Official Ballot Multnomah County, OR **November 5, 2019**

THIS IS NOT A REAL BALLOT. DO NOT USE TO VOTE.

Instructions To Voter

Please Use A Blue or Black Ink Pen.

Completely fill in the oval ____ to the left of your choice to be sure your vote will be counted.

Attention!

Remember to inspect your ballot for mistakes! If you make a mistake or damage your ballot, call Multnomah County Elections Office at (503) 988-3720.

Check for Errors

If you vote for more options than allowed, your vote will not count for that contest.

💔 Warning

Any person who, by use of force or other means, unduly influences an elector to vote in any particular manner or to refrain from voting is subject to a fine. (ORS 254.470)

City of Portland Measure

Referred to the People by the City Council

26-204 Amends Charter: Increases protections for Bull Run Watershed.

Question: Shall Charter be amended to increase Bull Run Watershed protections by restricting access, regulating allowed activities and limiting land uses?

Summary: The measure adds a new Charter section establishing protections for City lands within the Bull Run Watershed Closure Area, the location of the City's primary drinking water source and hydroelectric facilities. The Charter currently does not protect the Bull Run Watershed. The measure will codify watershed protections in the Charter and, if passed, the protections may only be removed by an affirmative vote of Portlanders.

Protections include:

- Public access restrictions
- Tree-cutting prohibitions
- Land use and activity limits
- Drinking water or hydroelectric projects must avoid and then mitigate impacts to the natural environment

The Bull Run Watershed Closure Area includes the Bull Run Watershed Management Unit—which is jointly managed by the City and the United States Forest Service—and additional land to the west which is managed exclusively by the City. The Bull Run Watershed Closure Aréa is managed to provide high-quality drinking water for the Portland metropolitan area.

City of Portland Measure

Referred to the People by the City Council

26-205 Amends Charter: Authorizes City participation in emergency mutual aid agreements.

Question: Shall Charter be amended to authorize emergency mutual aid agreements between the City and other government entities, tribes or utilities?

Summary: The measure amends the Charter by clarifying Council authority to enter into and fund mutual aid agreements to provide or receive emergency assistance between the City and other government entities, tribes or utilities following a significant natural disaster or other major disruption to water-related services. Mutual aid agreements permit emergency responders to lend assistance across jurisdictional boundaries when an emergency response exceeds local resources. Mutual aid agreements typically address the furnishing of personnel, equipment or expertise in a specific manner when an emergency occurs.

Referred to the People of the Metro Region by the Metro Council
<u> </u>
26-203 Bonds to protect water quality, fish, wildlife habitat, natural areas
Question: Shall Metro protect clean water, natural areas, access to parks and nature; issue bonds estimated to maintain current tax rate?
If the bonds are approved, they will be payable from taxes on property or property ownership that are not subject to the limits of sections 11 and 11b, Article XI of the Oregon Constitution.
Summary: If passed, the measure would:
 Authorize \$475 million in general obligation bonds to continue regional programs to protect and improve water quality in local rivers and streams, and help salmon and other native fish. Protect headwaters of local rivers like the Willamette, Tualatin and
Clackamas, wildlife habitat, and natural areas. Restore wetlands to control flooding.
 Fund local water quality, wildlife habitat, trail, and park maintenance projects, and large- scale community nature access projects.
 Continue Nature in Neighborhoods grants to protect and connect people and nature.
 Maintain Metro's parks, including Oxbow and Blue Lake, and make these parks and natural areas safer, more accessible and welcoming, especially for low- income families and communities of color.
Due to previous bonds retiring, this program is not expected to increase tax rates.
Requires community oversight committee; yearly independent financial audits. Bond costs estimated at \$0.19 per \$1,000 of assessed value annually, approximately \$4.00/month for the average homeowner. Actual costs may differ. Bonds may be issued in multiple series and mature in no more than 30 years.
