Executive Summary

Commissioner Meieran serves as one of five elected members that make up the governing body of Multnomah County, representing District 1. District 1 includes areas west of the Willamette River, as well as the inner east side of Portland south of Interstate 84. Her responsibilities include adopting a balanced budget, setting and advancing policy priorities, and responding to the needs and concerns of her district. She works to make Multnomah County a place where everyone can thrive by supporting programs and policies that allow residents to be safe, healthy, and live with dignity.

Program Summary

Commissioner Meieran is working on issues including: monitoring the county's ongoing COVID-19 pandemic response; improving access to quality behavioral health services; supporting public safety system innovations to reduce recidivism and promote alternatives to costly incarceration; reducing homelessness through housing opportunity, supportive services, and harm reduction approaches; implementing recommendations from a feasibility study of municipal broadband in Multnomah County: collaborating with her colleagues on major construction and infrastructure projects in District 1: and advocating for policies that decrease risks stemming from climate change and a potential major earthquake. She prioritizes programs that provide meaningful services to Multnomah County residents and have clear and measurable goals. She is also a strong advocate for effective legislation and adequate state and federal funding for local programs.

During the FY 2022 budget process, Commissioner Meieran will prioritize the needs of our most marginalized residents and focus on the intersection of housing and homelessness, public health, and community safety. She will continue to spearhead efforts to improve behavioral health, focusing on effective, evidence-based services, peer support, integration with housing, quality data, and connection to other aligned systems. She will continue to address the needs of veterans, older adults, and people with disabilities, and she will actively seek opportunities to improve our resilience in an emergency, including through partnerships with others in the region. As the Co-Chair of the Association of Oregon Counties (AOC) Health and Human Services Steering Committee, she will champion Multnomah County's interests. Through all of this work, she will center the need to enact policies that address racial injustices, health inequities, and other disparities that disproportionately harm communities of color. She will strive to consistently promote inclusive decision-making that involves those most impacted by policy and budget decisions. She will work to apply these considerations and priorities to routine county business, as well as the region's ongoing COVID-19 pandemic response.
