Executive Summary

Program Characteristics: In Target

The citizens of Oregon have designated certain activities are subject to regulation in order to facilitate a safe and livable community. MCSO's Concealed Handgun Unit equitably administers this program and provides all Multnomah County residents and others in Oregon & Washington who meet the qualifications set forth by Oregon Revised Statues (ORS) the opportunity to apply and receive concealed carry licenses.

Program Summary

The Concealed Handgun Unit administers and manages all aspects of applying for and the issuance of concealed carry licenses. The Unit is responsible for investigating applicants and issuing concealed handoun licenses to those who meet the legal standards set by the ORS. The Unit monitors existing licenses and, when necessary, revokes licenses for reason consistent with the law. The Concealed Handgun Unit processes renewal notifications on a monthly basis and responds to questions from the public regarding the application process and other concealed carry-related issues.

A secondary function of the Concealed Handoun Unit is the issuance of Expedited Court Access ID cards. These ID Cards are issued as a courtesy to people who regularly need access to the Multnomah County Courthouse for reasons of their employment. Eligibility for Court ID cards is reviewed and tracked in an existing system for issuing cards and tracking card expiration dates. The existing system was designed to be standalone and have a long-term software life, saving cost by obviating the need to purchase additional software for this function.
