

### Program #40065 - Behavioral Health Division Administration

3/2/2021

**Department:** Health Department **Program Contact:** Ebony Clarke

Program Offer Type: Administration Program Offer Stage: As Requested

Related Programs: 40067, 40068 Program Characteristics: In Target

## **Executive Summary**

Multnomah County's Behavioral Health Division (BHD) Administration manages a recovery-focused, comprehensive system of care to prevent, intervene in, and treat mental illness and addiction in children and adults. Through culturally responsive and evidence-based practices, BHD serves low-income, uninsured, and individuals who are homeless, as well as any of the over 800,000 county residents experiencing a behavioral health crisis. BHD provides a continuum of services directly and through a provider network. These programs serve approximately 53,000 annually.

### **Program Summary**

The Board of County Commissioners is the Local Mental Health Authority. Through that authority, BHD Administration oversees and manages all publicly-funded behavioral health programs in the system of care, whether provided directly or through contracted agencies. BHD is organized into 5 units: 1) The Community Mental Health Program (CMHP) which provides safety net and basic services to the entire county that include involuntary commitment, crisis services, and addiction services (under the Addictions Unit). 2) Direct Clinical Services (DCS), which encompasses all programs for children, youth, and families delivered directly by DCS staff. These services may be reimbursed by the local Coordinated Care Organization (CCO), by the state, or by another funding source. 3) Care Coordination for adults and children who are Medicaid members - funded by federal dollars through the local CCO as well as Choice, funded by the state. 4) Addictions, which includes a benefits coordination team, prevention, and technical assistance funded through the CCO, grants, and the state. 5) Quality Management which includes compliance, quality improvement, reporting, billing and Evolv. 6) Office of Consumer Engagement (OCE).

BHD Administration continuously assesses its continuum of services to respond to the changing needs and demographics of Multnomah County. All changes are shaped by the input of consumers, advocates, providers and stakeholders. The Division ensures the system and services provided are consumer-driven by prioritizing consumer voice through the Office of Consumer Engagement, frequent provider feedback, adult system and child system advisory meetings, focus groups and ad hoc meetings. BHD Administration is also responsible for ensuring contracted providers deliver evidence-based and culturally responsive services to consumers. BHD monitors contracts with providers for regulatory and clinical compliance. To ensure good stewardship, BHD business and clinical decisions ensure that finite resources are targeted to serve the most vulnerable populations. BHD management participates in planning at the state level to influence the policy decisions that affect the community we serve. BHD values our community partners, with whom we work collaboratively to create a system of care responsive to the needs of our community.

Performance Measures								
Measure Type	Primary Measure	FY20 Actual	FY21 Budgeted	FY21 Estimate	FY22 Offer			
Output	Total Behavioral Health Advisory Meetings <sup>1</sup>	23	23	19	23

\$ 363,347 - State Mental Health Grant Local Admin

\$ 220,000 - Beginning Working Capital

\$ 426,816 - Unrestricted Medicaid fund through CareOregon

### Significant Program Changes

Last Year this program was: FY 2021: 40065 Behavioral Health Division Administration

The COVID-19 pandemic meant that the BHD had to quickly pivot to virtual services, including telehealth and working from home. Additionally, the BHD worked closely with the Office of Emergency Management to provide Disaster Behavioral Health subject matter expertise and support to the Emergency Operations Center.

The CARES (Coronavirus Aid, Relief, and Economic Security) Act provided funding through the BHD for culturally specific behavioral health counseling and financial assistance to the community, wth a focus on BIPOC and elder adults.
