services

This group implements improvements to County-owned roads and bridges that are significant components of the regional transportation system. The County maintains roads in unincorporated areas, most of which are in eastern Multnomah County as well as major roads within the East County cities of Fairview, Wood Village and Troutdale. In total, the County is responsible for the maintenance, operation and capital improvement of 300 miles of unincorporated County road-, bicycle- and pedestrian-ways and six Willamette River bridges. Construction of the new Sellwood Bridge was substantially completed in January 2017. The County estimates a total of \$705.4 million seismic liability for the remaining four bridges: Broadway, Burnside, Morrison and Hawthorne.

The table on the following page details out by capital group where the projects are budgeted.

| Group | Funds | Program Offers |
|--|---|--|
| Facilities and Property Management | General Fund (1000) Downtown Courthouse Capital Fund (2500) Library Capital Construction Fund (2506) Capital Improvement Fund (2507) Asset Preservation Fund (2509) Health Headquarters Capital Fund (2510) Hansen Building Replacement Fund (2512) | Emergency Shelter Strategic Investment (10058) FRM Purchasing (72005A) Facilities Capital Operation Costs (78204) Facilities Capital Improvement Program (78205) Facilities Capital Asset Preservation Program (78206) Facilities Downtown Courthouse (78212) Library Construction Fund (78213) Health Headquarters Construction (78214) MCSO Facilities Relocation and Reconfiguration (78218) DCJ East County Campus (78220) MCDC Detention Electronics (78221) MCSO River Patrol Boathouses Capital Improvements (78227) MCDC Cell Lighting and Window Covers (78228) |

| Transportation | Road (1501) Bicycle Path Construction (1503) Willamette River Bridge (1509) Sellwood Bridge Replacement (2511) Burnside Bridge (2515) | Transportation Capital (91018A) |

Capital Budget Planning and Prioritization

The prioritization and planning methods for projects in Multnomah County's Capital Budget vary by group. The following summarizes planning and prioritization strategies by capital group:

- Facilities and Property Management: Staff evaluate the lifecycle and condition of current building systems and work with departments to identify facility needs. The needs are prioritized as projects to be included in a five-year Capital Improvement Plan (CIP). Projects are prioritized with a scoring system that considers: safety, building condition, code requirements, condition of major systems (heating, cooling etc.), potential operational savings, workplace environment impact, and potential to leverage outside funding. Phase II of the Facilities Strategic Plan prioritized facilities to be assessed in order to determine the cost/benefit of specific investments in the portfolio. In FY 2020, the program focus is on continuing the assessments of medium and poor performance buildings and evaluating renovation, modernization and redevelopment opportunities that improve department service delivery.
- Information Technology: Information Technology staff work with departments to plan for and request new technology additions and improvements. Countywide requests and impacts are reviewed with the Technology Council formed in FY 2017, made up of representatives from all County departments. Prioritization of requests from individual departments is made with department leadership. When necessary, prioritization of Countywide requests is made by the Leadership Council and input from department directors. In all cases, prioritization is based on the following criteria: improving service quality to the public and/ or internal customers, reducing risks, achieving return on investments, achieving return on our mission, significant cost savings or revenue potential, and the availability of IT resources.
- Transportation: Staff uses a twenty-year long-term Capital Improvement
 Plan to identify and rank transportation improvement needs for County
 roadways and bridges. Transportation staff use safety, congestion relief,
 support of regional land use goals, the availability of project-specific
 funding, and community support as criteria and apply the Equity Lens to
 evaluate projects for inclusion in to the Capital Budget.

After prioritizing and aligning projects with long-term plans, the capital groups develop program offers for inclusion in department budget requests and when the Board holds department work sessions on the Chair's proposed budget, there is a work session for the Capital Budget with a presentation that covers the capital groups.

Financing Capital Projects

Multnomah County finances capital projects through dedicated tax revenue, fees, bond proceeds, grants, and internal charges. The County largely follows a pay-as-you-go philosophy to finance capital projects, preferring dedicated taxes, fees, and internal charges to issuing debt. In some years, the County also funds capital projects with one-time-only General Fund resources and the County considers bond issuance for non-routine projects with sizeable future benefit and/or long-term cost savings potential.

Facilities and Property Management project funding comes from voter-approved General Obligation Bonds, Full Faith and Credit bonds, internal services charges, one-time-only General Fund, project-specific grants and other sources. Routine facilities projects are typically financed by per-square-foot capital improvement and asset preservation fees.

Information Technology projects are financed through internal services charges, one-time-only General Fund, and limited debt proceeds from Full Faith and Credit bonds.

Transportation project funding comes from State and County vehicle fuel taxes and vehicle registration fees, land development activity, and federal sources. Fuel taxes and vehicle registration fees are the most flexible funding, while federal and private development funds are typically project-specific.

The table on the next page summarizes the revenue for funds that contain capital projects and delineates requirements for capital project spending from requirements for other spending in those funds.

Capital Budget

fy2020 adopted budget

| Fund | Beginning Working Capital | Fees, Permits & Charges | Financing Sources | Interest | Inter- governmental | Other / Service Charge | Taxes | Total Revenue | Capital Project Expenditures | Other Expenditures, Contingency, Cash Transfers | Total Requirements |

Major Capital Projects

Health Department Headquarters In FY 2011, Multnomah County and Home Forward prepared a feasibility report to relocate operations from the outdated McCoy Building on 426 S.W. Stark to a new Health Department facility on the east half of block U in downtown Portland. The McCoy facility, built in 1923, needs significant maintenance and seismic investments, and a new building is expected to better support health care personnel; the office of the Health Officer; and administrators and staff who oversee Multnomah County's health services, services for children and families, and public health emergency preparedness. The new building will also house clinics, a pharmacy, and the central laboratory. In FY 2016 the project was expanded to add 3 floors in order to incorporate functions from the McCoy Building that were not included in the original project scope. Construction of the new Headquarters building began in FY 2017. The FY 2020 project budget is \$7.5 million of carry-over funds from FY 2019. They are primarily used to pay for outstanding contractual obligations.

| | FY 2020 Budget | Total Project Cost | Estimated Operating Expenditures | Estimated Completion | Program Offer # |
|-----|-------------------|--------------------------|--|-------------------------|--------------------|
| \$7 | 7,500,000 | \$94,100,000 | \$6,092,038 | FY 2020 | 78214 |

Downtown County Courthouse

The downtown Courthouse is functionally obsolete, structurally deficient and was not designed to current seismic standards. Built in 1914, the 300,000 square foot building has outlasted its useful life, is expensive to operate and is ill-suited for modern courtroom and security needs. A new court facility would provide for the County's space needs, reduce maintenance costs, and increase energy efficiency. A new facility would also allow the State to meet community demand, ensure that justice is carried out in a timely manner, and support services to Multnomah County citizens. In FY 2015 a site was selected for the new building on the west end of the Hawthorne Bridge, and in FY 2016 the County selected an architect and construction manager/general contractor (CM/GC), and started the design phase. The new Courthouse is currently under construction. The FY 2020 project budget is \$111.7 million and includes:

- \$68.0 million of carry-over funds from FY 2019
- \$37.8 million of State match funds
- \$0.4 million of Energy Tax Credits for Energy Trust of Oregon
- \$5.5 million from IGA (OJD and OPDS)

| FY 2020 Budget | Total Project Cost | Estimated Operating Expenditures | Estimated Completion | Program Offer # |
|-------------------|--------------------------|--|-------------------------|--------------------|
| \$111,742,337 | \$332,500,000 | TBD | FY 2020 | 78212 |

Photo Credit: Provided by SRG Partnership

MCSO Facilities Relocation and Reconfiguration The Sheriff's Office is exploring the possibility of consolidating several facilities into one facility, to an East County site that is yet to be determined. The facilities under consideration include moving evidence storage and miscellaneous operations currently located at the Hansen Facility, operations at the Kelly Building, operations at the Columbia Gorge location including all training and commissary functions, and operations at Yeon including the Transport team. This study also includes the consolidation of all administration staff currently located at the Multnomah Building. Preliminary programming requirements are under way with MCSO and FPM along with a Business Case Analysis development. This project will require full funding analysis prior to DCA Leadership review. The FY 2020 project budget is \$4.3 million and includes:

\$4.3 million of carry-over funds from FY 2019

| FY 2020 Budget | Total Project Cost | Estimated Operating Expenditures | Estimated Completion | Program Offer # |
|-------------------|--------------------------|--|-------------------------|--------------------|
| \$4,255,896 | \$5,700,000 | TBD | TBD | 78218 |

DCJ East County Campus

The Department of Community Justice (DCJ) and the Facilities and Property Management Division (FPM) identified the need to acquire an asset in a mid-county location that will consolidate services in East County. This aligns with the County's Facilities Asset Strategic Plan to increase operational efficiencies, align departmental points of service with their client base and eliminate the lease risks associated with the existing leased facilities.

The program envisions the co-location of DCJ District Managers, seven Parole and Probation units, space for Teaming Partners, a client Resource Center, a training facility for parole officers, a Community Services support facility and convenient staff amenities. As part of the Facilities Strategic Asset Plan, the majority of these functions will be relocated from facilities with expiring leases or properties that the County is planning to reposition. The FY 2020 project budget is \$6.7 million and consists of:

\$6.7 million of carry-over funds from FY 2019

| FY 2020 Budget | Total Project Cost | Estimated Operating Expenditures | Estimated Completion | Program Offer # |
|-------------------|--------------------------|--|-------------------------|--------------------|
| \$6,746,499 | \$13,980,000 | TBD | FY 2021 | 78220 |

Capital Projects by Fund

General Fund (1000) The complete list of projects included in the Capital Budget are displayed here by fund under "Routine" or "Non-routine" headers. Each fund is dedicated for specific purposes as described by Board action, and projects assigned must meet the restrictions on that funding source.

While most capital projects are budgeted in capital funds, the FY 2020 budget contains \$3.5 million in the General Fund (1000) for the development of high quality, year-round shelter capacity for multiple populations in improved facilities. Funding was originally provided in FY 2019, but a portion of those funds are carried into FY 2020 in order to complete projects. This funding is budgeted in Joint Office of Homeless Services.

| Non-Routine Projects (1000) | FY 2020 Budget | Total Project Cost | Estimated Completion | Program Offer # |
|---|-------------------|--------------------------|----------------------|--------------------|
| Emergency Shelter Strategic Investment | \$3,500,000 | \$6.125 million | FY 2020 | 10058 |

Road Fund (1501)

Road Fund (1501) capital projects maintain and enhance the County road system. The FY 2020 program will continue work on capital projects. Projects expected to be complete include Cornelius Pass Rd, which targets driver safety improvements on this his use County rural road, Arata Roads, which adds safety improvements for drivers, pedestrians, and bicyclists, and Cochran Road, which replaces the culvert at Cochran Road at the crossing of Beaver Creek. Design work continues into construction on NE 238th Dr, which will make improvements to the curvature of the road and provide multimodal facilities. New capital projects are scheduled to start, such as bike/ped safety improvements on the Stark Street Multimodal project, replacement of a timber bridge on Latourell Road, and the ADA improvements on Glisan. Projects receive funding from State Motor Vehicle sources, County gasoline tax, permits, development fees, and federal and state grants.

Road Fund (1501) Continued

| Non-Routine Projects (1501) | FY 2020 Budget | Total Project Cost | Estimated Completion |
|---|-------------------|--------------------------|----------------------|
| 238th Drive | \$1,401,951 | \$8,918,869 | FY 2021 |
| Cornelius Pass Road | 3,443,081 | 6,202,957 | FY 2020 |
| Stark Street Multimodal Connections | 846,284 | 4,705,135 | FY 2021 |
| North Fork Johnson Creek Fish Passage (267th) | 160,000 | 1,123,979 | FY 2021 |
| Cochran Road | 2,420,000 | 3,909,889 | FY 2020 |
| Glisan Overlay/ADA | 190,000 | 1,575,000 | FY 2021 |
| Latourell Creek Bridge | 330,000 | 1,304,352 | FY 2021 |
| Larch Mountain FLAP | 20,000 | 864,005 | FY 2021 |
| Arata Rd | 800,514 | <u>7,542,846</u> | FY 2020 |
| Total | \$9,611,830 | \$36,147,032 | |

| Routine Projects (1501) | FY 2020 Budget | Total Project Cost | Estimated Completion |
|-------------------------|-------------------|--------------------------|-------------------------|
| None | | | |

Bicycle Path Construction Fund (1503) The Bicycle Path Construction Fund (1503) receives its revenue from one percent of the County's share of motor vehicle fees, dedicated project grants and intergovernmental agreements. The fund is dedicated to the construction of bicycle and pedestrian projects. Routine projects may include bike lane striping projects or work on pedestrian crossings. In FY 2020, the program's focus will be on routine projects.

| Routine Projects (1503) | FY 2020 Budget | Total Project Cost | Program Offer # |
|-------------------------|-------------------|--------------------------|--------------------|
| Miscellaneous Projects | \$475,735 | \$475,735 | 91018A |

Willamette River Bridge Fund (1509) The Willamette River Bridge Fund (1509) receives its revenue from gasoline tax, a portion of the County's State Motor Vehicle fee, and dedicated Federal and State project revenues, and grants. Projects in this fund are limited to the Sellwood, Hawthorne, Morrison, Burnside, Broadway, and Sauvie Island bridges. In FY 2020, construction will continue on the Burnside Maintenance project. Design work continues into construction for the Morrison Paint project. Work continues with upgrading the moveable bridges' Programmable Logic Controllers (PLCs), with work completing on the Morrison Bridge and continuing to the Broadway Bridge.

| Non-Routine Projects (1509) | FY 2020 Budget | Total Project Cost | Estimated Completion | Program Offer # |
|--------------------------------------|-------------------|--------------------------|----------------------|--------------------|
| Willamette River Bridges PLC's | \$173,000 | \$366,000 | FY 2021 | 91018A |

| Total | \$2,866,884 | \$44,600,358 | | |

| Routine Projects (1509) | FY 2020 Budget | Total Project Cost | Program Offer# |
|---|-------------------|--------------------------|-------------------|
| Miscellaneous Small Building Improvements | \$100,000 | \$100,000 | 91018A |

Downtown Courthouse Capital Fund (2500) The Downtown Courthouse Capital Fund (2500) was created solely for the Downtown Courthouse Project to account for the associated revenues and expenses. This project is discussed in the Major Projects Section.

| Non-Routine Projects (2500) | FY 2020 Budget | Total Project Cost | Estimated Completion | Program Offer # |
|--------------------------------|-------------------|--------------------------|----------------------|--------------------|
| Downtown County Courthouse | \$111,742,337 | \$332.5M | FY 2020 | 78212 |

Financed Projects Fund (2504)

The Financed Projects Fund (2504) is for acquiring, remodeling, or constructing County facilities, information technology capital investments, and other capital projects. Funding is from Full Faith and Credit bonds or other sources including a \$1.5 million one-time-only General Fund cash transfer in FY 2015. In FY 2020 the Financed Projects Fund will continue to be dedicated to the appraisal and collection system replacement for the Division of Assessment, Records and Taxation (DART).

| Non-Routine Projects (2504) | FY 2020 Budget | Total Project Cost | Estimated Completion | Program Offer # |
|--|-------------------|--------------------------|----------------------|--------------------|
| DART Assessment & Taxation System Replacement | \$1,386,360 | \$8,153,398 | FY 2020 | 72035 |

Library Construction Fund (2506) The Library Capital Construction Fund (2506) is for capital improvements to County libraries and was created with the FY 2015 budget to segregate capital activity for the Library District from the general government capital activity.

| Routine Projects by Building (2506) | FY 2020 Budget | Total Project Cost | Estimated Completion |
|-------------------------------------|-------------------|--------------------------|-------------------------|
| Belmont Library | | | |
| Replace Boiler | \$101,416 | \$126,468 | FY 2020 |

Headquarters
Fund (2510)

The Health Department Headquarters Fund (2510) is used for the Health Department Headquarters project to account for the associated revenues and expenses for this project. This project is discussed in the Major Projects section.

| Non-Routine Projects (2510) | FY 2020 Budget | Total Project Cost | Estimated Completion |
|----------------------------------|-------------------|-----------------------|----------------------|
| Health Headquarters Construction | \$7,500,000 | \$94,100,000 | FY 2020 |

Sellwood Bridge Replacement Fund (2511)

The Sellwood Bridge Replacement Fund (2511) was created for the Sellwood Bridge Replacement project revenues and expenses. The project, which began construction in December 2011, replaced the 88 year-old Willamette River crossing with a new bridge and interchange with Highway 43. The mid-river pier was removed in FY 2018 and the project is now considered substantially complete. Project closeout will continue in FY 2020.

| Non-Routine Projects (2511) | FY 2020 Budget | Total Project Cost | Estimated Completion |
|-----------------------------|-------------------|-----------------------|-------------------------|
| Sellwood Bridge Replacement | \$21,002,562 | \$330,000,000 | FY 2020 |

Hansen Building Replacement Fund (2512) The Hansen Building Replacement Fund (2512) was created for the Hansen Building project revenues and expenses. This project is discussed in the Major Projects section.

| No | on-Routine Projects (2512) | FY 2020 Budget | Total Project Cost | Estimated Completion |
|----|---|-------------------|-----------------------|-------------------------|
| | CSO Facilities Relocation and configuration | \$4,255,896 | \$5,700,000 | TBD |

ERP Project Fund (2513)

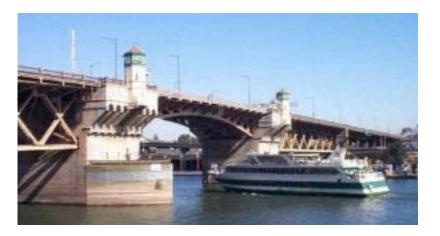

The ERP Project Fund was established to support the implementation of a new Enterprise Resource Planning (ERP) suite of integrated technology that includes Workday, Tririga, Jaggaer (formerly Sciquest), and Questica. The new ERP suite will replace the existing SAP solution, automate key business processes such as employee time sheets and performance management, provide improved reporting, and will be accessible via mobile devices. The FY 2020 project budget is \$6.5 million and consists of carried-over funds from FY 2019.

| Non-Routine Projects (2513) | FY 2020 Budget | Total Project Cost | Estimated Completion |
|-----------------------------|-------------------|-----------------------|----------------------|
| ERP Project | \$6,500,000 | \$41,753,353 | FY 2020 |

Burnside Bridge Fund (2515)

The Burnside Bridge is deemed to be a lifeline route for emergencies in Portland. As such, it is the Bridge Division's highest priority to ensure that the bridge meets seismic standards to withstand the anticipated Magnitude 9.0 Cascadia Subduction Zone event that the Oregon Department of Geology and Mineral Industries has calculated as having a 27% chance of occurring before 2065. This bridge should remain fully operational to vehicles and river traffic following such an event. This Burnside Bridge Fund (2515) was created to track the revenues and expenses related to this effort. The National Environmental Policy Act (NEPA) Study will continue in FY 2020 and will determine the environmental impact of the various options of rebuilding or repairing the Burnside Bridge. Additional information about the project can be found on page 38 in the Budget Directory's Message.

| Non-Routine Projects (2515) | FY 2020 Budget | Total Project Cost | Estimated Completion |
|-----------------------------|-------------------|-----------------------|----------------------|
| Burnside NEPA | \$12,892,059 | \$18,000,000 | FY 2021 |

Financial and Budget Policies

fy2020 **adopted** budget

(this page intentionally left blank)

Goals

The goals of the County's financial policies are:

- 1. To preserve capital through prudent budgeting and financial management.
- 2. To achieve the most productive use of County funds that meets the goals of the Board of County Commissioners.
- 3. To achieve a stable balance between the County's ongoing financial commitments and the continuing revenues available to the County.
- 4. To leverage local dollars with Federal and State funding/grants.
- 5. To support accountability to the citizens of Multnomah County.

It is the intention of the Multnomah County Board of Commissioners to comply with all federal and statutory requirements, Generally Accepted Accounting Principles (GAAP), and Governmental Accounting Standards Board (GASB) directives (see Multnomah County's Ordinance No. 1101).

Financial Forecasts for the General Fund

Policy Statement

Governments at all levels should forecast major revenues and expenditures. The forecast should extend at least three to five years beyond the budget period and be regularly monitored and updated. It should be clearly stated and available to participants in the budget process, as should its underlying assumptions and methodology. The forecast should also be referenced in the final budget document. To improve future forecasting, the variances between previous forecasts and actual amounts should be analyzed. The variance analysis should identify all factors that influence revenue collections, expenditure levels, and forecast assumptions.

The Board of County Commissioners recognizes the importance of developing a combined revenue and expenditure forecast. The Budget Office will prepare a five-year financial forecast for the General Fund to assess the long-term financial implications of current, as well as proposed, policies and programs. The forecast will detail assumptions regarding both short-term and long-term financial issues facing the County. Those assumptions will guide the development of appropriate financial strategies to achieve the goals outlined above. The forecast will be referenced on the County's website and incorporated in the annual budget document. The General Fund revenue and expenditure forecast will:

- 1. Provide an understanding of available funding;
- 2. Evaluate financial risk;
- 3. Assess the likelihood that services can be sustained;
- 4. Assess the level at which capital investment can be made;
- 5. Identify future commitments and resource demands;
- 6. Identify the key variables that might change the level of revenue; and
- 7. Identify one-time-only resources and recommend appropriate uses.

The Budget Office presented the General Fund Forecast to the Board of County Commissioners on November 8, 2018 and presented a forecast update on March 12, 2019.

Status

Financial and Budget Policies

fy2020 adopted budget

Tax Revenues

The Oregon Constitution, State statutes and the County Code provide Multnomah County with the ability to raise revenue through taxation. The County currently uses the following taxes:

- 1. Property Taxes are governed by state statute and the Oregon Constitution and are levied for the following purposes:
- A "Permanent Rate" is available for general uses, that is set at \$4.34 per \$1,000 of assessed value;
- A "Local Option Levy" to support operations of the Oregon Historical Society that is set at \$0.05 per \$1,000 of assessed value.
- 2. Business Income Tax is set at 1.45% of net business income generated in Multnomah County. This tax is authorized by County Code, Chapter 12.
- 3. Motor Vehicle Rental Tax is set at 17% of the value of rental fees. The first 14.5% is available for uses that are consistent with Art. IX, § 3A, of the Oregon Constitution. The remaining 2.5% supports regional tourism activities under an agreement with the City of Portland and Metro. This tax is authorized by County Code, Chapter 11.
- 4. Transient Lodging Tax is set at 11.5% of the room rent charged by hotel operators. Nearly all the County's proceeds from this tax are used to support regional tourism activities under agreements with the City of Portland and Metro. This tax is authorized by County Code, Chapter 11.
- 5. Motor Vehicle Fuel Tax is set at 3 cents per gallon of gasoline (or diesel) sold in Multnomah County. Art. IX, § 3A, of the Oregon Constitution restricts use of the proceeds of this tax to transportation programs. This revenue is shared by Multnomah County and the cities of Portland, Gresham, Troutdale, and Fairview. This tax is authorized by County Code, Chapter 11.

The Board recognizes that taxation is necessary to provide public services to the citizens of the County. When considering changes to the County's tax structure, the Board will consider:

- The ability of taxpayers to pay the taxes;
- The impact of taxes imposed by the County on other local governments;
- The effect of taxes on the County economy;
- The administrative and collection costs of the taxes; and
- The ease with which the taxes can be understood by taxpayers.

State statutes allow the County to levy "local option" taxes that are not allowed to exceed five years. It is the intent of the Board to use this short-term revenue source to fund priority service programs only after all other sources of revenue have been analyzed and have been determined not to be feasible.

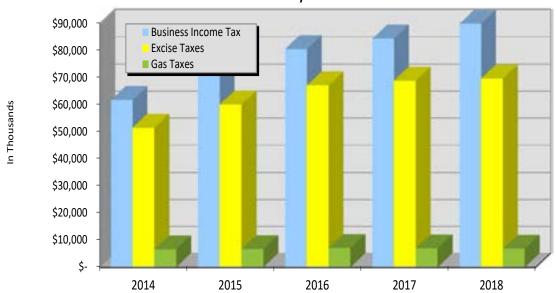

Policy Statement

Status

All decisions to levy taxes are made in an atmosphere of intense public and internal debate, particularly with regard to the progressivity of the tax, its administrative cost, its impact on the regional economy, its effect on other local governments, and the degree to which the tax might be acceptable to the public.

The County's tax revenues represent about 43% of the total Governmental Fund Type revenues (General and Special Revenue Funds). The following graphs depict actual tax revenue by source (\$ in thousands). No new taxes are proposed in the FY 2020 budget.

Other Tax Revenue By Source

| Other Tax Revenue | 2014 | 2015 | 2016 | 2017 | 2018 |
|---------------------------------|-----------|-----------|-----------|-----------|-----------|
| Business Income Tax | \$61,800 | \$73,825 | \$80,710 | \$84,450 | \$93,400 |
| Excise Taxes | \$51,760 | \$60,413 | \$67,434 | \$69,116 | \$69,855 |
| Gas Taxes | \$6,696 | \$6,779 | \$7,160 | \$7,047 | \$6,970 |
| Total Other Tax Revenues | \$120,256 | \$141,017 | \$155,304 | \$160,613 | \$170,225 |

| Property Tax Revenue | 2014 | 2015 | 2016 | 2017 | 2018 |
|-----------------------------|-----------|-----------|-----------|-----------|------------|
| Permanent Rate | \$236,802 | \$253,126 | \$267,597 | \$280,241 | \$ 299,408 |
| Local Option Levy (OHS) | \$1,685 | \$2,001 | \$2,325 | \$2,822 | \$ 3,108 |
| Debt Service Levy | \$6,998 | \$6,116 | \$6,075 | \$108 | 0 |
| Total Property Taxes | \$245,485 | \$261,243 | \$275,997 | \$283,171 | \$ 302,516 |

Federal/State Grant and Foundation Revenues

Policy Statement

Grants and foundation funds are used, and provide significant leverage, to support an array of County services. All of these revenues are restricted to a specific purpose, such as health and social services or public safety. Reimbursements made to the County as a result of leveraging outside resources are considered to be unrestricted General Fund revenue unless the spending is specifically detailed by Grantor or Foundation.

The Board understands that grants and private sources present opportunities and risks. They allow the County to provide basic or enhanced levels of service and to cover gaps in services, but they may also commit the County to serving larger or different groups of clients which would put pressure on County generated revenues if the grant were withdrawn. When applying for a grant, the Board will consider:

- 1. Whether the funds are aligned with the County's mission and goals.
- 2. Opportunities for leveraging other funds to continue the program.
- 3. The amount of locally generated revenue required to supplement the revenue source.
- 4. Whether the revenue will cover the full cost of the proposed program, or whether the County is expected to provide program support and administrative overhead. It is the intent of the County to recover all costs related to grant and foundation revenues.
- 5. The degree of stability of the funding source.
- 6. Whether decline or withdrawal of the revenue creates an expectation that the County will continue the program.
- 7. How County programs can maximize revenue support from state or federal sources.
- 8. Whether the funds are used for pilot or model programs and will result in a more efficient and/or effective way of doing business.

Departments will provide the Board with a notice of intent (NOI) before applying for grant funding (see Administrative Procedure BCC-1). The Board requires the resources to be used in accordance with any stipulated restrictions and prior to using unrestricted revenues including General Fund appropriations for the same program or purpose. Money (or goods) donated to the County for a specific program or purpose are considered to be restricted resources and not subject to this policy.

Federal grants will be governed by a written Grant Management Manual. The Manual will cover all the items addressed in the Uniform Administrative Guidelines (Chapters I and II, Part 200 Uniform Guidance, Cost Principles and Audit Requirements for Federal Awards). The Manual will be ratified annually by the Board and will include any applicable updates resulting from changes in federal standards.

Status

The County is in compliance with this policy.

Recovery of Indirect Costs

The federal government recognizes identifiable overhead costs are incurred in providing services to support grants and contracts. Therefore, the Office of Management and Budget (OMB) establishes principles and standards to provide a uniform approach for determining costs and to promote effective program delivery, efficiency and better relationships between governmental units and the federal government. The County's indirect cost allocation plan is prepared annually in accordance with Chapters I and II, part 200 in the Uniform Administrative Requirements, Cost Principles and Audit Requirements for Federal Awards as published in the Federal Register on December 26, 2013, or commonly referred to as "Uniform Grant Guidance".

It is the policy of the Board to recover from dedicated revenue sources the full cost of programs supported by those sources.

Policy Statement

The exception to the above policy occurs when the grantor agency does not allow the grantee to charge indirect costs or allows only a fixed amount or a maximum indirect cost rate. The Board will have the final authority to accept a grant that does not allow the recovery of all or part of indirect costs. In that event, the General Fund will absorb any indirect cost attributable to the program.

If a grantor agency only allows a fixed amount, or a maximum percentage indirect cost rate, departments are required to first fully recover the central indirect cost rate prior to recovering the departmental indirect cost rate.

Status

The County updates the plan annually and the Chief Financial Officer certifies the accuracy of its indirect cost rate proposal and cost allocation plan. For further information, see the Finance Cost Allocation Plans website at https://multco.us/finance/cost-allocation-plans.

Use of One-Time-Only Resources

Policy Statement

Unrestricted one-time-only resources present organizations with temptations that are hard to resist. In the short run it appears more beneficial to allocate such resources to the highest priority public service that would otherwise be unfunded than to restrict them to costs associated with one-time needs and those that will not recur in following years. However, the result of this practice is to expand operational levels and public expectations beyond the capacity of the organization to generate continuing funding. This inevitably produces shortfalls and crises. Sustaining an ongoing program level by deferring necessary expenditures or by incurring future obligations also inevitably produces shortfalls and crises.

It is the policy of the Board that the County will fund ongoing programs with ongoing revenues, and to restrict the allocation of one-time revenues to nonrecurring expenditures.

Examples of one time revenues include:

- Proceeds on the sale of capital assets
- Business Income Taxes collected in excess of budgeted revenues
- General Fund ending fund balance in excess of budgeted balance

As the ending balance in the General Fund is typically the largest sources of one-time-only resources, it is the policy of the Board that departments may not propose to carryover appropriations from one year to the next.

When the County budgets unrestricted one-time-only resources, the Board will first set these funds aside for reserves. If reserve requirements have been met, one-time only resources can be allocated to projects or programs that will not require future financial commitments. The Board will consider the following when allocating these one-time-only resources:

- After fully funding reserves as established by policy, 50% of any remaining one-time only resources will be allocated to the capitalization, or recapitalization, of major County facilities projects.
- 2. One-time only spending proposals for projects or pilot programs, particularly investments that may result in innovative ideas or technology, long-term efficiencies or savings that do not require ongoing support.
- 3. Bridge or gap financing for exiting programs for a finite period of time.

During budget deliberations the Budget Director is responsible for providing a list of sources and uses of one-time-only funds and informing the Chair and the Board on the recommended use of the funds received. With this information, the Board is able to appropriate and direct one-time-only resources to infrequent and unique expenditures in an effort to achieve compliance with this policy.

Status

Financial and Budget Policies

fy2020 adopted budget

User Fees, Sales, and Service Charges

State and local governments use charges and fees to fund the provision of goods and services. Charges are voluntary payments that are used to finance traditional governmental services. A fee is imposed as a result of a public need to regulate activities, typically related to health, safety or other protective purposes. Fees result in the purchase of a privilege or authorization and are applied to such activities as restaurant inspections, building permits and marriage licenses.

User fees are generally intended to cover all the costs or an agreed upon portion of the costs for providing services. Inflation or increased service delivery can erode the established user fees if the cost of service increases faster than revenue from fee increases.

Policy Statement

It is the general policy of the Board that user fees and service charges be established at a level to recover 100% of the costs to provide services. Exceptions to this policy will be made depending on the benefit to the user of the service, the ability of the user to pay for the service, the benefit to County citizens, and the type of service provided.

User fees and service charges collected by County agencies will be periodically reviewed. Based on this review, the Chair will make recommendations to the Board regarding proposed changes to fee or service charge schedules.

Revenues generated from sales (and commissions on sales) of goods and services sold in County-owned or leased facilities are to be credited to the County's General Fund unless:

- 1. They are generated for inmate welfare commissary operations;
- 2. They are generated in Library facilities used for Library operations;
- 3. They are generated by internal service providers and offset rates charged to departments;
- 4. The Board grants an exception.

Status

The Budget Office provides an annual comprehensive review of fees and charges (more information can be found at https://multco.us/budget/masterfee-schedule). Departments are generally responsible for ongoing review of fees and charges associated with their operations during the year

Budgeted General Fund Reserves

Using all available ongoing revenue each year to pay for ongoing programs can result in fluctuations in program levels as revenues vary from one year to the next. Adding programs in one year (based on positive short term receipts) can cause the same or other programs to be cut in the next year if costs outpace revenues. This has a detrimental effect on service delivery over time, reducing efficiency and causing budgetary and political problems that can be avoided if program decisions are made in the context of the County's long-term financial capacity. The County's General Fund is weighted toward a handful of revenues that make up approximately 90% of total resources. Because the revenue stream is not very diverse, and the major source of General Fund revenue is limited by the Oregon Constitution, it is critical that the County maintain an appropriate level of reserves.

It is a goal of the County to build a more diverse revenue stream. Further, the County may want an additional reserve in order to offset the volatility of or lack of diversity in the revenue stream.

Maintaining an appropriate reserve helps the County maintain its favorable bond rating, which is currently Aaa from Moody's Investors Service and AAA from Standard & Poor's Ratings for both general obligation bonds and full faith and credit obligations. A generally accepted benchmark for the unrestricted General Fund balance is a dollar amount equal to at least 10% of actual General Fund revenues.

Ratings agencies generally presume that an entity has a sufficiently diverse revenue stream to enable it to sustain a downturn in any one of its revenue sources. In addition, the guidelines presume that the entity is not facing future liabilities it will be unable to meet or that it has adopted and followed a plan to address significant known liabilities.

The Board understands that to avoid financial instability, continuing requirements should be insulated from temporary fluctuations in revenues.

It is the goal of the Board to fund and maintain a General Fund budgeted reserve, designated as unappropriated fund balance and funded at approximately 10% of the "corporate" revenues of the General Fund and the Special Revenue Video Lottery Fund. Corporate revenues are defined as revenues that are available for general use and over which the Board has complete discretion.

Corporate revenues include Property Tax, Business Income Tax, Motor Vehicle Rental Tax, State Revenue Sharing (Cigarette, Liquor, Video Lottery, and Amusement Device Taxes), and Interest Earnings. These revenue sources account for approximately 90% of total General Fund resources excluding Beginning Working Capital.

Policy Statement

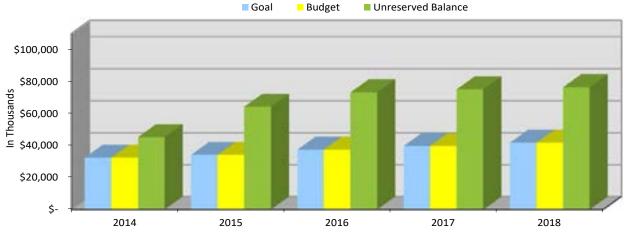

The budgeted reserve account in the General Fund is to be used when overall revenue growth falls below the rate of annual revenue change achieved during the prior ten years. In years when basic revenue growth falls below long-term average growth, the Board will reduce the unappropriated fund balance to continue high priority services that could not otherwise be funded by current revenues. If the reserve account is so used, to maintain fiscal integrity, a reserve restoration plan will be included in the adopted budget following the fiscal year in which the reserve fell below the 10% level.

FY 2018 General Fund reserves exceeded the established policy goal.

The following graph shows the reserve goal, budget and actual unreserved fund balance (\$ in thousands). The budgeted reserves do not include funds budgeted in contingency.

Status

Unreserved Fund Balance

| General Fund Reserves | 2014 | 2015 | 2016 | 2017 | 2018 |
|-----------------------|----------|----------|----------|----------|----------|
| Goal | \$32,600 | \$34,322 | \$37,529 | \$39,855 | \$41,865 |
| Budget | \$32,600 | \$34,322 | \$37,529 | \$39,855 | \$41,865 |
| Unreserved Balance | \$45,353 | \$64,345 | \$73,348 | \$75,283 | \$76,553 |

General Fund Contingency

Policy Statement

General Fund contingency transfers have a significant effect on the annual budget process by reducing the amount of ending fund balance that is carried over to the subsequent fiscal year as beginning working capital. Contingency transfers should be reviewed in the context of other budget decisions so that high priority programs and projects are not jeopardized.

The Board understands that in order to avoid financial instability, continuing obligations cannot increase faster than continuing revenues. It is the policy of the Board to establish an emergency contingency account in the General Fund, as authorized by ORS 294.352, each fiscal year during the budget process. The account will be funded at a level consistent with actual use of transfers from contingency during the prior ten years.

To maintain financial stability, the following guidelines should be used by the Board in considering requests for transfers from the General Fund Contingency Account:

- 1. One-time-only allocations.
- 2. Contingency funding limited to the following:
 - Emergency situations which, if left unattended, will jeopardize the health and safety of the community.
 - Unanticipated expenditures necessary to keep a public commitment or fulfill a legislative or contractual mandate, or which have been demonstrated to result in significant administrative or programmatic efficiencies that cannot be covered by existing appropriations.
- 3. The Board may, when it adopts the budget for a fiscal year, specify programs it wishes to review during the year and increase the Contingency account to provide funding to support those programs if it chooses. Contingency funding of such programs complies with this policy.

Status

The Budget Director is responsible for informing the Board if contingency requests submitted for Board approval meet the criteria of this policy. In addition, each year the Budget Director will provide an annual report to the Board detailing the prior fiscal year's contingency actions. This report will include the total dollar amount of contingency requests, dollar amount approved, and dollar amount that did not meet the criteria of this policy.

Capital
Asset and
Transportation
Planning
Policies

Capital
Improvement
Plan - Facilities
and Property
Management

Capital financial management policies demonstrate to the credit rating industry and prospective investors (bond buyers) the County's commitment to sound financial management. Adherence to adopted policies ensures the integrity of the planning process and leads to maintaining or improving bond ratings and lowering the cost of capital.

It is the policy of the Board that the County will attempt to meet its capital maintenance, replacement or acquisition requirements on a pay-as-you-go basis. If the dollar amount of the capital requirement cannot be met on a pay-as-you-go basis, if it is financially beneficial to issue bonds or other debt instruments, and if the project has been determined to benefit future citizens, the County will evaluate the feasibility of issuing a long term debt financing instrument.

At the end of fiscal year 2018, Multnomah County owned 80 buildings with a historical cost of approximately \$451 million, and an estimated replacement cost of \$1.4 billion (including soft costs; excluding land acquisition). Structural and systems replacement in the County's capital plan is largely a non-discretionary activity. That is, the question is not whether such expenditures are necessary but in what year to schedule the expenditure on particular projects. Deferral of capital improvements and maintenance creates an unacceptable unfunded liability and contributes to further deterioration of properties. It is the goal of the Board to fund the County's capital needs at approximately 2% of the cost of County Tier 1 and Tier II buildings, equivalent to depreciating the facilities over a 50-year period. Only "fire-life-safety" and urgent capital projects will be considered for Tier III buildings, to avoid further investment in these facilities until they are disposed of.

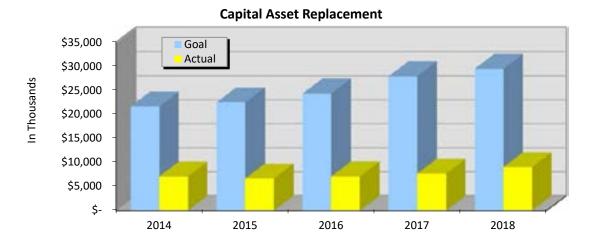

The Facilities and Property Management Division shall maintain an inventory of the capital needs in all owned County facilities. An evaluation process and rating system shall be implemented and managed by Facilities and Property Management to assist in determining which projects to propose for funding each year.

Any remaining balance of the Fund shall be maintained as a long-term reserve. During the annual budget development process the Director of the Facilities and Property Management (FPM) division is directed to update the five-year Capital Improvement Plan (CIP). The Plan shall provide for and prioritize maintenance projects, anticipated major improvements to County capital assets and any additional replacement of capital assets. The Plan shall include major construction to be undertaken by the County, regardless of funding source. The Plan will be reviewed and updated annually, and submitted to the Board of County Commissioners as part of the annual budget (see Five Year Capital Improvement Plan).

Status

The five year CIP is updated and presented to the Board annually. The County is not in compliance with the policy goal to fund capital needs at a rate of 2% of the replacement cost of buildings, but has increased fees charged to tenants in County owned buildings in an effort to reach the goal over time.

The following graph depicts the annual infrastructure spending goal and actual expenditures (\$ in thousands). The goal refers to a level of ongoing expenditures.

| | 2014 | 2015 | 2016 | 2017 | 2018 |
|--------|----------|----------|----------|----------|----------|
| Goal | \$21,665 | \$22,536 | \$24,373 | \$27,948 | \$29,485 |
| Actual | \$7,156 | \$6,722 | \$7,175 | \$7,747 | \$9,086 |

Financial and Budget Policies

fy2020 adopted budget

Best Use or Disposition of Surplus Property Policy The Board will make the final determination on the best use or disposition of the property identified. When deciding on the best use or disposition of surplus property, the Board will consider that the proceeds from the sale of unrestricted property may be allocated in the following prioritized manner:

- 1. Credited to the Asset Preservation Fund to provide reserves to meet future capital needs in Tier I facilities.
- Credited to the Capital Improvement Fund to provide resources for future capital projects, deferred maintenance, or capital acquisition / construction.
- 3. Retire outstanding debt related to the disposed of or surplus property.
- 4. Used to increase General Fund reserves to achieve full funding according to these policies.

In addition property may be traded for other properties or may be leased to other agencies in order to provide services or carry out the mission of the County.

Transportation Financing

Multnomah County owns, operates and maintains approximately 300 miles of urban and rural roads and 30 bridge structures, six of which are Willamette River bridges (Sauvie Island, Broadway, Burnside, Morrison, Hawthorne and Sellwood). Ongoing maintenance and improvements to the transportation infrastructure are necessary for economic growth, to alleviate existing transportation problems, and to maintain the livability of the region.

It is the policy of the Board to support statewide and regional funding for transportation-related needs. If state and regional funding is inadequate, the County works with jurisdictions within its boundaries to address the transportation funding needs of local governments.

Multnomah County's Transportation Capital Improvement Plan and Program (CIPP) is presented annually through the budget process. The purpose of the CIPP is to ensure limited public funds are invested in transportation projects providing the greatest public benefit. The CIPP is fully updated every five years and reviewed biennially. The update to the plan identified numerous road, fish passage culvert, and bridge capital projects along with associated seismic

The Chair and Board continue to raise the awareness of the challenges faced by the County due to the shortfall of transportation revenue. The Board's acceptance of the CIPP forms the basis for the selection and funding of road and bridge projects. They are working with the regional, state and federal partners to address transportation funding issues. More information can be found at https://multco.us/transportation-planning/plans-and-documents.

upgrades. Substantial investment is required to meet these needs.

Status

Financial and Budget Policies

fy2020 adopted budget

Information
Technology
Capital Projects
Financing

Multnomah County owns, operates, and maintains a significant investment in information technology (IT) equipment, software, and infrastructure. Maintaining and upgrading IT infrastructure is increasingly a non-discretionary activity, as County operations grow ever more reliant on information technology to deliver services efficiently.

The Board recognizes that adequate capital equipment replacement and upgrade funding is essential to avoid costly repair, replacement, or failure of major IT capital assets. During the annual budget development process the Director of the Department of County Assets is directed to update a five-year IT Asset Replacement Plan. The Plan shall provide for and prioritize major software projects, anticipated major improvements to County IT assets and infrastructure, and identify any additional replacement of IT assets. The plan and associated funding mechanisms shall be reviewed by the County Technology Council and approved annually by the Board of County Commissioners during the annual budget process.

Status

The Chief Information Officer will report to the board on the status of the projects during the annual budget process.

Insurance Coverage for Large Capital Projects In planning for large capital construction projects the County will consider and evaluate all options for providing insurance coverage on the project. Projects that are estimated to cost more than \$50 million may be insured through an Owner Controlled Insurance Program (OCIP). In those cases, the County will conduct an analysis of insurance options in advance of contract negotiations in order to determine whether an OCIP would be beneficial to the project.

Long-Term Liabilities

Policy Statement

Status

Governments are required to account for and report on long-term and other liabilities per Governmental Accounting Standards Board (GASB) pronouncements. Long-term liabilities reflect future obligations that have been incurred as a result of required or contractually obligated payments. The County recognizes the need to account for unfunded long-term liabilities and to develop a plan to manage them prudently.

Multnomah County has two long-term liabilities related to the cost of personnel. There are additional long-term liabilities associated with the County's self-insurance programs for liability and worker's compensation.

The County participates in the Public Employees Retirement System (PERS), a cost-sharing, multiple-employer defined benefit pension plan administered by the PERS Pension board. PERS provides retirement, disability, and death benefits to plan members and their beneficiaries. State statutes (ORS 238 and 238A) authorize the State to establish and amend all plan provisions.

The PERS contribution requirements of the County are established and may be amended by the State. It is the policy and practice of the County to pay PERS obligations on an annual, pay-as-you-go basis. The rates assessed by the PERS Board also include an actuarial estimate of the amount required to provide for any unfunded liability that may exist.

The County also has incurred a liability associated with contractually obligated retiree healthcare benefits. This liability, commonly known as Other Post Employment Benefits (OPEB) is the sole responsibility of the County.

PERS Long Term Liability

As of December 31, 2017, the County's net unfunded PERS liability is approximately \$553 million. If it is determined that the County could realize a present value savings from pre-funding the liability, the Chief Financial Officer may recommend the sale of Pension Obligation Bonds (POBs).

In FY 2017 the County established the first of four side accounts with Oregon PERS. These funds are invested by PERS and earn the same rate of return as the overall PERS portfolio. Creation of a side account allows the County to more effectively mitigate anticipated increases in PERS rates. Reserves, which are restricted for this purpose, will be used to establish the side accounts. By the end of FY 2020, the County will have invested a total of \$100 million in PERS side accounts.

OPEB Long Term Liability

As of January 1, 2018, the County's unfunded OPEB liability is approximately \$125 million. The County set a goal to achieve a funding level of 30% of the OPEB liability by the end of FY 2019. The Chief Financial Officer developed recommendations for funding the liability beyond FY 2018 and presented those for the Board's consideration. Funding to meet the OPEB, liability insurance, and worker's compensation liabilities is held in the form of reserves in the Risk Management Fund. The reserves are allocated, and reported to the State, by the Chief Financial Officer based on actuarial analysis. Reserves in the fund are considered set asides for the exclusive use of meeting these liabilities. As of June 30, 2018, the County has funded approximately 39% of the actuarial liability.

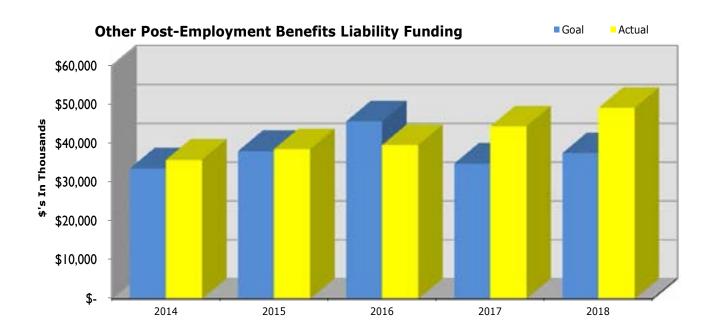

The County receives actuarial valuations for PERS and OPEB liabilities every two years. In connection with the County's OPEB actuarial valuations, the CFO and the County's actuaries will present the actuarial valuation on OPEB liabilities to the Board along with the CAFR presentation. The CFO may recommend OPEB funding structures to the Board based on the actuarial valuations and the County's Risk Management Fund. This will allow the Board to be better informed when considering funding options such as establishing a trust fund for the County's OPEB obligations. The County's next actuarial valuation will be as of January 1, 2019.

The following is the June 30, 2018 funding level of each liability (\$ in thousands):

| Liability Description | Total Liability | Amount Funded | Percent Funded |
|--------------------------|--------------------|------------------|-------------------|
| Self Insurance (1) | \$13,891 | \$10,787 | 78% |
| Post Retirement (2) | 125,473 | 49,249 | 39% |

⁽¹⁾ GASB requires self-insurance claims be recorded as a liability in the financial statements.

⁽²⁾ GASB requires employer paid benefits extended to retirees be disclosed in the financial statements. Liability reflects the most recent unfunded actuarial accrued liability amount per Mercer actuarial report.

| | 2014 | 2015 | 2016 | 2017 | 2018 |
|--------|----------|----------|----------|----------|----------|
| Goal | \$33,678 | \$38,165 | \$45,787 | \$34,953 | \$37,642 |
| Actual | \$35,925 | \$38,663 | \$39,726 | \$44,496 | \$49,249 |

Other Fund Balances

Policy Statement

Balances also exist in funds other than the General Fund. These fund balances are held for a variety of purposes. For example, balances in capital project funds may represent the unspent portion of projects approved by the Board in a prior year's budget. Balances may exist in debt service funds to ensure compliance with bond covenants. Other fund balances account for reserves that are held for asset replacement.

The Government Accounting Standards Board (GASB) has developed a statement – known as GASB 54 – that clarifies how fund balances are accounted for financial reporting purposes. The standard aims to enhance the usefulness of fund balance information by providing clearer fund balance classifications that can be more consistently applied.

It is the policy of the County to adhere to the GASB 54 guidelines and the following fund balance classifications that have been established.

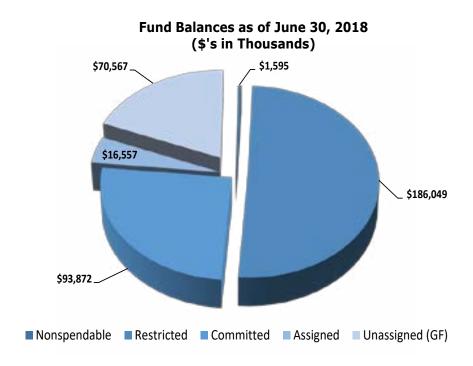

- Restricted for resources constrained on use by externally imposed creditors (such as through debt covenants), grantors, contributors, or laws or regulations of other governments or constraints imposed by law through constitutional provisions or enabling legislation.
- Committed for resources constrained on use authorized by the Board
 of County Commissioners via resolution or ordinance. For the purposes
 of the GASB statement, resolutions and ordinances are considered to be
 equally binding. Resources will be committed prior to June 30th and the
 amount may be determined at a subsequent date.
- Assigned for resources reported in the governmental funds outside
 of the General Fund that are not otherwise restricted or committed.
 Assigned balances represent the residual balance in funds other than the
 General Fund and are approved as part of the annual budget process.
- Unassigned for fund balances not reported in any other category.
 Unassigned fund balances will only be reported in funds other than the
 General Fund. An unassigned fund balance occurs when restrictions and
 commitments of resources are greater than the fund balance in total.

Accounting for resources in these categories is reported on the Combining Balance Sheet for each governmental fund type in the County's Comprehensive Annual Financial Report (CAFR).

The chart below provides the balances in the governmental funds as of June 30, 2018. The County is in compliance with this policy.

Status

| Governmental Funds | Balances on June 30, 2018 |
|---------------------------|---------------------------|
| Nonspendable | \$1,595 |
| Restricted | 186,049 |
| Committed | 93,872 |
| Assigned | 16,557 |
| Unassigned (GF) | 70,567 |
| Total fund balances | \$368,640 |

Internal Service Funds

Policy Statement

Status

The purpose of establishing internal service funds is to identify and allocate costs related to the provision of specific goods and services within the County.

Internal Service funds will be used to account for business operations and charge for goods or services provided to other departments or agencies on a cost-reimbursement basis. Periodically the rates charged will be compared to other public or private sector operations to ensure that pricing is competitive. The internal service fund charges will include asset replacement charges (depreciation) to ensure that adequate funds will be available to purchase replacement assets.

The charges may include a contingency or reserve amount not to exceed 10% of operating expenditures as recommended in the Auditor's 2011 Financial Condition Report (https://multco.us/file/18858/download) to ensure that service reimbursements charged to other departments are maintained at a relatively constant level. Rates will be trued up on an annual basis, thereby eliminating excess reserves.

The County is in compliance with this policy.

Investments Banking, Services and Cash Management

Policy Statement

Multnomah County maintains an active investment program. In accordance with ORS 294.135, investment transactions are governed by a written investment policy, which specifies objectives, diversification goals, limitations, and reporting requirements. The investment policy sets guidelines for diversification that are more stringent than those allowed by State statute, reflecting the County's strategic preference for a conservative investment approach. The investment policy is ratified annually by the Board of County Commissioners and includes any applicable updates resulting from changes in State statutes (ORS 294 and 295).

In addition, the County uses an independent Investment Advisory Board to review the County's policy and investment performance and contracts with an investment advisor to provide non-discretionary advisor services. The investment advisor assists in developing investment strategies, assists in the execution of trades, prepares monthly and quarterly investment portfolio performance reports, and monitors portfolio compliance to applicable rules and regulations. The current policy can be found at the following link: https://multco.us/finance/investments

Banking services shall be solicited at least every five years on a competitive basis. The Chief Financial Officer (or their designee) is authorized to act as the County's "Custodial Officer" responsible for performing the treasury functions of the County under state statute and the County's Home Rule Charter.

Treasury regularly analyzes and monitors the County's cash flow. Cash balances are reported in the monthly Investment Report prepared by Treasury. Historically, the County's low point for cash occurs prior to the time that Property Tax revenue is received in November. If necessary, and when there is a financial benefit to the County, the Chief Financial Officer may recommend the issuance of short-term, Tax and Revenue Anticipation Notes (TRAN). It is the policy of the County to issue TRANs only when there is a favorable interest rate environment or when internal sources will not cover the projected cash flow shortfall.

Status

The County is in compliance with this policy.

Shortterm and Long-term Debt Financings

Policy Statement

The County is authorized to issue debt under State statute (ORS, 287A) which establishes limits on the amount of debt that may be issued. In addition to the legal debt limits the County has imposed an internal limit on the issuance of debt that is expressed as a percentage of budgeted General Fund revenues.

The County's Debt Management Manual sets guidelines to comply with applicable State statutes, County imposed debt limitations, and Internal Revenue Service requirements. The Manual covers all aspects of debt financing from selecting the method of sale through bond closeout. The Debt Management Manual is reviewed annually by the Chief Financial Officer and, as requested, by the Municipal Debt Advisory Commission within the State Treasurer's Office.

It has been the County's policy to issue debt for public projects that provide long-term benefit to County residents. Under no circumstances will the County fund ongoing operations with the proceeds of long-term debt.

When issuing debt, the County will follow the Government Finance Officers Association recommended practice of selecting and managing the method of sale. As noted above, debt issuance is limited by State statute. The limit on voter approved, General Obligation Bonds is 2% of the real market value assessed within the County. The limit on all other debt instruments is 1% of the real market value assessed within the County. However, the County further limits non voter- approved debt supported by the County General Fund to an annual debt payment amount that will not exceed 5% of General Fund budgeted revenues. Likewise, debt that is supported by other funds will be limited to 5% of the total revenues of the supporting fund unless dedicated revenue sources are pledged for repayment of debt service. Annual debt service payments should never exceed the minimum level of General Fund reserves, (10% of annual General Fund revenues), providing the County with the ability to meet annual debt payment obligations in the case of severe budgetary challenges. The statutory and General Fund debt limitations are highlighted in the table below.

| Limitation | Basis for Limit | Value of Limit | Debt Capacity |
|-----------------------|------------------|-----------------|---------------|
| Statutory - GO Bonds | 2% of RMV | 172,752,206,300 | 3,455,044,126 |
| Statutory - All Other | 1% of RMV | 172,752,206,300 | 1,452,115,612 |
| County Policy | 5% of GF Revenue | n/a | 26,224,350 |

Financial and Budget Policies

fy2020 adopted budget

The different types of financings the County may use to fund its major capital acquisitions or improvements are:

- General Obligation Bonds (requires voter approval)
- Full Faith and Credit Obligations
- Revenue Bonds
- Capital Lease-Purchases
- Leases

Where debt is issued to finance capital projects, the term should be limited to the economic life of the financed asset. In general it is the Board's policy that debt issuances not exceed 20 years. However, when market conditions warrant or when a specific asset would have a longer useful life, the Chief Financial Officer may recommend a longer term of issuance.

The Chief Financial Officer regularly reviews and analyzes opportunities to refinance debt. It is the policy of the Board to enter into refinance agreements when net present value savings exceed 3% of the outstanding principal balance. Over the past several years, the County has taken an aggressive approach to debt management. All of the current debt issues that could be refinanced have been.

A schedule of the County's outstanding debt obligations as of July 1, 2019 can be found in Volume One of the FY 2020 budget in the Summaries tab.

Status

Interfund Loans

Policy Statement

An interfund loan is defined as a transfer between funds or fund types within the County for an approved amount and a definite plan of repayment in a specified period of time. Interfund loans are subject to ORS 294.468 and are designed to provide financing resources to address cash flow needs in County operations or capital financing plans. Interfund loans are either operating or capital and shall meet the requirements noted below:

- An Operating Interfund Loan is a loan made for the purpose of paying operating expenses.
- A Capital Interfund Loan is a loan made for the purpose of financing the design, acquisition, construction, installation, or improvement of real or personal property and not for the purpose of paying operating expenses.

Interfund loan requests must be reviewed and approved by the County's Chief Financial Officer and Budget Director prior to taking a request for authorization to the Board of County Commissioners. Interfund loans must be authorized by a resolution of the Board of County Commissioners, which shall state the fund from which the loan is to be made, the fund to which the loan is to be made, the purpose and intent for which the loan is made, the principal amount of the loan, the interest rate at which the loan shall be repaid (if applicable), and a schedule for repayment of principal and interest. In addition, interfund loans:

- Shall not be made from reserve funds, debt service funds, or any other funds restricted by law, constitutional provisions, bond covenants, grantor requirements, Board resolutions or ordinances, unless the restrictions on these funds allow for the purpose of the interfund loan.
- 2. Shall not be used to fund ongoing operations unless specifically approved by Board resolution.
- Shall be granted only after it has been demonstrated that reasonable consideration was given to other potential resources available to the fund and when the loan is required to meet a pressing need or to take advantage of a special opportunity.
- Shall not exceed 10 years in duration for any capital interfund loan; shall not extend beyond the end of the next fiscal year for any operating interfund loan.
- 5. May be made only if there is a likely expectation that the fund receiving the loan will have the ability to repay it. If not, the use of an interfund transfer should be considered if appropriate.
- 6. May be repaid in advance without any additional accrual of interest (if applicable) or any other penalties.
- 7. Must be made in compliance with all other statutory requirements and limitations of ORS 294.468.

No County fund shall carry a deficit cash balance for more than four months during any 12 month period without written authorization of the CFO. Absent authorization, department responsible for a fund shall be required to initiate a request for an interfund loan to be presented to the Board.

The County is in compliance with this policy.

Although the goal of the County's budget is to provide information that is concise and understandable, the complexities of public finance and Oregon State Budget law can be confusing for those not familiar with the budget process. The Glossary of Terms contains many of the key words and terms used in the County's budget to help the reader. Following the Glossary of Terms is a list of acronyms commonly used by Multnomah County.

-A-

Accrual Basis. Method of accounting in which revenue is recorded when measurable and earned, and expenses are recognized when a good or a service is used.

Adopted Budget. Financial plan adopted by the Board of County Commissioners for the fiscal year that forms the basis for appropriations.

Ad Valorem Tax. A property tax computed as a percentage of the value of taxable property. Based on the Assessed Value.

Advance Refunding. Advance refunding means selling new bonds, all or part of which are to be used to pay an outstanding bond one year or more after the advance refunding bond is issued and before any right to call or otherwise retire the old bond issue arises.

Appropriation. Authorization for spending a specific amount of money for a specific purpose during a fiscal year. The appropriation can be changed during the year by board transfer, grants or the supplemental budget.

Approved Budget. The budget that has been approved by the Board of County Commissioners.

Assessed Value. The value set on real and personal taxable property as a basis for levying taxes. It is the lesser of the property's maximum assessed value (the value that grows by 3%) or real market value.

Assessment Date. January 1. The date on which the real market value of property is set.

Audit. The review and appraisal of the County's accounts and fiscal affairs conducted by an accountant. A report is issued by the auditor expressing an opinion about the financial statements and compliance with requirements.

-B-

Balanced Budget. Oregon Administrative Rule requires jurisdictions within Oregon to propose and adopt balanced budgets. According to the State of Oregon, the definition of a balanced budget is an estimate of expenditures and resources whereby total resources in a fund equal the total expenditures and requirements for that fund, and the total of all resources equal the total of all expenditures and all requirements for all funds of the jurisdiction.

Basis of Accounting. The time various financial transactions are recorded (e.g., cash basis, the modified accrual basis or accrual basis).

Beginning Working Capital. An accounting term used to describe financial resources that are available in the current fiscal year because they were not expended in the previous fiscal year.

Board of Commissioners. As set forth in the Multnomah County Home Rule Charter, the Board of County Commissioners consists of four members, elected by district and a chair elected countywide for a four year term, who are devoted full-time to County's business.

Bond. A written promise to pay a specified sum of money (called the face value or principal amount), at a specified date or dates in the future, called the maturity date(s), together with periodic interest at a specific rate. Bonds issued by state governments or municipalities are generally exempt from tax.

Bonded Debt ("local improvement"). Borrowed monies for a capital construction project, approved by voters to be repaid by a tax levy.

Budget. Basis of the legal authorization for the expenditure of funds. A written plan of financial operation for estimating expenditures for one year, and the proposed means of financing the estimated expenditures. Must include a balanced statement of actual revenues and expenditures during each of the last two years, estimated revenues and expenditures for the current and upcoming year.

Budget Committee. Fiscal planning board of a local government, consisting of the five Commissioners, which authorizes the maximum for the tax levy.

Budget Cycles. The various developmental stages: REQUESTED (prepared by departments), the PROPOSED (prepared by County Chair), APPROVED (adjusted by the Board) and ADOPTED (adjusted/approved by the Board).

Budget Director's Message. Written explanation of the budget and the local government's financial priorities.

Budget Officer (Director). Person designated to assemble budget material and information and to physically prepare the proposed budget.

Budget Period/Fiscal Year. A 12-month period from July 1 through June 30 to which the annual operating budget applies.

-C-

Capital Expenditures/Capital Outlay. Expenditures on items or projects that have a useful life of three or more years, for which the initial costs exceed \$5,000. Examples include machinery, land, furniture, equipment, and building and infrastructure (roads and bridges) projects.

Capital Project. Any major repair, renovation or replacement of a current fixed asset that extends the useful operational life by at least five years or expands the capacity of an existing facility. Also includes construction of a new asset with a useful operational life of at least five years including roads, bridges, parks, marinas, and buildings.

Capital Projects Fund. A fund used to account for resources, such as bond sale proceeds, to be used for major capital purchase or construction projects. May be used for one or more projects.

Cash Basis. System of accounting under which revenues are accounted for only when received in cash, and expenditures are accounted for only when paid.

Categories of Measure 5 Limitation. The three categories in which taxes on property are placed before the constitutional limits can be tested: Education, General Government, Excluded from Limitation.

Certificates of Participation. Financing in which an individual buys a share of the lease revenues of an agreement made by a municipal or governmental entity, rather than the bond being secured by those revenues. This form of financing can be used by the municipal or government entity to circumvent restrictions that might exist on the amount of debt they might be able to take on.

Classification. A group of personnel positions which are enough alike in duties, authority, and responsibilities to require the same qualifications and the same pay for all positions in the group.

Compression Loss. The difference between property taxes actually imposed in a given year and property taxes that would have been imposed if Measure 5 limits did not exist. See Measure 5.

Constraint. Used in budgeting, a limitation set on the amount of General (or other funds) that may be used

Glossary of Terms

fy2020 adopted budget

by a program or department in a given fiscal year. Multnomah County sets a *constraint* on the amount of General Fund for which that departments may plan.

Contingency. An estimate in an operating fund for unforeseen spending that may become necessary.

Contracted Services. Expense of services rendered under contract by personnel who are not on the payroll of the jurisdiction, including all related expenses covered by the contract.

Current Assets. Assets available to finance current operations or to pay current liabilities.

Current Liabilities. Liabilities due within one year.

Current Year. The fiscal year in progress.

-D-

Debt Service Fund. A fund established to account for payment of general long-term debt principal and interest.

Discretionary Revenue. Revenue not dedicated or restricted for a specific purpose. Local governments can spend these funds on any activity.

Double Majority. A term that refers to an election where at least 50 percent of the registered voters eligible to vote in the election cast a ballot and more than 50 percent voting approve the question.

-E-

Efficiency Measure (Productivity). Efficiency measurement is a method for examining how effectively a program is performing its activities. This is an indicator that measures the cost of resources (e.g., in dollars, FTE, employee hours, time, etc.) per unit of output (e.g., per repair, per case, etc.).

Employee Benefits. Amounts paid on behalf of employees, excluding gross salary. These are fringe benefit payments not paid directly to employees, but are part of total compensation. Examples include health and life insurance, social security taxes, workers' compensation, and unemployment insurance.

Encumbrance. An obligation chargeable to an appropriation and for which part of the appropriation is reserved.

Enterprise Fund. A fund established to account for operations that are financed and operated in a manner similar to private business enterprises.

Expenditures. Total amount incurred if accounts are kept on an accrual or cash basis.

-F-

Fiduciary Fund. A fund used to account for resources held for the benefit of parties outside the County.

Financial Forecast. A report prepared by the budget office that provides annual estimates of the revenues and expenditures for several years. The forecast uses both short and long-term forecasts to plan for the General Fund.

Fiscal Year. A 12-month period from July 1 through June 30 to which the annual operating budget applies.

FTE. Full Time Equivalent. The equivalent of one employee working full-time for one year.

Full Faith and Credit. A pledge of the general taxing power of a government for the payment of a debt obligation. See General Obligation Bonds.

Fund. A fiscal and accounting entity with self-balancing accounts to record cash and other financial resources, related liabilities, balances and changes, all segregated for specific, regulated activities and objectives. Fund types include: general, special revenue, debt service, capital projects, special

assessment, enterprise, internal service, trust and agency, and reserve.

Fund Balance. The excess of assets of a fund over its liabilities and reserves during a fiscal year. Also called Beginning Working Capital (BWC).

-G-

GASB. Governmental Accounting Standards Board (GASB), which establishes and improves standards of state and local governmental accounting and external financial reporting.

General Fund. A fund used to account for most fiscal activities except for those activities requiring to be accounted for in another fund. Consists of discretionary and dedicated revenues.

General Ledger. A financial accounting system for recording and reporting actual expense and revenue activity.

General Obligation Bond. A common type of municipal bond backed by the credit and taxing power of the issuing jurisdiction rather than the revenue from a specific project. General obligation bonds are secured by the government's pledge to use legally available resources, including tax revenues, to repay bond holders. No assets are used as collateral.

Grant. Donation or contribution of cash or other assets to government from a third party, to be used or spent for a specified purpose, activity, or facility.

-H-

Home Rule Charter. Voter-approved charter amendment that grants Multnomah County the authority to make its own laws.

-1-

Indirect Charges. Administrative costs incurred by centralized activities and charged back to funds. Administrative costs include general administration, human resources, legal services, payroll and finance.

Input Indicator. Reports amount of resources such as financial, personnel, material that are devoted to a program. Financial and personnel data are the most common input measures.

Interfund Loans. Loans made by one fund to another. Loans must be repaid by the end of the ensuing year.

-L-

Levy. Amount or rate of ad valorem tax certified by a local government for the support of governmental activities.

Liabilities. Debt or other legal obligation arising from transactions in the past that must be liquidated, renewed, or refunded at a future date, not including encumbrances.

Line-item Budget. The traditional form of budgeting where proposed expenditures are based on individual objects of expense within a department or division.

Local Government. Any city, county, port, school district, community college, public or quasi-public corporation commission operated by a separate board or commission; a municipality.

Local Option Tax. Voter approved temporary taxing authority that is in addition to the taxes generated by the permanent tax rate. Local option taxes can be for general operations, a specific purpose, or capital projects. They are limited to five years unless they are for a capital project, then they are limited to the useful life of the project or 10 years, whichever is less.

-M-

Mandates. Activities required to be performed by local government. Requirements are legislated by state and federal government.

Maximum Assessed Value (MAV). The maximum taxable value limitation placed on real or personal property by the constitution. It can increase a maximum of three percent each year. The three percent limit may be exceeded if there are qualifying improvements made to the property, such as a major addition or new construction.

Measure 5 Constitutional Limits. In 1990, Oregon voters passed Measure 5 which established the maximum amount of tax on property that can be collected from an individual property in each category of limitation. (Art. XI, sect.11b, Or Const.). Property taxes dedicated for schools were capped at \$15.00 per \$1,000 of assessed value, and gradually lowered to \$5. Property taxes for other purposes were capped at \$10 per \$1,000.

Measure 50. In 1997, Oregon voters passed Measure 50, a revision of Measure 47 passed the prior year. These measures fundamentally changed the Oregon property tax system. Each jurisdiction was assigned a permanent tax rate limit. In addition, the assessed value of each property was reduced to FY 1998 and future increases in assessed value were capped. See Assessed Value and Permanent Tax Rate.

Modified Accrual Basis. A method of accounting where revenues and other financial resource increments, such as bond proceeds, are recognized when they become susceptible to accrual, that is, when they become both measurable and available (collectible) to finance expenditures for the current period.

-0-

OAR. Oregon Administrative Rule. Written to clarify Oregon law. Has the authority of law.

Object Classification. A grouping of expenditures, such as personal services, materials and services, capital outlay, debt services, and other types of requirements.

Obligations. The amounts of orders placed, contracts and subgrants awarded, goods and services received, and similar transactions during a given period that will require payment during the same or a future period.

Operating Rate. The rate determined by dividing the local government's operating tax amount by the estimated assessed value of the local government. This rate is needed when a local government wants to impose less tax than its permanent rate will raise.

Ordinance. A formal legislative enactment by the governing board of a municipality.

Organizational Unit. Any administrative subdivision of the local government, especially one charged with carrying on one or more specific functions, such as a department, office or division.

ORS. Oregon Revised Statute. Oregon laws established by the legislature.

Outcome Measure (Results). Designed to report the results of the service. It can often be described as a short-term (e.g., successful treatment completion), intermediate term (e.g., success by 3 or 6 months), or long-term outcome (e.g., 1 year or more). There should be a logical connection from outputs to meaningful outcomes, with activities supporting the results in a sequential fashion.

Output Measure. The most common type of indicator found in most performance measurement systems, reporting the number of units produced or services provided by the program. It describes the activities that a program has completed, but not necessarily their results. Data are typically reported as numbers and not percentages.

-P-

Payroll Expenses. Health and accident insurance premiums, Social Security, retirement contributions, workers' compensation and unemployment taxes are examples.

Performance Management. Using performance measurement information to help set performance goals, allocate and prioritize resources, inform managers to either confirm or change current policy or program direction to meet those goals, and report on the success of meeting those goals.

Performance Measurement. The process of developing meaningful, objective indicators that can be systematically tracked to assess progress made in achieving predetermined goals. Only after the development of meaningful measures and matched with regular review and use is an organization able to move to performance management.

Permanent Rate Limit. The maximum rate of ad valorem property taxes that a local government can impose. Taxes generated from the permanent rate limit can be used for any purpose. No action of the local government can increase a permanent rate limit.

Program Budget. A budget based on programs of work or projects.

Program Evaluation. Systematic collection of information about activities, characteristics and outcomes of programs to make judgments about the program, improve program effectiveness and/ or informed decisions about future programming. The application of scientific research methods to estimate how much observed results, intended or not, are caused by program activities.

Program Offer. A proposal from a department(s) that is submitted to County Commissioners. The offer states the services to be provided, the performance expectations, and the cost.

Property Taxes. Ad valorem tax certified to the County Assessor by a local government unit.

Proposed Budget. The financial and operating plan prepared by the County Chair. It is submitted to the public for review and the Board of County Commissioners for approval.

-Q-

Questica. An internet-based program offer input template for use with the Multnomah County Budgeting Process.

Quality Measure. Reflects effectiveness in meeting customer expectations. Measures include reliability, accuracy, courtesy, competence, responsiveness, and completeness associated with the product or service. Customer satisfaction reflects the degree to which the customer's expectations of a service are met/exceeded. Lack of quality can also be measured.

-R-

Real Market Value (RMV). Amount of cash which could reasonably be expected by an informed buyer acting without compulsion, in an "arms-length" transaction during the taxing period for the property.

Receipts. Cash received unless otherwise qualified.

Requirement. Sum of all appropriated and unappropriated items in a fund. Total requirements must always equal total resources in a fund.

Reserve Fund. Established to accumulate money for a specific purpose, such as purchase of new equipment.

Reserves. General reserves are the unappropriated ending fund balance maintained at an equivalent of 10% of the corporate revenues (see Financial Policies). These are the resources maintained to ensure the future financial stability of the County.

Glossary of Terms

fy2020 adopted budget

Resolution. A formal order of a governing body; lower legal status than an ordinance.

Resource. Estimated beginning funds on hand plus anticipated receipts. See Revenues.

Revenues. Money received or anticipated by a local government from either tax or non-tax sources.

-S-

SB 1145. In 1995, the legislature passed Senate Bill 1145, which transferred management of offenders sentenced for 12 months or less to the counties, effective January 1, 1997.

SB 400. In 2007, the legislature passed Senate Bill 400, which made safety and staffing a mandatory subject of bargaining for public safety employees.

Serial Levy. A voter approved tax levy for a specific purpose, over a specific time no greater than five years, and for a specified maximum amount.

Special Revenue Fund. A fund used to account for the proceeds of specific revenue sources (other than special assessments, expendable trusts, or major capital projects) that are legally restricted to expenditure for specific purposes.

Supplemental Budget. A financial plan prepared after the regular budget has been adopted to meet unexpected needs or to spend revenues not anticipated when the regular budget was adopted.

-T-

Target Allocation. Limitation set on the amount of General (or other) funds that may be used by a program or department in a given fiscal year.

Tax. Any charge imposed by a governmental unit upon a business, property or upon a property owner.

Tax Levy. Total amount of taxes imposed by a local government unit.

Tax on Property. Tax, fee, charge or assessment imposed by a government unit upon property or upon a property owner as a direct consequence of ownership except charges and assessment for local improvements.

Tax Rate. The amount of tax stated in terms of a unit of tax for each \$1,000 of assessed valuation of taxable property.

Tax Roll. The official list showing the amount of taxes levied against each property.

Transfers. Amounts distributed from one fund to finance activities in another fund. Shown as an expenditure in the originating fund and a revenue in the receiving fund.

Trust Fund. A fund used to account for fiscal activities of assets held in trust by a government.

-U-

Unappropriated Ending Fund Balance. Amount set aside in the budget to be used as a cash carryover to the next fiscal year or period budget. It provides the local government with cash until tax money is received from the county treasurer in November. This amount cannot be transferred by resolution or used through a supplemental budget, unless necessitated by a qualifying emergency.

Unappropriated Reserves. The unappropriated ending balance is called a "requirement", not an expenditure. The law specifically requires the unappropriated ending fund balance to become a budget resource in the next fiscal year (cash balance). During a current year, unappropriated funds are not available under *any* circumstance.

Unincorporated Area. The areas of the County outside city boundaries.
