Name: David Potter

Address: 17855 NW Tillamook Dr

Email: potterdavidm@gmail.com

Testimony: It is important to me and my family that there is accessible off-road cycling nearby. My nine year old daughter and my wife both love cycling and want to experience off-road cycling on single-track trail, but there are not any areas within 40 minutes that are suited for beginners or intermediate off-road cycling. Mountain biking Burlington Creek would be a welcome addition to the area.
