Executive Summary

This offer is for the operation of 150 beds at MCIJ. MCIJ is a medium security, direct supervision correctional facility. Operation ensures the proper custody, control and supervision of detained pretrial adults in custody and sentenced offenders. Also funded in this offer are additional jail administration, support, and operations staff.

Program Summary

The Inverness Jail is a direct supervision, dormitory style facility founded on the principles of re-engineering the responsibilities and behavior of adults in custody. The design and population of Inverness Jail are suited to the greatest opportunities for offender programs, education and work opportunities.

The Inverness Jail is operated in accordance with applicable state statutes and regulations, with the goal of ensuring public safety by providing professionally managed detention services to pretrial adults in custody and sentenced offenders. The facility also serves as the central link for the regional inmate transport system.

The Corrections Health program's mission is to ensure that detainees receive appropriate medical, dental and mental health care, and are treated humanely. Suicide prevention is a primary goal. Emergency medical services provided by Corrections Health are also available at MCIJ 24/7.
