Executive Summary

Family Court Services (FCS) helps keep children safe, families stable, and promotes public safety through services to families as they experience the major life transition of separation or divorce. Exposure to parental conflict and the potential loss of a parent through separation or divorce places children at risk for delinquency, teen pregnancy, behavioral health issues, and poor school performance, which can lead to a cycle of dysfunction and offending behavior. These services help promote healthy parenting dynamics and communication.

Program Summary

Through parent education, mediation, information and referral services, and child custody evaluation, FCS stabilizes families involved with the Family Court and plays a critical role in preventing family dysfunction, childhood stress, and juvenile delinquency. Parent education and mediation are state mandated services for parents involved in the Family Court system.

The Parent Education Program provides relevant legal and parenting information to Multhomah County parents experiencing separation or divorce.

In addition to Parent Education, FCS provides child custody and parenting time mediation to over 1,000 families per year and conducts comprehensive child custody evaluations to assist families experiencing high levels of conflict. FCS also produces materials such as the "Birth Through Three" and "Second Chances" handbooks for use by parents and others in need of information relevant to co-parenting issues. Reducing parental conflict during separation decreases risks for delinquency and teen pregnancy, decreases subsequent litigation, and increases children's meaningful contact with both parents (Wallerstein 1998; Emery 2001; Sarkadi et al. 2008).

FCS is housed in the Downtown Courthouse and services have been available at the Juvenile Court and East County Courthouse in order to better serve the residents of East Multnomah County. The COVID-19 pandemic impacted operations beginning in March 2020. FCS staffs have shifted to providing services virtually. In person services will resume when it is safe to do so. Virtual options may still be available and staff will assess where best to offer services.
