## Executive Summary

The Sheriff's Office Inmate Work Crew provides opportunities for sentenced offenders to learn general labor and social responsibility while fostering a work ethic that aids in their reintegration into the community. Sentenced offenders who successfully complete this program receive a sense of self-worth. This is accomplished while meeting the publics' needs at a reduced cost to the taxpayers by freeing up jail beds in the form of reduced sentences for participating offenders.

## **Program Summary**

Each crew is typically composed of 4 offenders supervised by Corrections Deputies. Offenders are expected to be ready to work each morning, take directions, and work as part of a team. This program provides instruction on the proper use and maintenance of general landscaping tools and what type of personal protective equipment is necessary to safely complete the job. Offenders who successfully complete this program can be released early if it is part of the court order at time of sentencing. The early release of these minimum custody offenders gives the Sheriff another tool to effectively manage jail populations ensuring pretrial inmates who are dangerous offenders are not released prematurely into the community due to jail system overcrowding.

Community service work is generally project-oriented. Some services are performed for agencies and non-profits that serve the homeless and other at-risk groups within the community. Crews have participated in community events such as Friends of the Library, Sand in the City, March of Dimes March for Babies, Polar Plunge, and Race for the Cure to name a few. Work Crews help in the set up and removal of tents, chairs and activity areas used during these events. The donated time and labor of work crews provide resources to ensure these events are successful. In addition, work crews offer an emergency labor force during natural or man-made disasters (i.e., sandbagging, removal of downed trees).

MCSO maintains contracts with Multnomah County, Oregon Department of Transportation, City of Portland and Metro Regional Government. Other agencies include the cities of Gresham, Troutdale, Fairview and Wood Village. Public contracted work normally consists of roadside, bridgehead and park maintenance, landscaping and a concentrated effort on cleaning up illegal dumpsites.
