# **Executive Summary**

The Office of Community Involvement was established by County Charter to develop and maintain community involvement programs and procedures for the purpose of facilitating direct communication between the people of Multnomah County and the Board of County Commissioners. The office connects community members with opportunities to serve on advisory boards and committees, with a focus on elevating the voices of communities historically underrepresented in government decision-making. The office's recruitment process prioritizes applicants from communities most impacted by the county's programs and services.

### **Program Summary**

The Office of Community Involvement coordinates programs and activities designed to engage people from Multnomah County's diverse communities and support the County's community involvement programs. The office conducts continual outreach and recruitment to inform communities about opportunities to engage with Multnomah County by attending community events, fostering relationships with community partners and civic leadership programs, and through communications including social media and email.

The office maintains a community contact list for communications and sends out a quarterly e-newsletter with opportunities to volunteer on County advisory groups and participate in public input processes. The office provides a single point of contact for community members interested in volunteering by maintaining lists of advisory committees and other volunteer opportunities, managing inquiry and application processes, referring inquiries from the public to appropriate opportunities and resources, and maintaining a database of active and potential volunteers. The office also hosts an annual volunteer recognition event for all county departments.

The office staffs the volunteer members of the Community Involvement Committee (CIC), including providing support, training and coordination for CIC meetings. The CIC serves as Multnomah County's advisory body on community engagement and involvement. The office also manages the Community Budget Advisory Committee (CBAC) program by leading recruitment to fill vacancies, coordinating CBAC orientation and report submission deadlines, and serving as a resource for county employees who staff CBACs. The office also provides staffing and technical assistance to the County's Central and Nondepartmental CBACs. The office serves as a resource for offices and departments in the development of effective and inclusive community engagement plans, and coordinates a community of practice for county staff who support advisory boards and committees.
