Program Summary

As policies and directives are developed or modified, the Corrections Division Administration works to integrate these into corrections facility operations, providing guidance and direction to operational managers. Corrections Facilities Administration meets with labor leadership to address guestions and operational challenges as policies and procedures are implemented into operations.

The Corrections Facilities Division offers support to the citizens of Multnomah County by providing safe and considerate processing of arrestees and constitutionally sound supervision of adults in custody and sentenced offenders.

The Corrections Facilities Division is comprised of individuals from various ethnicities, age and cultural backgrounds, leading to a racially diverse team with various skills and problem-solving abilities to serve our Adults in Custody. The Corrections Facilities Admin develops and implements policies to ensure adults in custody have fair and equitable access to treatment and opportunity to address their needs while in custody in a safe environment and encouraging engagement in their care.

The Division works collaboratively with the Department of Community Justice and other criminal justice partners to ensure the corrections continuum of services are administered with focus on improving inequities in the corrections system to improve outcomes for populations disproportionately affected by interaction with the criminal justice system.

The Corrections Facilities Administration will continue to work closely with Multnomah County Corrections Health and Public Health as our operations evolve in response to and consideration of the COVID19 pandemic and impacts on facility capacity and practices.
