Program Characteristics:

Executive Summary

Commissioner Meieran serves as one of five elected members that make up the governing body of Multnomah County, representing District 1. District 1 includes areas west of the Willamette River, as well as the inner east side of Portland south of Interstate 84. Her responsibilities include adopting a balanced budget, setting and advancing policy priorities, and responding to the needs and concerns of her district. She works to make Multnomah County a place where everyone can thrive by supporting programs and policies that allow residents to be safe, healthy, and live with dignity.

Program Summary

Commissioner Meieran is working on issues such as: increasing affordable housing and reducing homelessness; improving access to quality behavioral health services; supporting public safety system innovations to reduce recidivism and promote alternatives to costly incarceration; conducting a study of the feasibility of municipal broadband in Multnomah County; and advocating for policies that decrease the risk of climate change and a major earthquake. She prioritizes programs that provide meaningful and effective services to Multnomah County residents and have clear and measurable goals. She is also a strong advocate for effective policies and adequate state and federal funding for local programs.

During the FY 2021 budget process, Commissioner Meieran will prioritize the needs of our most vulnerable residents and focus on the intersection of housing and homelessness, health care, and public safety. She will continue to spearhead efforts to improve behavioral health services, focusing on effective, evidence-based strategies, peer support, integration with housing, and connection to health care and other supportive wrap-around services. She will look for opportunities to continue to address the needs of veterans, older adults, and people with disabilities, and she will focus on reproductive health equity as well as public health interventions that improve the health and wellbeing of the whole community. She will actively seek opportunities to improve our resilience in an emergency, including through partnerships with others in the region. Through all of this work, she will center the need to enact policies that address the disparities and racial injustices disproportionately faced by people of color.

As a Board liaison to the Association of Oregon Counties (AOC) and Co-Chair of AOC's Health and Human Services Steering Committee, she will advocate for Multnomah County's interests to be reflected in AOC's legislative agenda and other work.

Finally, Commissioner Meieran will oversee and collaborate with her colleagues on major construction projects in her district, including the Burnside Bridge Lifeline Feasibility Study and other transportation projects.
