Executive Summary

The Tax Supervising and Conservation Commission (TSCC) carries out statutory mandates to oversee budget, debt, and property tax issues of local governments in Multnomah County. In carrying out these mandates, the TSCC protects and represents public interest, ensures local government compliance with Local Budget Law, promotes economy and efficiency within those local governments, and provides budgetary advice and assistance.

Program Summary

The Tax Supervising and Conservation Commission (TSCC), established by the Oregon Legislature in 1919, is an independent and impartial panel of five governor-appointed citizen volunteers that review and monitor the financial affairs of local governments in Multnomah County. The TSCC reviews the budgets of all 42 local governments to ensure compliance with local budget law and is responsible for oversight of its 28 member districts.

The review and oversight includes checking to see that budgets are balanced, property tax revenue projections are reasonable, and that the budget processes comply with state and local budget laws. TSCC staff works closely with the county assessor's office as a double check that property tax levies are requested and calculated accurately. These efforts reduce violations of local budget law, especially if the error results in a property tax levy that exceeds authority.

In addition to its legally mandated oversight role, the TSCC offers training and consulting services to member jurisdictions. Recent examples include: two annual budget training workshops, budget law training at state conferences, 11 annual budget hearings, and three to five property tax measure hearings annually. TSCC staff is also active state-wide on budget and property tax issues in both a practitioner role and as legislative advisory role.

The Commission considers the citizens to be its primary customers and seeks to make the financial affairs of local governments more transparent and accountable to those citizens. Funding for the TSCC comes from two sources: member districts, the share of which is calculated by statutory formula, and the state's County Assessment Function Funding Assistance (CAFFA) Grant.
