Executive Summary

The Personal Property Assessment Program, within the Division of Assessment, Recording, and Taxation (DART), is responsible for processing all taxable Business Personal Property returns received. Personal Property represents 3% of the value upon which taxes are levied for the benefit of all Multnomah County taxing districts.

Program Summary

The Personal Property Assessment Program's goal is to ensure proper filing amongst all businesses within the county, to create assessment records for new taxable business Personal Property accounts, and to maintain the Real Market Value and Maximum Assessed Value of all taxable business Personal Property accounts.

Oregon Revised Statutes require annual filings of the Confidential Personal Property Return form from businesses in the county for property tax purposes. The Personal Property Assessment Program reviews those returns (approximately 22,000 businesses annually) for accuracy & completeness and applies appropriate depreciation factors to each business asset on each return. Technicians in this program also conduct research and discovery of businesses and assets omitted from the assessment roll. Appraisals are performed to defend values under appeal. Technicians in this program also conduct account maintenance including ownership information, address information, and more. This program also conducts significant outreach, communication, and education efforts to help taxpayers understand their obligations and to assure the assessment records are accurate.

Under the Measure 50 tax limitation measure, there is no assumption of a 3% increase in personal property taxable value; instead, each business is required to annually report existing taxable property. Failure to monitor this process will result in the loss of taxable assessed value and tax revenue. Accurate values maximize the level of tax assessment allowed under Measure 5 and Measure 50 tax limitation measures.

Most directly this program works with the business representatives of Multnomah County. Indirectly, this program serves the work of property tax assessment. Property taxes account for more than 60% of the County's General Fund revenues. The program has recently taken steps to better serve non-English speaking business representatives, by translating informational documents into multiple languages.

Legal / Contractual Obligation

Oregon Revised Statutes (ORS) Chapters 92,205,294,305,306,307,308, 308A, 309, 310 and 321 and related Oregon Administrative Rules regulate virtually all aspects of the assessment and property tax calculation process. ORS 306.115 assigns statewide general supervision of the property tax system to the Oregon Dept. of Revenue (DOR). Through the "County Assessment Function Funding Assistance" (CAFFA) Grant process described in ORS 294.175, the DOR determines the acceptable level of assessment and taxation (A&T)staffing. Current DART staffing is minimally adequate to perform statutory functions. Any reduction to this program may ieopardize the grant revenue.
