I am running for the Portland School Board Position in Zone 6 because all students deserve access to great teachers, engaging classes, and welcoming schools.

Throughout this pandemic, PPS has been innovative and compassionate in creating a Comprehensive Distance Learning program, and providing struggling families with access to nutritional services. While the Covid-19 pandemic will eventually end, PPS must continue to provide our communities with an array of access points to vital education and nutritional services.

PPS faces many challenges in providing equitable and engaging education services. As a parent and reading tutor, I see the numerous obstacles that deprive students, teachers, administrators, and parents of the joy of education. I will work hard to ensure every student has access to compassionate, accountable, and proficient schools.

Now is the time to reshape and improve how we educate our children. I have a plan to close the achievement chasm (a gap is an inadequate description), improve the PPS website, and will work with the Superintendent and school board to craft a straight-forward action plan to improve our schools. Check out my ideas at [www.maxmargolis.org](http://www.maxmargolis.org).

If elected, I promise to listen with empathy, curiosity, and kindness to our community members. I also will ask tough questions, demand accountability, celebrate success, and will demonstrate everyday that **equity and excellence are equals**, not rivals.

Together we can make PPS the best school district in Oregon. Our students are ready to elevate--I believe my perspective, ideas, and plans will take them to the next level!

I want your vote, because Portland students need a meaningful education.
